Police Case number 1900006190

TO: A Judge of the Superior Court or a Judge Trial Referee

The undersigned, being duly sworn, complains on oath that the undersigned has probable cause to believe that certain property, to wit:

Any and all telephone account information associated with Comcast Corporation telephone number 860-321-7691, including, but not limited to all subscriber information, historical subscriber information, Call detail records, voicemail messages, billing record information, any additional telephone numbers associated with the account, any account identification information, account history to include any and all master telephone numbers and billings records, and subscriber's email account names for the time period of May 2018 through the date of this order, inclusive.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned affiants, Officer Thomas Patten and Sergeant Scott Romano are members of the New Canaan Police Department, presently assigned to the Investigative Division and have approximately 41 years of combined law enforcement experience. Both affiants have conducted numerous investigations of criminal activity including, but not limited to sexual assault, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these affiants.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success. NCPD officers responded to the residence and attempted to raise someone inside the home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence. During their check of the residence, NCPD officers located several suspected bloodstains on the garage floor and on a Land Rover parked inside the garage. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

3. That a Missing Person investigation commenced which included the gathering of physical evidence, a variety of witness interviews, the execution of multiple search warrants, forensic examination, and other aspects, all of which resulted in the identification of suspects, to include Fotis Dulos, the estranged husband of Jennifer Dulos.

4. That on 06/01/19 Fotis Dulos was arrested for Tampering with Physical Evidence and Hindering Prosecution. Following Dulos' release on bond, Defense Attorney Norm Pattis made public comments referencing an "Alibi" phone call on the morning of 05/24/19.

5. That investigators worked to corroborate Pattis' claim that phone records would show Dulos was incapable of involvement in his wife's disappearance. Detectives obtained search & seizure warrants for all known telephone numbers to which Dulos had access on 05/24/19, the records of which might contain evidence pertinent to this case. Thus far investigators have uncovered no evidence which would rule out Dulos' involvement in Jennifer's disappearance.

6. That on 09/23/19 investigators were notified by Farmington (CT) resident Debby Colello that she had received a phone call at her residence in which the caller asked, "Can I speak with Fotis Dulos?" Colello was surprised someone was calling her home asking to speak with Dulos, as she did not personally know Dulos and has no association with him, either past or present. Colello was only familiar with Dulos' name through news reports she had seen regarding the disappearance of Jennifer Dulos. When asked by Colello to identify themselves, the caller claimed to be from PayPal. Colello asked what number PayPal was dialing, and the caller confirmed they were calling Colello's residential phone number: 860-321-7691. Colello informed that they had the wrong number and hung up. Colello stated that Comcast Xfinity had installed a phone in her residence in July of 2018 as part of a bundle package with Comcast Xfinity. Colello stated that the phone is never used and she only has it as a backup phone in case she was to lose electricity. Colello keeps the phone in her bedroom with the ringer on low. After the phone call Colello checked the voicemail for the phone number, 860-321-7691, and discovered approximately 80 voicemail messages. Colello stated she listened to some of the messages and that the ones she listened to were messages for Fotis Dulos dating back to 2018. Colello believes that the messages were left for Fotis Dulos after she was assigned the number being that it was a number listed previously for Fotis Dulos.

7. That on 09/30/2019 I contacted Comcast Corporation and they confirmed that 860-321-7691 is a Comcast Corporation telephone number. That a search on Transunion TLOxp, a public and proprietary database, of the Comcast Corporation telephone number 860-321-7691 was listed as a number possibly associated with Fotis Dulos.

8. That based on your affiants training and experience, a perpetrator(s), or persons knowing the victim(s), may have communicated by way of a telephone. Also, co-conspirators in the planning, execution and to cover up a particular crime may have communicated by way of telephone. Persons who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of a perpetrator(s), or witness(s) of the crime of Murder (Section 53a-54a of the Connecticut General Statutes).

9. That your affiants have personal knowledge that the Comcast Corporation Office located at 650 Centerton Road Moorestown, New Jersey 08057 during their normal course of business, stores the following information to include, but not limited to all subscriber information, historical subscriber information, call detail records, voicemail messages, any additional telephone numbers associated with the account, any account identification information, account history to include any and all master telephone numbers and billings records, and subscriber's email account names for the Comcast Corporation telephone number 860-321-7691 for the time period of May 2018 through the date of this order inclusive.

10. That this search warrant application has not been previously presented to any other judicial authority.

11. That based on the preceding information, your affiants believe that probable cause exists that the Comcast Corporation account information for telephone number 860-321-7691 contains information pertaining to this investigation.

12. That your affiants are respectfully requesting a search and seizure warrant for the Comcast Corporation Office, located at 650 Centerton Road Moorestown, New Jersey 08057 for telephone records associated with 860-321-7691.

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S § 36a-43(a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned affiants, Officer Thomas Patten and Sergeant Peter Condos are members of the New Canaan Police Department, presently assigned to the Investigative Division and have approximately 51 years of combined law enforcement experience. Both affiants have conducted numerous investigations of criminal activity including, but not limited to sexual assault, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these affiants.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success. NCPD officers responded to the residence and attempted to raise someone inside home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence. During their check of the residence, NCPD officers located several suspected bloodstains on the garage floor and on a Land Rover parked inside the garage. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

3. That New Canaan Police initiated a search of the area surrounding 69 Welles Lane residence. At approximately 8:10 PM, officers located a 2017 Chevrolet Suburban (Connecticut passenger plate: AJ69099) registered to the victim, Jennifer Dulos, parked on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

4. That members of the WDMCS Van conducted crime scene processing at the 69 Welles Lane residence and found a large amount of physical evidence in the garage area and inside the residence, including multiple stains on the garage floor which tested positive for human blood, areas of suspected blood spatter, and evidence of attempts to clean the crime scene.

5. That members of the WDMCS Van processed the victim's 2017 Chevrolet Suburban and found possible blood evidence in the vehicle.

6. That investigators identified Jennifer Dulos' estranged husband as FOTIS P. DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. Dulos' live-in girlfriend was identified as MICHELLE C. TROCONIS (DOB: 09/26/1974) - hereinafter referred to as "Troconis."

7. That Investigators learned that Dulos was the owner of Fore Group, Inc., which corroborated as follows:

- A check of the business website LinkedIn (www.Linkedin.com) listed Dulos as "Owner, Fore Group, Inc."

- A check of the Fore Group business website (www.foregroupinc.com) listed Dulos as "President & CEO." The site also identified Pawel Gumienny as "Managing Associate."

8. That a COLLECT check of vehicles registered to Fotis Dulos and his business, Fore Group Inc., revealed the following vehicles:

1. 2014 Ford Raptor, CT Registration 910FYC, color black
2. 2015 Chevrolet Suburban, CT registration 974SCC, color black
3. 2014 Jeep Grand Cherokee Laredo, CT registration AK25389, color white
4. 2009 Porsche Cayenne, CT registration 707XKT, color black
5. 2007 Chevrolet Suburban, CT registration 516WDJ, color black, status cancelled

9. That on 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos voluntarily provided his Apple iPhone Model X to detectives, who seized and secured the device pursuant to their belief the cell phone would contain evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

10. That investigators obtained a search and seizure warrant to conduct a forensic download on Dulos' device (Apple iPhone Model X). Additional search warrants were also obtained for the Call Detail Records (CDR) associated with the cell phone belonging to Troconis. Investigators consulted with the United States Marshals Service (USMS), who provided analytical support for cell phone data for Dulos' handset and Troconis' call detail records. The following information was gleaned:

- On 05/24/19 (date of incident) Dulos' cell phone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road that

Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.

Dulos' device remained on the property until approximately 3:38 PM - a period of more than two hours - at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM.

At approximately 5:21 PM, Dulos' cell phone had returned to the area of 80 Mountain Spring Road.

At approximately 5:34 PM, Dulos' cell phone arrived back at his residence at 4 Jefferson Crossing.

At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. According to Troconis' Call Detail Records (CDR), her cellular device also traveled along with Dulos' cell phone throughout the Hartford area.

At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

11. That investigators obtained surveillance footage from the Hartford Police Department - Capital City Command Center (C4) that operates surveillance cameras at various locations throughout the city of Hartford, including in the Albany Avenue area. C4 footage documented a black Ford Raptor pickup truck stopping at multiple locations along a more than one-mile stretch of Albany Avenue between Baltimore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle.

C4 video footage also showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male was wearing a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which appeared to be stained with a substance consistent with the appearance of blood.

One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female's physical appearance was consistent with Michelle Troconis.

Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew

removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two (2) Connecticut license plates whose appearance had been altered using tape and adhesive. The actual Connecticut plates read "516WDJ." The number "1" and letter "D" from the original stamped plates were modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

A separate video source – a residential surveillance system adjacent to Dulos' property – showed a black Ford Raptor pulling into Dulos' driveway (4 Jefferson Crossing) at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

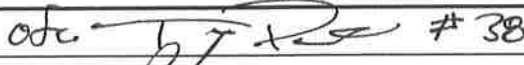

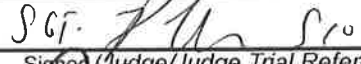

12. That on 06/01/19, the DESPP Forensic Lab indicated that a WDMCS Van submission of evidence gathered from the crime scene had yielded a mixture of the biological material of the victim, Jennifer Dulos, and that of her husband, Fotis Dulos.

13. That on 06/01/19 items submitted to the DESPP lab were tested and found to contain Jennifer Dulos' blood. Subsequent laboratory analysis determined the presence of DNA material from Fotis Dulos in the blood of Jennifer Dulos recovered in a swabbing of the kitchen faucet of the 69 Welles Lane residence.

14. That on 06/02/19, investigators conducted a custodial interview with Michelle Troconis at NCPD headquarters. Troconis was in the presence of her attorney during the interview and she signed an Advisement and Waiver of Rights. When shown screenshots from the Hartford C4 surveillance footage, Troconis admitted that the photographs depicted Dulos driving the 2014 Ford Raptor pick-up truck (CT Plate: 910YFC) along Albany Avenue depositing multiple bags of unknown contents in city trash receptacles. Troconis also admitted she was a passenger in the vehicle as Dulos was dumping garbage bags.

15. That investigators used cellular data from Jennifer Dulos' cellphone and residential surveillance to construct a timeline for the crime which included the victim's vehicle leaving the driveway of the residence and points along a route which led to Lapham Road, where the vehicle was ultimately recovered. Data showed the victim's phone remained within the area of Lapham Road and the south portion of Waveny Park for approximately forty minutes prior to its last known location. Approximately three minutes after Jennifer Dulos' phone disconnected from the network, the suspect's vehicle was shown on surveillance camera traveling northbound along the Merritt Parkway (Rt. 15) just north of Exit 37. This timeframe illustrates a forty minute gap in which the suspect's location is undetermined.

16. That during the course of this investigation, investigators confirmed Jennifer Dulos' 2017 Chevrolet Suburban VIN: 1GNSKJKCXHR239005 had a radio equipped with a Sirius XM Radio.

17. That Sirius XM Radio is a United States satellite radio service audio entertainment company that comes installed in new vehicles from every major automaker in the U.S.

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S § 36a-43(a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

SEARCH AND SEIZURE WARRANT

STATE OF CONNECTICUT
SUPERIOR COURT

SEARCH AND SEIZURE WARRANT

The foregoing Affidavit and Application for Search and Seizure Warrant having been presented to and been considered by the undersigned, a Judge of the Superior Court or a Judge Trial Referee, and the foregoing Affidavit having been subscribed and sworn to by the affiant(s) before me at the time it was presented, the undersigned (a) is satisfied therefrom that grounds exists for said application, and (b) finds that said affidavit established grounds and probable cause for the undersigned to issue this Search and Seizure Warrant, such probable cause being the following: From said affidavit, the undersigned finds that there is probable cause for the undersigned to believe that the property described in the foregoing affidavit and application is within or upon the person, if any, named or described in the foregoing affidavit and application, or the place or thing, if any, described in the foregoing affidavit and application, under the conditions and circumstances set forth in the foregoing affidavit and application, and that, therefore, a Search and Seizure warrant should issue for said property.

NOW THEREFORE, by Authority of the State of Connecticut, I hereby command any Police Officer of a regularly organized police department, any State Police Officer, any inspector in the Division of Criminal Justice, or any conservation officer, special conservation officer or patrol officer acting pursuant to C.G.S. § 26-6 to whom these presents shall come within ten days after the date of this warrant to enter into or upon and search the place or thing described in the foregoing affidavit and application, or search the person described in the foregoing affidavit and application or both, to wit:

Sirius XM Radio Inc.
Attn: Legal Department

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned affiants, Officer Thomas Patten and Sergeant Peter Condos are members of the New Canaan Police Department, presently assigned to the Investigative Division and have approximately 51 years of combined law enforcement experience. Both affiants have conducted numerous investigations of criminal activity including, but not limited to sexual assault, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these affiants.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success. NCPD officers responded to the residence and attempted to raise someone inside home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence. During their check of the residence, NCPD officers located several suspected bloodstains on the garage floor and on a Land Rover parked inside the garage. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

3. That New Canaan Police initiated a search of the area surrounding 69 Welles Lane residence. At approximately 8:10 PM, officers located a 2017 Chevrolet Suburban (Connecticut passenger plate: AJ69099) registered to the victim, Jennifer Dulos, parked on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

4. That members of the WDMCS Van conducted crime scene processing at the 69 Welles Lane residence and found a large amount of physical evidence in the garage area and inside the residence, including multiple stains on the garage floor which tested positive for human blood, areas of suspected blood spatter, and evidence of attempts to clean the crime scene.

5. That members of the WDMCS Van processed the victim's 2017 Chevrolet Suburban and found possible blood evidence in the vehicle.

6. That investigators identified Jennifer Dulos' estranged husband as FOTIS P. DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. Dulos' live-in girlfriend was identified as MICHELLE C. TROCONIS (DOB: 09/26/1974) - hereinafter referred to as "Troconis."

7. That Investigators learned that Dulos was the owner of Fore Group, Inc., which corroborated as follows:

- A check of the business website LinkedIn (www.Linkedin.com) listed Dulos as "Owner, Fore Group, Inc."

- A check of the Fore Group business website (www.foregroupinc.com) listed Dulos as "President & CEO." The site also identified Pawel Gumienny as "Managing Associate."

8. That a COLLECT check of vehicles registered to Fotis Dulos and his business, Fore Group Inc., revealed the following vehicles:

1. 2014 Ford Raptor, CT Registration 910FYC, color black
2. 2015 Chevrolet Suburban, CT registration 974SCC, color black
3. 2014 Jeep Grand Cherokee Laredo, CT registration AK25389, color white
4. 2009 Porsche Cayenne, CT registration 707XKT, color black
5. 2007 Chevrolet Suburban, CT registration 516WDJ, color black, status cancelled

9. That on 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos voluntarily provided his Apple iPhone Model X to detectives, who seized and secured the device pursuant to their belief the cell phone would contain evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

10. That investigators obtained a search and seizure warrant to conduct a forensic download on Dulos' device (Apple iPhone Model X). Additional search warrants were also obtained for the Call Detail Records (CDR) associated with the cell phone belonging to Troconis. Investigators consulted with the United States Marshals Service (USMS), who provided analytical support for cell phone data for Dulos' handset and Troconis' call detail records. The following information was gleaned:

- On 05/24/19 (date of incident) Dulos' cell phone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road that

Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.

Dulos' device remained on the property until approximately 3:38 PM - a period of more than two hours - at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM.

At approximately 5:21 PM, Dulos' cell phone had returned to the area of 80 Mountain Spring Road.

At approximately 5:34 PM, Dulos' cell phone arrived back at his residence at 4 Jefferson Crossing.

At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. According to Troconis' Call Detail Records (CDR), her cellular device also traveled along with Dulos' cell phone throughout the Hartford area.

At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

11. That investigators obtained surveillance footage from the Hartford Police Department - Capital City Command Center (C4) that operates surveillance cameras at various locations throughout the city of Hartford, including in the Albany Avenue area. C4 footage documented a black Ford Raptor pickup truck stopping at multiple locations along a more than one-mile stretch of Albany Avenue between Baltimore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle.

C4 video footage also showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male was wearing a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which appeared to be stained with a substance consistent with the appearance of blood.

One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female's physical appearance was consistent with Michelle Troconis.

Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew

removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two (2) Connecticut license plates whose appearance had been altered using tape and adhesive. The actual Connecticut plates read "516WDJ." The number "1" and letter "D" from the original stamped plates were modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

A separate video source – a residential surveillance system adjacent to Dulos' property – showed a black Ford Raptor pulling into Dulos' driveway (4 Jefferson Crossing) at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

12. That on Friday, May 31, 2019, at approximately 0638 hours the 2014 Ford Raptor, bearing CT Registration 910YFC (VIN: 1FTFW1R62EFC06852) was seized under the authority of a search and seizure warrant. The vehicle was located at 4 Jefferson Crossing in the town of Farmington and towed to Troop L, located at 452 Bantam Road in the town of Litchfield.

13. That on 06/01/19, the DESPP Forensic Lab indicated that a WDMCS Van submission of evidence gathered from the crime scene had yielded a mixture of the biological material of the victim, Jennifer Dulos, and that of her husband, Fotis Dulos.

14. That on 06/01/19 items submitted to the DESPP lab were tested and found to contain Jennifer Dulos' blood. Subsequent laboratory analysis determined the presence of DNA material from Fotis Dulos in the blood of Jennifer Dulos recovered in a swabbing of the kitchen faucet of the 69 Welles Lane residence.

15. That on 06/02/19, investigators conducted a custodial interview with Michelle Troconis at NCPD headquarters. Troconis was in the presence of her attorney during the interview and she signed an Advisement and Waiver of Rights. When shown screenshots from the Hartford C4 surveillance footage, Troconis admitted that the photographs depicted Dulos driving the 2014 Ford Raptor pick-up truck (CT Plate: 910YFC) along Albany Avenue depositing multiple bags of unknown contents in city trash receptacles. Troconis also admitted she was a passenger in the vehicle as Dulos was dumping garbage bags.

16. That investigators used cellular data from Jennifer Dulos' cellphone and residential surveillance to construct a timeline for the crime which included the victim's vehicle leaving the driveway of the residence and points along a route which led to Lapham Road, where the vehicle was ultimately recovered. Data showed the victim's phone remained within the area of Lapham Road and the south portion of Waveny

Park for approximately forty minutes prior to its last known location. Approximately three minutes after Jennifer Dulos' phone disconnected from the network, the suspect's vehicle was shown on surveillance camera traveling northbound along the Merritt Parkway (Rt. 15) just north of Exit 37. This timeframe illustrates a forty minute gap in which the suspect's location is undetermined.

17. That during the course of this investigation, investigators confirmed Fotis Dulos' 2014 Ford F-150 Raptor VIN: 1FTFW1R62EFC06852 had a radio equipped with a Sirius XM Radio.

18. That Sirius XM Radio is a United States satellite radio service audio entertainment company that comes installed in new vehicles from every major automaker in the U.S.

19. That Sirius XM Radio states in their Privacy Policy under the heading LOCATION & USAGE DATA – NOTICE & CHOICE:

We may automatically collect information about you when you have geo- location tools on your Internet-enabled device as well as when you use a vehicle's enabled radio, or permit another person to do so.

20. That based on the aforementioned information the Affiants have probable cause to believe that the Sirius XM Radio account associated with Fotis Dulos of 4 Jefferson Crossing Farmington, CT 06032 and the 2014 Ford F-150 Raptor VIN: 1FTFW1R62EFC06852 will contain geo-location evidence that will assist this investigation related to the crime of Murder (Section 53a-54a of the Connecticut General Statutes).

21. That the Affiants are respectfully requesting a search and seizure warrant be issued for Sirius XM Radio, Legal Department, 1290 Avenue of the Americas, 11th Floor New York, NY 10020 for records associated with Sirius XM Radio device in the 2014 Ford F-150 Raptor VIN: 1FTFW1R62EFC06852 associated with subscriber Fotis Dulos of 4 Jefferson Crossing Farmington, CT 06032 for the requested time period of March 20, 2019 until May 31, 2019.

pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43(a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

TO: A Judge of the Superior Court or a Judge Trial Referee

The undersigned, being duly sworn, complains on oath that the undersigned has probable cause to believe that certain property, to wit:

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned affiants, Officer Thomas Patten and Sergeant Peter Condos are members of the New Canaan Police Department, presently assigned to the Investigative Division and have approximately 51 years of combined law enforcement experience. Both affiants have conducted numerous investigations of criminal activity including, but not limited to sexual assault, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these affiants.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success. NCPD officers responded to the residence and attempted to raise someone inside home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence. During their check of the residence, NCPD officers located several suspected bloodstains on the garage floor and on a Land Rover parked inside the garage. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

3. That New Canaan Police initiated a search of the area surrounding 69 Welles Lane residence. At approximately 8:10 PM, officers located a 2017 Chevrolet Suburban (Connecticut passenger plate: AJ69099) registered to the victim, Jennifer Dulos, parked on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

4. That members of the WDMCS Van conducted crime scene processing at the 69 Welles Lane residence and found a large amount of physical evidence in the garage area and inside the residence, including multiple stains on the garage floor which tested positive for human blood, areas of suspected blood spatter, and evidence of attempts to clean the crime scene.

5. That members of the WDMCS Van processed the victim's 2017 Chevrolet Suburban and found possible blood evidence in the vehicle.

6. That investigators identified Jennifer Dulos' estranged husband as FOTIS P. DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. Dulos' live-in girlfriend was identified as MICHELLE C. TROCONIS (DOB: 09/26/1974) - hereinafter referred to as "Troconis."

7. That Investigators learned that Dulos was the owner of Fore Group, Inc., which corroborated as follows:

- A check of the business website LinkedIn (www.Linkedin.com) listed Dulos as "Owner, Fore Group, Inc."

- A check of the Fore Group business website (www.foregroupinc.com) listed Dulos as "President & CEO." The site also identified Pawel Gumieny as "Managing Associate."

8. That a COLLECT check of vehicles registered to Fotis Dulos and his business, Fore Group Inc., revealed the following vehicles:

1. 2014 Ford Raptor, CT Registration 910FYC, color black
2. 2015 Chevrolet Suburban, CT registration 974SCC, color black
3. 2014 Jeep Grand Cherokee Laredo, CT registration AK25389, color white
4. 2009 Porsche Cayenne, CT registration 707XKT, color black
5. 2007 Chevrolet Suburban, CT registration 516WDJ, color black, status cancelled

9. That on 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos voluntarily provided his Apple iPhone Model X to detectives, who seized and secured the device pursuant to their belief the cell phone would contain evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

10. That investigators obtained a search and seizure warrant to conduct a forensic download on Dulos' device (Apple iPhone Model X). Additional search warrants were also obtained for the Call Detail Records (CDR) associated with the cell phone belonging to Troconis. Investigators consulted with the United States Marshals Service (USMS), who provided analytical support for cell phone data for Dulos' handset and Troconis' call detail records. The following information was gleaned:

- On 05/24/19 (date of incident) Dulos' cell phone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road that

Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.

Dulos' device remained on the property until approximately 3:38 PM - a period of more than two hours - at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM.

At approximately 5:21 PM, Dulos' cell phone had returned to the area of 80 Mountain Spring Road.

At approximately 5:34 PM, Dulos' cell phone arrived back at his residence at 4 Jefferson Crossing.

At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. According to Troconis' Call Detail Records (CDR), her cellular device also traveled along with Dulos' cell phone throughout the Hartford area.

At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

11. That investigators obtained surveillance footage from the Hartford Police Department - Capital City Command Center (C4) that operates surveillance cameras at various locations throughout the city of Hartford, including in the Albany Avenue area. C4 footage documented a black Ford Raptor pickup truck stopping at multiple locations along a more than one-mile stretch of Albany Avenue between Baltimore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle.

C4 video footage also showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male was wearing a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which appeared to be stained with a substance consistent with the appearance of blood.

One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female's physical appearance was consistent with Michelle Troconis.

Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew

removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two (2) Connecticut license plates whose appearance had been altered using tape and adhesive. The actual Connecticut plates read "516WDJ." The number "1" and letter "D" from the original stamped plates were modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

A separate video source – a residential surveillance system adjacent to Dulos' property – showed a black Ford Raptor pulling into Dulos' driveway (4 Jefferson Crossing) at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

12. That on 06/01/19, the DESPP Forensic Lab indicated that a WDMCS Van submission of evidence gathered from the crime scene had yielded a mixture of the biological material of the victim, Jennifer Dulos, and that of her husband, Fotis Dulos.

13. That on 06/01/19 items submitted to the DESPP lab were tested and found to contain Jennifer Dulos' blood. Subsequent laboratory analysis determined the presence of DNA material from Fotis Dulos in the blood of Jennifer Dulos recovered in a swabbing of the kitchen faucet of the 69 Welles Lane residence.

14. That on 06/02/19, investigators conducted a custodial interview with Michelle Troconis at NCPD headquarters. Troconis was in the presence of her attorney during the interview and she signed an Advisement and Waiver of Rights. When shown screenshots from the Hartford C4 surveillance footage, Troconis admitted that the photographs depicted Dulos driving the 2014 Ford Raptor pick-up truck (CT Plate: 910YFC) along Albany Avenue depositing multiple bags of unknown contents in city trash receptacles. Troconis also admitted she was a passenger in the vehicle as Dulos was dumping garbage bags.

15. That investigators used cellular data from Jennifer Dulos' cellphone and residential surveillance to construct a timeline for the crime which included the victim's vehicle leaving the driveway of the residence and points along a route which led to Lapham Road, where the vehicle was ultimately recovered. Data showed the victim's phone remained within the area of Lapham Road and the south portion of Waveny Park for approximately forty minutes prior to its last known location. Approximately three minutes after Jennifer Dulos' phone disconnected from the network, the suspect's vehicle was shown on surveillance camera traveling northbound along the Merritt Parkway (Rt. 15) just north of Exit 37. This timeframe illustrates a forty minute gap in which the suspect's location is undetermined.

16. That during the course of this investigation, investigators confirmed Jennifer owned an Apple iPhone as well as multiple iPads and Mac computers linked to an iCloud account: jenniferdulos@mac.com.

17. That Apple is a United States company that produces the iPhone, iPad, and iPod Touch, all of which use the iOS operating system, and desktop and laptop computers based on the Mac OS operating system.

17. That iMessage and FaceTime allow users of Apple devices to communicate in real-time. iMessage enables users of Apple devices to exchange instant messages ("iMessages") containing text, photos, videos, locations, and contacts, while Facetime enables those users to conduct video calls.

18. That iCloud is a file hosting, storage, and sharing service provided by Apple. iCloud can be utilized through numerous iCloud-connected services, and can also be used to store iOS device backups and data associated with third-party applications. Apple provides users with five gigabytes of free electronic space on iCloud, and users can purchase additional storage space. That storage space, located on servers controlled by Apple, may contain data associated with the use of iCloud-connected services, including: email (iCloud Mail); images and videos (iCloud Photo Library, My Photo Stream, and iCloud Photo Sharing); documents, spreadsheets, presentations, and other files (iWorks and iCloud Drive); and web browser settings and Wi-Fi network information (iCloud Tabs and iCloud Keychain). iCloud can also be used to store iOS device backups, which can contain a user's photos and videos, iMessages, Short Message Service ("SMS") and Multimedia Messaging Service ("MMS") messages, voicemail messages, call history, contacts, calendar events, reminders, notes, app data and settings, and other data. Records and data associated with third-party apps may also be stored on iCloud; for example, the iOS app for WhatsApp, an instant messaging service, can be configured to regularly back up a user's instant messages on iCloud.

19. That based on your affiants training and experience, instant messages, iMessages, SMS text messages, MMS messages, e-mails, voicemails, photos, videos, and documents are often used in furtherance of criminal activity, including to communicate and facilitate the offenses under this investigation.

20. That your affiants are aware that the suspect, Fotis Dulos, used an Apple device as his primary cellphone. Fotis Dulos was also known to be in two-way communications with the victim, Jennifer Dulos, on a regular basis. These communications would reasonably include iMessage threads, the exchange of photographs (which may include location metadata), audio/video clips, and other items which could provide investigators with information and insight into the suspect's actions and/or intentions.

21. That based on the aforementioned information regarding the Apple iCloud service, the Affiants have

probable cause to believe that the Apple iCloud account, jenniferdulos@mac.com associated with Jennifer Dulos of 69 Welles Lane New Canaan, CT 06840 will contain evidence related to the crime of Murder (Section 53a-54a of the Connecticut General Statutes).

22. That your Affiants are respectfully requesting a search and seizure warrant be issued for Apple Inc., Privacy and Law Enforcement Compliance, 1 Infinite Loop, Cupertino, CA 95014 for records associated with Apple iOS device on the Verizon network with phone number 929- 499-7661, associated with subscriber Jennifer Dulos of 69 Welles Lane New Canaan, CT 06840.

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S § 36a-43(a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned affiants, Officer Thomas Patten and Sergeant Peter Condos are members of the New Canaan Police Department, presently assigned to the Investigative Division and have approximately 51 years of combined law enforcement experience. Both affiants have conducted numerous investigations of criminal activity including, but not limited to sexual assault, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these affiants.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success. NCPD officers responded to the residence and attempted to raise someone inside home but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence. During their check of the residence, NCPD officers located several suspected bloodstains on the garage floor and on a Range Rover parked inside the garage. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

3. That New Canaan Police initiated a search of the area surrounding 69 Welles Lane residence. At approximately 8:10 PM, officers located a 2017 Chevrolet Suburban (Connecticut passenger plate: AJ69099) registered to the victim, Jennifer Dulos, parked on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

4. That members of the WDMCS Van conducted crime scene processing at the 69 Welles Lane residence and found a large amount of physical evidence in the garage area and inside the residence, including multiple stains on the garage floor which tested positive for human blood, areas of suspected blood spatter, and evidence of attempts to clean the crime scene.

5. That members of the WDMCS Van processed the victim's 2017 Chevrolet Suburban and found possible blood evidence on the interior and the exterior of the vehicle.

6. That investigators identified Jennifer Dulos' estranged husband as FOTIS P. DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. Dulos' live-in girlfriend was identified as MICHELLE C. TROCONIS (DOB: 09/26/1974) - hereinafter referred to as "Troconis."

7. That Investigators learned that Dulos was the owner of Fore Group, Inc., which corroborated as follows:

- A check of the business website LinkedIn (www.Linkedin.com) listed Dulos as "Owner, Fore Group, Inc."
- A check of the Fore Group business website (www.foregroupinc.com) listed Dulos as "President & CEO." The site also identified Pawel Gumienny as "Managing Associate."

8. That a COLLECT check of vehicles registered to Fotis Dulos and his business, Fore Group Inc., revealed the following vehicles:

1. 2014 Ford Raptor, CT Registration 910FYC, color black
2. 2015 Chevrolet Suburban, CT registration 974SCC, color black
3. 2014 Jeep Grand Cherokee Laredo, CT registration AK25389, color white
4. 2009 Porsche Cayenne, CT registration 707XKT, color black
5. 2007 Chevrolet Suburban, CT registration 516WDJ, color black, status cancelled

9. That on 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos voluntarily provided his Apple iPhone Model X to detectives, who seized and secured the device pursuant to their belief the cell phone would contain evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To this date, Dulos has declined to cooperate with this investigation.

10. That investigators obtained a search and seizure warrant to conduct a forensic download on Dulos' device (Apple iPhone Model X). Additional search warrants were also obtained for the Call Detail Records (CDRs) associated with the cell phone belonging to Troconis. Investigators consulted with the United States Marshals Service (USMS), who provided analytical support for cell phone data for Dulos' handset and Troconis' call detail records. The following information was gleaned:

- On 05/24/19 (date of incident) Dulos' cell phone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

- At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road that

Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.

Dulos' device remained on the property until approximately 3:38 PM - a period of more than two hours - at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM.

At approximately 5:21 PM, Dulos' cell phone had returned to the area of 80 Mountain Spring Road.

At approximately 5:34 PM, Dulos' cell phone arrived back at his residence at 4 Jefferson Crossing.

At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. According to Troconis' Call Detail Records (CDR), her cellular device also traveled along with Dulos' cell phone throughout the Hartford area.

At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

11. That investigators obtained surveillance footage from the Hartford Police Department - Capital City Command Center (C4) that operates surveillance cameras at various locations throughout the city of Hartford, including in the Albany Avenue area. C4 footage documented a black Ford Raptor pickup truck stopping at multiple locations along a more than one mile stretch of Albany Avenue between Baltimore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle.

C4 video footage also showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male was wearing a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which appeared to be stained with a substance consistent with the appearance of blood.

One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female's physical appearance was consistent with Michelle Troconis.

Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew

removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two (2) Connecticut license plates whose appearance had been altered using tape and adhesive. The actual Connecticut plates read "516WDJ." The number "1" and letter "D" from the original stamped plates were modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

A separate video source - a residential surveillance system adjacent to Dulos' property - showed a black Ford Raptor pulling into Dulos' driveway (4 Jefferson Crossing) at approximately 8:12 PM. A male matching the description Dulos' appearance and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

12. That on 06/01/19, the DESPP Forensic Lab indicated that a WDMCS Van submission of evidence gathered from the crime scene had yielded a mixture of the biological material of the victim, Jennifer Dulos, and that of her husband, Fotis Dulos.

13. That on 06/01/19 items submitted to the DESPP lab were tested and found to contain Jennifer Dulos' blood. Subsequent laboratory analysis determined the presence of DNA material from Fotis Dulos in the blood of Jennifer Dulos recovered in a swabbing of the kitchen faucet of the 69 Welles Lane residence.

14. That on 06/02/19, investigators conducted a custodial interview with Michelle Troconis at NCPD headquarters. Troconis was in the presence of her attorney during the interview and she signed an Advisement and Waiver of Rights. When shown screenshots from the Hartford C4 surveillance footage, Troconis admitted that the photographs depicted Dulos driving the 2014 Ford Raptor pick-up truck (CT Plate: 910YFC) along Albany Avenue depositing multiple bags of unknown contents in city trash receptacles. Troconis also admitted she was a passenger in the vehicle as Dulos was dumping garbage bags.

15. That investigators used cellular data from Jennifer Dulos' cellphone and residential surveillance to construct a timeline for the crime which included the victim's vehicle leaving the driveway of the residence and points along a route which led to Lapham Road, where the vehicle was ultimately recovered. Data showed the victim's phone remained within the area of Lapham Road and the south portion of Waveny Park for approximately forty minutes prior to its last known location. Approximately three minutes after Jennifer Dulos' phone disconnected from the network, the suspect's vehicle was shown on surveillance camera traveling northbound along the Merritt Parkway (Rt. 15) just north of Exit 37. This timeframe illustrates a forty-minute gap in which the suspect's location is undetermined.

16. That on 06/02/19 at approximately 1335 hours Affiant Patten received a call from Dean Batchelder, a technology consultant for Fotis Dulos for approximately ten (10) years. Batchelder stated that on 05/30/19 he received a call from Michelle Troconis asking for assistance with her phone and computer. On 05/31/19 Batchelder assisted Troconis with a time machine backup of her phone and computer to a 1 TB external drive, color black, at 4 Jefferson Crossing Farmington, CT. Batchelder stated that he backed up images from Troconis' phone to the external drive and then deleted them off her phone. Troconis stated that she would be turning the external drive over to her attorney. Batchelder stated that he was unsure of the content of the pictures but that Troconis seemed mostly concerned with photographs of her daughter on the Internet. Troconis had already taken down her Facebook page prior to Batchelder's arrival.

17. That Batchelder also informed Affiant Patten that Fotis Dulos uses an online file backup service called Backblaze with the username gvidallet@foregroupinc.com [password: harakiri091011]. Batchelder stated that he still has access to Backblaze. Batchelder stated that as he was speaking with Troconis, he said that "this must be really tough on Fotis with Jennifer missing." Batchelder stated that Troconis' response was to give Batchelder "a weird look." Batchelder stated that he didn't think anything of the interaction until he heard the news of the arrests of Dulos and Troconis, at which time he decided to contact police with this information. Batchelder stated that he "prays that Fotis is innocent."

18. That on 06/06/19 Troconis consented to a second non-custodial interview in the presence of her attorney in which she provided some information which differed from her initial interview. During questioning, Troconis continued to provide answers which were vague, evasive, and contradictory. At the conclusion of the lengthy interview, investigators were left with the impression that Troconis was withholding a significant amount of information she would reasonably be expected to possess, given her extended relationship with the suspect (Dulos), with whom she resided at the time of this crime.

19. That as this investigation has progressed, detectives have identified several aspects which indicate a significant amount of pre-planning prior to this crime, and a substantial effort on the parts of both Dulos and Troconis to tamper with and hide evidence of this crime.

20. That a preservation request was sent to Backblaze on 06/05/19 via e-mail for the account associated with username gvidallet@foregroupinc.com. On 06/06/19 Affiant Patten received confirmation from Backblaze of the request.

21. That Backblaze is a data storage provider with headquarters in the United States which offers two different products: 1) Computer Backup – A service which provides unlimited cloud backup for individuals and organizations using Macs or PCs (laptops and desktops); 2) B2 Cloud Storage – A service which provides cloud storage for individuals and organizations.

22. That in general, providers like Backblaze ask their subscribers to provide certain personal identifying

information when registering for an account. This information can include the subscriber's full name, physical address, telephone numbers, e-mail addresses, and other identifiers. Providers also routinely require a means and source of payment such as a credit card or bank account number. Providers typically retain certain transactional information about the creation and use of each account on their systems. This information can include the date on which the account was created, the length of service, records of log-in (i.e., session) times and durations, the types of service utilized, the status of the account (including whether the account is inactive or closed), the methods used to connect to the account, and other log files that reflect usage of the account. In addition, providers often have records of the Internet Protocol address ("IP address") used to register the account and the IP addresses associated with particular logins to the account. Because every device that connects to the Internet must use an IP address, such information can help to identify which computers or other devices were used to access the account. In some cases, account users will communicate directly with a provider about issues relating to their account, such as technical problems, billing inquiries, or complaints from other users. Providers typically retain records about such communications, including records of contacts between the user and the provider's support services, as well records of any actions taken by the provider or user as a result of the communications

23. That based on the aforementioned information regarding the Backblaze service, the Affiants have probable cause to believe that the Backblaze account associated with username gvidallet@foregroupinc.com will contain evidence such as e-mails, photos, videos, files and documents and backups of devices related to the crime of Murder (Section 53a-54a of the Connecticut General Statutes).

24. That the Affiants are respectfully requesting a search and seizure warrant be issued for BACKBLAZE, INC. 500 Ben Franklin Ct San Mateo, CA 94401 for records associated with the account associated with username gvidallet@foregroupinc.com.

25. That this search warrant application has not been previously presented to any other judicial authority.

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S § 36a-43(a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned affiants, Officer Thomas Patten and Sergeant Peter Condos are members of the New Canaan Police Department, presently assigned to the Investigative Division and have approximately 51 years of combined law enforcement experience. Both affiants have conducted numerous investigations of criminal activity including, but not limited to sexual assault, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these affiants.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success. NCPD officers responded to the residence and attempted to raise someone inside home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence. During their check of the residence, NCPD officers located several suspected bloodstains on the garage floor and on a Land Rover parked inside the garage. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

3. That New Canaan Police initiated a search of the area surrounding 69 Welles Lane residence. At approximately 8:10 PM, officers located a 2017 Chevrolet Suburban (Connecticut passenger plate: AJ69099) registered to the victim, Jennifer Dulos, parked on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

4. That members of the WDMCS Van conducted crime scene processing at the 69 Welles Lane residence and found a large amount of physical evidence in the garage area and inside the residence, including multiple stains on the garage floor which tested positive for human blood, areas of suspected blood spatter, and evidence of attempts to clean the crime scene.

5. That members of the WDMCS Van processed the victim's 2017 Chevrolet Suburban and found possible blood evidence in the vehicle.

6. That investigators identified Jennifer Dulos' estranged husband as FOTIS P. DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. Dulos' live-in girlfriend was identified as MICHELLE C. TROCONIS (DOB: 09/26/1974) - hereinafter referred to as "Troconis."

7. That Investigators learned that Dulos was the owner of Fore Group, Inc., which corroborated as follows:

- A check of the business website LinkedIn (www.Linkedin.com) listed Dulos as "Owner, Fore Group, Inc."

- A check of the Fore Group business website (www.foregroupinc.com) listed Dulos as "President & CEO." The site also identified Pawel Gumienny as "Managing Associate."

8. That a COLLECT check of vehicles registered to Fotis Dulos and his business, Fore Group Inc., revealed the following vehicles:

1. 2014 Ford Raptor, CT Registration 910FYC, color black
2. 2015 Chevrolet Suburban, CT registration 974SCC, color black
3. 2014 Jeep Grand Cherokee Laredo, CT registration AK25389, color white
4. 2009 Porsche Cayenne, CT registration 707XKT, color black
5. 2007 Chevrolet Suburban, CT registration 516WDJ, color black, status cancelled

9. That on 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos voluntarily provided his Apple iPhone Model X to detectives, who seized and secured the device pursuant to their belief the cell phone would contain evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

10. That investigators obtained a search and seizure warrant to conduct a forensic download on Dulos' device (Apple iPhone Model X). Additional search warrants were also obtained for the Call Detail Records (CDR) associated with the cell phone belonging to Troconis. Investigators consulted with the United States Marshals Service (USMS), who provided analytical support for cell phone data for Dulos' handset and Troconis' call detail records. The following information was gleaned:

- On 05/24/19 (date of incident) Dulos' cell phone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road that

Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.

Dulos' device remained on the property until approximately 3:38 PM - a period of more than two hours - at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM.

At approximately 5:21 PM, Dulos' cell phone had returned to the area of 80 Mountain Spring Road.

At approximately 5:34 PM, Dulos' cell phone arrived back at his residence at 4 Jefferson Crossing.

At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. According to Troconis' Call Detail Records (CDR), her cellular device also traveled along with Dulos' cell phone throughout the Hartford area.

At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

11. That investigators obtained surveillance footage from the Hartford Police Department - Capital City Command Center (C4) that operates surveillance cameras at various locations throughout the city of Hartford, including in the Albany Avenue area. C4 footage documented a black Ford Raptor pickup truck stopping at multiple locations along a more than one-mile stretch of Albany Avenue between Baltimore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle.

C4 video footage also showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male was wearing a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which appeared to be stained with a substance consistent with the appearance of blood.

One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female's physical appearance was consistent with Michelle Troconis.

Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew

removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two (2) Connecticut license plates whose appearance had been altered using tape and adhesive. The actual Connecticut plates read "516WDJ." The number "1" and letter "D" from the original stamped plates were modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

A separate video source – a residential surveillance system adjacent to Dulos' property – showed a black Ford Raptor pulling into Dulos' driveway (4 Jefferson Crossing) at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

12. That on 06/01/19, the DESPP Forensic Lab indicated that a WDMCS Van submission of evidence gathered from the crime scene had yielded a mixture of the biological material of the victim, Jennifer Dulos, and that of her husband, Fotis Dulos.

13. That on 06/01/19 items submitted to the DESPP lab were tested and found to contain Jennifer Dulos' blood. Subsequent laboratory analysis determined the presence of DNA material from Fotis Dulos in the blood of Jennifer Dulos recovered in a swabbing of the kitchen faucet of the 69 Welles Lane residence.

14. That on 06/02/19, investigators conducted a custodial interview with Michelle Troconis at NCPD headquarters. Troconis was in the presence of her attorney during the interview and she signed an Advisement and Waiver of Rights. When shown screenshots from the Hartford C4 surveillance footage, Troconis admitted that the photographs depicted Dulos driving the 2014 Ford Raptor pick-up truck (CT Plate: 910YFC) along Albany Avenue depositing multiple bags of unknown contents in city trash receptacles. Troconis also admitted she was a passenger in the vehicle as Dulos was dumping garbage bags.

15. That investigators used cellular data from Jennifer Dulos' cellphone and residential surveillance to construct a timeline for the crime which included the victim's vehicle leaving the driveway of the residence and points along a route which led to Lapham Road, where the vehicle was ultimately recovered. Data showed the victim's phone remained within the area of Lapham Road and the south portion of Waveny Park for approximately forty minutes prior to its last known location. Approximately three minutes after Jennifer Dulos' phone disconnected from the network, the suspect's vehicle was shown on surveillance camera traveling northbound along the Merritt Parkway (Rt. 15) just north of Exit 37. This timeframe illustrates a forty minute gap in which the suspect's location is undetermined.

16. That the forensic exam of Dulos' cell phone documented he had instructed a friend to call him on the morning of the crime (05/24/19) at 8:30 AM. Dulos specified for this friend to call his "Landline" phone number.

17. That Dulos' defense attorney has made public comments referencing an "Alibi" phone call on the morning of the crime (05/24/2019.)

18. That Cathy Jannuzzi, a Farmington Connecticut resident, reported that on 07/09/19 at 12:08 PM she received a phone call from telephone number 860-674-9448 with the caller I.D. displaying "Jennifer Dulos." Jannuzzi stated that she did not answer the phone and that no message was left. Jannuzzi stated that she does not know Jennifer Dulos and does not know why she would have received a phone call from that number. Jannuzzi stated that her home telephone number is 860-674-9548 which is only a one digit difference from the phone number she received the call from, 860-674-9448.

19. That a ZETX search of 860-674-9448 shows the carrier as Frontier Communications and the number registered to Jennifer Dulos.

20. That during the course of this investigation, investigators confirmed that the Frontier Communications telephone number 860-674-9448 as the landline phone number at 4 Jefferson Crossing Farmington, CT.

21. That based on your Affiants training and experience, a perpetrator(s), or persons knowing the victim(s), may have communicated by way of a telephone. Also, co-conspirators in the planning, execution and to cover up a particular crime may have communicated by way of telephone. Persons who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of a perpetrator(s), or witness(s) of the crime of Murder (Section 53a-54a of the Connecticut General Statutes).

22. That your Affiants have personal knowledge that the Frontier Communications Company Corporate Office located at 1800 41st Street Suite N-100 Everett, WA 98203 during their normal course of business, stores the following information to include, but not limited to all subscriber information, records of dates and times of any and all call usage detail information contained on the Automated Message Accounting (AMA) system, all local and long distance incoming and outgoing telephone numbers, originating and terminating numbers, whether a call was answered, or not, billing record information, any additional telephone numbers associated with the account, any account identification information, account history to include any and all master telephone numbers and billings records for customer accounts associated with a given telephone number.

23. That this search warrant application has not been previously presented to any other judicial authority.

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S § 36a-43(a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned affiants, Sergeant Condos and Sergeant Farenga are members of the New Canaan Police Department, presently assigned to the Investigative Division and have approximately 50 years of combined law enforcement experience. Both affiants have conducted numerous investigations of criminal activity including, but not limited to sexual assault, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these affiants.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success. NCPD officers responded to the residence and attempted to raise someone inside home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence. During their check of the residence, NCPD officers located several suspected bloodstains on the garage floor and on a Land Rover parked inside the garage. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

3. That New Canaan Police initiated a search of the area surrounding 69 Welles Lane residence. At approximately 8:10 PM, officers located a 2017 Chevrolet Suburban (Connecticut passenger plate: AJ69099) registered to the victim, Jennifer Dulos, parked on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

4. That with a lawful Mincey Search Warrant, members of the WDMCS Van conducted crime scene processing at the 69 Welles Lane residence and found a large amount of physical evidence in the garage area and inside the residence, including multiple stains on the garage floor which tested positive for human blood, areas of suspected blood spatter, and evidence of attempts to clean the crime scene.

5. That investigators identified Jennifer Dulos' estranged husband as FOTIS P. DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in

Farmington, CT. Dulos' current live-in girlfriend was identified as MICHELLE C. TROCONIS (DOB: 09/26/1974) - hereinafter referred to as "Troconis."

6. That Investigators learned that Dulos was the owner of Fore Group, Inc., which corroborated as follows:

- A check of the business website LinkedIn (www.Linkedin.com) listed Dulos as "Owner, Fore Group, Inc."
- A check of the Fore Group business website (www.foregroupinc.com) listed Dulos as "President & CEO." The site also identified Pawel Gumienny as "Managing Associate."

7. That on 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos voluntarily provided his Apple iPhone Model X to detectives, who seized and secured the device pursuant to his belief the cell phone would contain evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

8. That investigators obtained a search and seizure warrant to conduct a forensic download on the device (Apple iPhone Model X). Additional search warrants were also obtained for the Call Detail Records (CDR) associated with the cell phone belonging to Troconis. Investigators consulted with the United States Marshals Service (USMS), who provided analytical support for cell phone data for Dulos' handset and Troconis' call detail records. The following information was gleaned:

- On 05/24/19 (date of incident) Dulos' cell phone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road that Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.

- Dulos' device remained on the property until approximately 3:38 PM - a period of more than two hours - at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM.

- At approximately 5:21 PM, Dulos' cell phone had returned to the area of 80 Mountain Spring Road.

- At approximately 5:34 PM, Dulos' cell phone arrived back at his residence at 4 Jefferson Crossing.

- At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of

Hartford. According to Troconis' Call Detail Records (CDR), her cellular device also traveled along with Dulos' cell phone throughout the Hartford area.

At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

9. That investigators obtained surveillance footage from the Hartford Police Department - Capital City Command Center (C4) that operates surveillance cameras at various locations throughout the city of Hartford, including in the Albany Avenue area. C4 footage documented a black Ford Raptor pickup truck stopping at multiple locations along a more than four-mile stretch of Albany Avenue between Biltmore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle.

C4 video footage also showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male was wearing a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which appeared to be stained with a substance consistent with the appearance of blood.

One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female's physical appearance was consistent with Michelle Troconis.

Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two (2) Connecticut license plates whose appearance had been altered using tape and adhesive. The actual Connecticut plates read "516WDJ." The number "1" and letter "D" from the original stamped plates were modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

A separate video source – a residential surveillance system adjacent to Dulos' property – showed a black Ford Raptor pulling into Dulos' driveway (4 Jefferson Crossing) at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the

vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

10. That during the course of their investigation it was learned that Dulos was mandated by the court to supervised visitation with his five children. The court listed Dennis Puebla and/or his associates as the person(s) responsible for conducting the supervision during the visitations in the custodial agreement and that visitation was to take place on Wednesdays from 4:30PM-7:30PM and then alternating Friday and Saturdays.

11. That investigators spoke with Puebla and he told them he had detailed notes of the all the supervised visits with Dulos and his children and that he would provide copies of said notes if presented with a court order.

12. That investigators know Dulos was not permitted to be within the home of his estranged wife, Jennifer, located at 69 Welles Lane in New Canaan, CT per court orders, but do know through a brief phone conversation with Dulos in the early morning hours of 05/25/19 that he was on the property during his visitation on 05/22/19. Dulos claimed to investigators that Jennifer had invited them to have dinner and cake on her back patio after he and the children finished their time at Grace Farms in New Canaan, CT.

13. That it was verified through Puebla that the visitation on 05/22/19 was conducted by a new associate of his company, Sidnee Streater. When the investigators asked Puebla and Streater if they ever saw Dulos enter the residence at 69 Welles Lane New Canaan, CT and they both stated they had not. When asked if they ever left Dulos alone at the residence (meaning unsupervised with his children) they stated they had not. Puebla stated the protocol was to leave behind the parent and to his knowledge that was done every time with Dulos' visitations.

14. That Puebla declined to answer any further detailed questions for fear of breaking confidentiality rules and reiterated he would give us anything we needed if presented with a court order.

15. That the undersigned affiants believe the detailed notes kept by Puebla and his associates, specifically Streater, will help establish that Dulos was never left unattended at 69 Welles Lane New Canaan, CT; that on the occasions he was present on said property he never entered the home; that the notes may ascertain whose idea it was for Dulos to come to Jennifer's property for dinner on the night of 05/22/19 which are all pertinent pieces of information for the ongoing investigation into Jennifer's disappearance and suspected homicide.

16. The undersigned affiants respectfully request this search warrant be signed for the office of Dennis Puebla located at 101 Merritt 7 Norwalk, CT 06851 for the seizure of any and all records related to the supervised visitations conducted by Puebla and/or his associates of Dulos' and his time with his children.

Hartford. According to Troconis' Call Detail Records (CDR), her cellular device also traveled along with Dulos' cell phone throughout the Hartford area.

At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

9. That investigators obtained surveillance footage from the Hartford Police Department - Capital City Command Center (C4) that operates surveillance cameras at various locations throughout the city of Hartford, including in the Albany Avenue area. C4 footage documented a black Ford Raptor pickup truck stopping at multiple locations along a more than four-mile stretch of Albany Avenue between Biltmore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle.

C4 video footage also showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male was wearing a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which appeared to be stained with a substance consistent with the appearance of blood.

One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female's physical appearance was consistent with Michelle Troconis.

Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two (2) Connecticut license plates whose appearance had been altered using tape and adhesive. The actual Connecticut plates read "516WDJ." The number "1" and letter "D" from the original stamped plates were modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

A separate video source – a residential surveillance system adjacent to Dulos' property – showed a black Ford Raptor pulling into Dulos' driveway (4 Jefferson Crossing) at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the

vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

10. That during the course of this investigation, investigators confirmed Jennifer's 2017 Chevrolet Suburban had an active OnStar account. When investigators contacted OnStar, representatives confirmed there was "activity" on the day of May 24th, 2019; however, they could not provide details of what that activity was. The representative stated that "activity" could be anything from the doors being unlocked to the GPS coordinates of where the vehicle travelled to audio recordings from inside the vehicle.

11. That OnStar stated they would provide any and all information regarding the activity on May 24th, 2019 associated with the subject vehicle once presented with a legal court order.

12. That after processing the scene at 69 Welles Lane and analyzing the evidence thus far, it is strongly believed that Jennifer was attacked inside her garage and then placed in the rear of her own 2017 Chevrolet Suburban and driven to Lapham Rd. where the vehicle was later discovered. It is strongly believed the information contained within the OnStar account associated with Jennifer's 2017 Chevrolet Suburban will aid investigators in identifying the person(s) responsible for Jennifer's disappearance and help investigators discover Jennifer's whereabouts.

13. The undersigned affiants respectfully request this warrant be signed for the search of OnStar's databases and the seizure of the information associated with Jennifer's account linked to her 2017 Chevrolet Suburban on the day of May 24th, 2019.

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned Affiants, Detective John Kimball and Detective Chris Allegro are members of the Connecticut State Police, presently assigned to the Western District Major Crime Squad (WDMCS) and have approximately 38 years of combined law enforcement experience. Both affiants have conducted numerous investigations of criminal activity including, but not limited to murder, sexual assault, kidnapping, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these affiants.
2. **MISSING PERSON REPORT:** On 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success. NCPD officers responded to the residence and attempted to raise someone inside home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence. During their check of the residence, NCPD officers located several suspected bloodstains on the garage floor and on a Land Rover parked inside the garage. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.
3. **VICTIM VEHICLE LOCATED WAVENY PARK:** New Canaan Police initiated a search of the area surrounding 69 Welles Lane residence. At approximately 8:10 PM, officers located a 2017 Chevrolet Suburban (Connecticut passenger plate: AJ69099) registered to the victim, Jennifer Dulos, parked on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.
4. **INITIAL SCENE PROCESSING:** With a lawful Mincey Search Warrant, members of the WDMCS Van conducted crime scene processing at the 69 Welles Lane residence and found a large amount of physical evidence in the garage area and inside the residence, including multiple stains on the garage floor which tested positive for human blood, areas of suspected blood spatter, and evidence of attempts to clean the crime scene.
5. **FOTIS DULOS & MICHELLE TROCONIS:** Investigators identified Jennifer Dulos' estranged husband as FOTIS P. DULOS (DOB: 10/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. Dulos' current live-in girlfriend was identified as MICHELLE C. TROCONIS (DOB: 09/26/1974) - hereinafter referred to as "Troconis."
6. **FORE GROUP INC.:** Investigators learned that Dulos was the owner of Fore Group, Inc., which corroborated as follows:

- A check of the business website LinkedIn (www.ΛινκεδΙν.χομ) listed Dulos as "Owner, Fore Group, Inc."
- A check of the Fore Group business website (www.foregroupinc.com) listed Dulos as "President & CEO." The site also identified Pawel Gumienny as "Managing Associate."

7. **INITIAL CONTACT WITH DULOS:** On 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos voluntarily provided his Apple iPhone Model X to Affiant Allegro, who seized and secured the device pursuant to his belief the cellphone would contain evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

8. **INITIAL TIMELINE FROM DULOS HANDSET:** Investigators obtained a search and seizure warrant to conduct a forensic download on the device (Apple iPhone Model X). Additional search warrants were also obtained for the Call Detail Records (CDR) associated with the cellphone belonging to Troconis. Investigators consulted with the United States Marshals Service (USMS), who provided analytical support for cellphone data for Dulos' handset and Troconis' call detail records. The following information was gleaned:

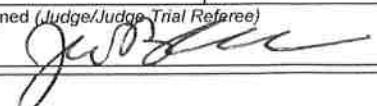

- On 05/24/19 (date of incident) Dulos' cellphone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road that Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.

- Dulos' device remained on the property until approximately 3:38 PM - a period of more than two hours - at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM.
- At approximately 5:21 PM, Dulos' cellphone had returned to the area of 80 Mountain Spring Road.
- At approximately 5:34 PM, Dulos' cellphone arrived back at his residence at 4 Jefferson Crossing.
- At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. According to Troconis' Call Detail Records (CDR), her cellular device also traveled along with Dulos' cellphone throughout the Hartford area.
- At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

9. **DULOS VEHICLES:** A check of Department of Motor Vehicle (DMV) files listed multiple vehicles registered to the Fore Group, LLC. Among them were the following:

- 2014 Jeep Grand Cherokee Laredo (Connecticut Passenger plate AK25389; color: white).

10. HARTFORD C4: SURVEILLANCE VIDEO: Investigators obtained surveillance footage from the Hartford Police Department - Capital City Command Center (C4) that operates surveillance cameras at various locations throughout the city of Hartford, including in the Albany Avenue area. C4 footage documented a black Ford Raptor pickup truck stopping at multiple locations along a more than four-mile stretch of Albany Avenue between Biltmore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle.

The number "1" and letter "D" from the original stamped plates were modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.
- A separate video source - a residential surveillance system adjacent to Dulos' property - showed a black Ford Raptor pulling into Dulos' driveway (4 Jefferson Crossing) at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

11. EVIDENCE SEIZED FROM HARTFORD TRASH RECEPTACLES: Numerous evidentiary items recovered by Detectives from the trash receptacles corresponding to dump locations shown on C4 video throughout the City of Hartford were submitted to the Department of Emergency Services and Public Protection Forensic Laboratory (278 Colony Street, Meriden CT) for forensic analysis/testing. On 06/01/19, Detectives received Forensic Laboratory findings that indicated items submitted for forensic analysis/testing were found to contain Jennifer Dulos' blood.

12. On 05/31/19, personnel from WDMCS seized Dulos' 2014 Ford F150 SVT Raptor (color: black; Connecticut Passenger plate 910YFC; VIN:1FTFW1R62EFC06852) via a lawful search and seizure warrant. The appearance of the vehicle was confirmed to be consistent with the Ford pickup truck shown on C4 video.

13. On 05/31/19, Detectives went to 4 Jefferson Crossing in Farmington to locate Dulos and Troconis in order to executed Search & Seizure (Body) Warrants to use Buccal Swabs to obtain DNA Samples from cheek epithelial cells, to complete Major Case Fingerprints and Full-Body Photography of each individual. As detectives waited for the warrant subjects to return home, Pawel Gumienny - the Fore Group Project Manager - arrived at the residence operating the white Jeep Cherokee registered to Dulos' company. When detectives asked Gumienny where he had come from, Gumienny answered that he was coming directly from a Fore Group project site located at 61 Sturbridge Road in New Canaan. Only after detectives remarked about Gumienny's sweaty physical appearance did Gumienny admit that he had just stopped by 585 Deercliff Road in Avon (0.4 mile away) to remove the seats from Dulos' Porsche Cayenne, which he planned to re-install in his pickup truck. The seats were observed in the rear cargo area of the Jeep. Soon thereafter, Dulos and Troconis arrived at the residence and were both escorted to CSP Troop L in Litchfield in order to collect/secure said samples, fingerprints and photographs.

14. On 06/02/19, investigators conducted a custodial interview with Troconis at NCPD headquarters following her arrest via warrant for Tampering with or Fabricating Physical Evidence (Sec. 53a-155 C.G.S.) and Hindering Prosecution in the First Degree (Sec. 53a-165aa C.G.S.). Troconis was in the presence of her attorney during the interview and she signed an Advisement and Waiver of Rights. During her recorded interview, Troconis acknowledged the she could not account for the whereabouts of her live-in boyfriend (Dulos) on 05/24/19 from approximately 8:00 AM until between one and two o'clock PM. When shown screen-shots from the Hartford C4 surveillance footage, Troconis admitted that the photographs depicted Dulos driving the 2014 Ford Raptor pick-up truck (CT Plate: 910YFC) along Albany Avenue depositing multiple bags of unknown contents in city trash receptacles. Troconis made several references to Gumienny during her interview, describing Gumienny as the Fore Group's Project Manager and a close associate and helper of Dulos.

15. On 06/02/19, Detectives traveled to 27 Springbrook Lane in Simsbury, CT to conduct an interview with Pawel Gumienny, the Project Manager for the Fore Group, Inc. Upon arrival, detectives observed the white Fore Group Jeep Cherokee in the driveway. After introductions were made and the purpose of the interview was conveyed, Gumienny related that he utilizes various company vehicles while conducting business activities during the work week and that he typically operates either the black Ford Raptor or the white Jeep Cherokee. Among other things, detectives asked Gumienny about his whereabouts / activities on 05/24/19 - the date Jennifer Dulos' disappearance. Gumienny's claims included the following:

- On 05/24/19, Gumienny reported he was at a Fore Group project site located at 61 Sturbridge Road in New Canaan and that he worked there all day. (Note: 61 Sturbridge Hill Road is located 3.4 miles from the crime scene at 69 Welles Lane.) Gumienny denied having any contact with Dulos until about 2:13 PM on 05/24/19 at which time Gumienny sent Dulos a text (picture of an invoice). Dulos'

reply was to inquire when Gumienny would be returning to the office. Gumienny reported that he planned on returning to the office - located above the garage of Dulos' 4 Jefferson Crossing residence - by about 4:30 PM. Gumienny reported that while traveling from the Sturbridge Road site, he had made attempts to contact Dulos (calls/texts), who wasn't answering his phone or responding. When Gumienny arrived at the office, Gumienny reported no one was there. Gumienny then proceeded down the street to another Fore Group property located at 80 Mountain Spring Road. Gumienny's explanation for going to this property was to retrieve his red Toyota Tacoma (CT Combination Plate: 6617CN) pickup truck, which he had left at that location at the beginning of the week, as he drove the black Ford Raptor all week for work.

- When Gumienny arrived at 80 Mountain Spring Road, he was surprised to find Dulos and Troconis at the 80 Mountain Spring property and asked them what they were doing. They told him they were there "cleaning" and that Troconis was "cleaning the windows." Gumienny could not recall the exact time that they all left the property to head back to Dulos' residence (Jefferson Crossing), but when they did leave 80 Mountain Spring Road, Gumienny specified that Dulos drove a black Chevrolet Suburban, Troconis drove a white Jeep Cherokee, and he drove the black Ford Raptor.

- Gumienny reported that when they all arrived at 4 Jefferson Crossing, Dulos dropped off the Suburban and he and Dulos returned to 80 Mountain Spring Road in the Raptor so Gumienny could get his pickup truck. Upon arrival, Gumienny found his Toyota Tacoma was locked. Gumienny reported Troconis retrieved the key to the Toyota Tacoma that was at 4 Jefferson Crossing while he and Dulos waited at 80 Mountain Spring Road.

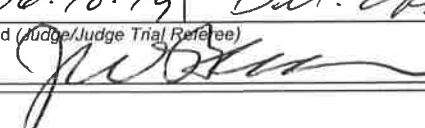

16. An open-source Internet query utilizing www.Zetx.com indicated that cellular telephone number **860-716-7363** is serviced by **CELLCO Partnership dba Verizon Wireless located at 180 Washington Valley Road, Bedminster, NJ 07921** and registered to **Pawel Gumienny**.

17. **GENERAL USE OF CELLPHONES IN MODERN SOCIETY:** Based on your Affiants training and experience, many people, including witnesses, victims, and suspects, carry and use cellular phones as a part of daily life while traveling. People who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of potential witness(s) or persons knowing the victim(s), who may have communicated by way of a telephone.

18. **USE OF CELLPHONES BY MULTIPLE SUSPECTS INVOLVED IN CRIMINAL ACTIVITY:** Your Affiants also know that crimes involving multiple suspects and/or multiple vehicles often necessitate communication between them. Such communications may take place prior to the crime (pre-planning stage), during the crime (execution stage), and after the crime (cover-up/flight stage). Suspects and/or co-conspirators frequently/commonly use cellular devices to contact each other in order to execute the details of a planned crime.

19. **CELLULAR CARRIER RECORDS:** Your Affiants have personal knowledge that **CELLCO Partnership dba Verizon Wireless located at 180 Washington Valley Road, Bedminster, NJ 07921** during their normal course of business stores subscriber information, that includes records of dates, times and location of any and all incoming and outgoing telephone numbers, text messaging records, billing record information, additional telephone numbers associated with the account, account identification information, account history that will include any and all master telephone numbers and billings records. The Service Provider's cellular service site or tower(s) helps determine which tower or

service site was used to complete a telephone call within a certain radius which can vary in distance depending on how many towers are in a given area and the signal strength of a call and the movement of the caller. The tower or cell service site will carry information from tower to tower and that information is usually retained by the service provider, and a call detail report (CDR) will help determine the dates and times a call was made, and which telephone number(s) were incoming and outgoing and utilized a particular tower or cell service site. Several cell towers may exist within any given jurisdiction. The Service Provider's cellular service site or tower(s) helps determine which tower or service site was used to complete a telephone call within a certain radius which can vary in distance depending on how many towers are in a given area and the signal strength of a call and the movement of the caller. The tower or cell service site will carry information from tower to tower and that information is usually retained by the service provider for up to three (3) years, and a Call Detail Report (CDR) will help determine the longitude & latitude of each call/text sent or received, the dates and times a call/text was sent or received, and which telephone number(s) were incoming and outgoing and the location of each tower that assisted in the completion of each call.

20. Based upon the facts and circumstances described above, your Affiants have probable cause to believe that **CELLCO Partnership dba Verizon Wireless located at 180 Washington Valley Road, Bedminster, NJ 07921** has in its possession cellular telephone records associated with **860-716-7363** including Subscriber Information and Call Detail Records which will contain evidence related to the crime of Murder, in violation of Section 53a-54a of the Connecticut General Statutes.

21. Therefore, your Affiants are respectfully requesting a Search and Seizure Warrant for **CELLCO Partnership dba Verizon Wireless, 180 Washington Valley Road, Bedminster, NJ 07921** for telephone records associated with cellular telephone number: **860-716-7363** for the requested time period: **03/20/19 @ 0001 hours through the date of this warrant.**

REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge / judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein with forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;

- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43 (a);

and the specific details with regard to such reasons are as follows:

The undersigned further requests that this affidavit also be included in such nondelivery.

SEARCH AND SEIZURE WARRANT

STATE OF CONNECTICUT
SUPERIOR COURT

SEARCH AND SEIZURE WARRANT

The foregoing Affidavit and Application for Search and Seizure Warrant having been presented to and been considered by the undersigned, a Judge of the Superior Court or a Judge Trial Referee, and the foregoing Affidavit having been subscribed and sworn to by the affiant(s) before me at the time it was presented, the undersigned (a) is satisfied therefrom that grounds exist for said application, and (b) finds that said affidavit established grounds and probable cause for the undersigned to issue this Search and Seizure Warrant, such probable cause being the following: From said affidavit, the undersigned finds that there is probable cause for the undersigned to believe that the property described in the foregoing affidavit and application is within or upon the person, if any, named or described in the foregoing affidavit and application, or the place or thing, if any, described in the foregoing affidavit and application, under the conditions and circumstances set forth in the foregoing affidavit and application, and that, therefore, a Search and Seizure warrant should issue for said property.

NOW THEREFORE, by Authority of the State of Connecticut, I hereby command any Police Officer of a regularly organized police department, any State Police Officer, any inspector in the Division of Criminal Justice, or any conservation officer, special conservation officer or patrol officer acting pursuant to C.G.S. § 26-6 to whom these presents shall come within ten days after the date of this warrant to enter into or upon and search the place or thing described in the foregoing affidavit and application, or search the person described in the foregoing affidavit and application or both, to wit:

CELLCO Partnership dba Verizon Wireless (Custodian of Records) located at 180 Washington Valley Road, Bedminster, NJ 07921.

for the property described in the foregoing affidavit and application, to wit:

Any/all telephone account information associated with CELLCO Partnership dba Verizon Wireless (180 Washington Valley Road, Bedminster, NJ 07921) cellular phone number 860-716-7363 including but not limited to, all subscriber information, Call Detail Records (CDRs) of dates and times of any and all incoming and outgoing telephone numbers, text messaging records, billing record information, any additional telephone numbers associated with the account, any account identification information, account history to include any and all master telephone numbers and billings records. In addition, any cellular site tower information that is retained by the service provider, and a Call Detail Report (CDR) to include, but not limited to RTT, the longitude & latitude of each call/text sent or received, the dates and times a call/text was sent or received, and which telephone number(s) were incoming and outgoing and the location of each tower that assisted in the completion of each call for the period of 03/20/19 @ 0001 hours (EST) through the date of this warrant.

submit the property described in the foregoing affidavit and application to laboratory analysis and examination:

Department of Emergency Services & Public Protection, Division of Scientific Services, 278 Colony Street, Meriden, CT, or any other certified Forensic Laboratory.

and upon finding said property to seize the same, take and keep it in custody until the further order of the court, and with reasonable promptness make due return of this warrant accompanied by a written inventory of all property seized.

The foregoing request that the judge or judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the warrant application and affidavit(s) in support of the warrant be given to the owner, occupant or person named therein and that the affidavit in support of such request also be included in such nondelivery is hereby:

GRANTED for a period of NOT TO EXCEED 2 WEEKS BEYOND DATE WARRANT IS EXECUTED
14 days

This order, or any extension thereof, dispensing with said requirement shall not limit disclosure of such application and affidavits to the attorney for a person arrested in connection with or subsequent to the execution of the search warrant unless, upon motion of the prosecuting authority within two weeks of such arraignment the court finds that the state's interest in continuing nondisclosure substantially outweighs the defendant's right to disclosure.

DENIED.

Service of this Search Warrant upon the customer whose financial records are being sought is hereby waived, pursuant to C.G.S. § 36a-43 (a).

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned Affiants, Detective Christopher Allegro and Detective Michael Grabowski are members of the Connecticut State Police, presently assigned to the Connecticut State Police Western District Major Crime Squad (WDMCS) and have approximately 20 years of combined law enforcement experience. Both Affiants have conducted numerous investigations of criminal activity including, but not limited to murder, sexual assault, kidnapping, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the Affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these affiants.

2. On 05/24/19 and at about 1900 hours, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.

3. NCPD officers responded to the residence and attempted to contact someone at the residence, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence.

4. During their check of the residence, NCPD officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.

5. The New Canaan Police Department contacted the WDMCS for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

6. New Canaan Police initiated a search of the area surrounding 69 Welles Lane the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

7. Under the authority of a Mincey Search Warrant, the WDMCS van conducted crime scene processing at the 69 Welles Lane residence and found evidence of a large quantity of physical evidence in the garage area and inside the residence. This included multiple stains on the garage floor which tested positive for human blood, multiple areas of suspected blood spatter, and evidence of attempts to clean up the crime scene. Based upon the crime scene processing, investigators came to the consensus that a serious physical assault had occurred at *(This is page 2 of a 11 page Affidavit and Application.)*

the scene, and Jennifer Dulos was the suspected victim.

8. Investigators identified the estranged husband of Jennifer Dulos as FOTIS DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. The current live-in girlfriend of Dulos was identified as MICHELLE C. TROCONIS (DOB: 09/26/1974) - hereinafter referred to as "Troconis."

9. Investigators learned that Dulos was the owner of Fore Group and a subsequent query on www.Linkedin.com listed Dulos as the owner of the Fore Group, Inc. Dulos is also listed on the Fore Group, Inc. The Fore Group, Inc. company website (www.foregroupinc.com) displays Dulos' email, business phone number, and the 4 Jefferson Crossing address as the business address.

10. On 05/25/19 at 1447 hours, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos provided his Apple iPhone Model X (AT&T cellular number 860-478-8625) to Detective Allegro, who seized the device under the belief it contained evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

11. Investigators obtained a search and seizure warrant to conduct a forensic download on the device (Apple iPhone Model X) which yielded information including the following:

· On 05/24/19 (the date of Jennifer Dulos' disappearance) Dulos' cellphone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

· At approximately 1337 hours, Dulos' device entered the property of 80 Mountain Spring Road that Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.

· Dulos' device remained on the property until approximately 1538 hours - a period of more than two hours - at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving 1617 hours.

· At approximately 1721 hours, Dulos' cellphone had returned to the area of 80 Mountain Spring Road.

· At approximately 1734 hours, Dulos' cellphone arrived back at his residence at 4 Jefferson Crossing.

· At approximately 1910 hours, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. Per Troconis' Call Detail Records (CDR), her cellular device traveled along with that of Dulos throughout the Hartford area.

· At approximately 1941 hours, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

12. During the course of this investigation, investigators obtained surveillance footage from the Hartford Police Department Capital City Command Center (C4) surveillance video which showed Dulos and Troconis riding in a black Ford Raptor pickup truck stopping at multiple locations along a more than four-mile stretch of Albany Avenue between Biltmore and Edward Streets. The video showed the male operator, who matches the physical appearance of Dulos and was subsequently confirmed as Dulos by Troconis. Also shown was a female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. Troconis subsequently admitted she was the female depicted. One video clip showed Dulos at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two (2) Connecticut license plates whose appearance had been altered using tape and adhesive. The actual license plate (Connecticut Passenger plates 516WDJ) was modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

13. Detectives checked the trash receptacles shown on surveillance and recovered garbage bags consistent with bags shown on C4 video which found to contain women's clothing with a blood-like substance, plastic zip-ties which contained possible blood stains, a white t-shirt stained with a red substance, a utility knife with possible blood on it, a bath towel with red stains, cleaning and household goods (e.g. kitchen sponge) with blood-like stains, and other items.

14. A residential surveillance system adjacent to Dulos' property at 4 Jefferson Crossing showed a black Ford Raptor pulling into Dulos' driveway at approximately 2012 hours. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

15. On 05/31/19, Dulos and Troconis were served with valid search and seizure warrants to obtain DNA buccal cell samples (cheek epithelial cells), a set of Major Case Fingerprints, and Full Body Photographs. Detectives escorted both Dulos and Troconis to CSP Troop L in Litchfield to collect/secure said samples, fingerprints and photographs.

16. Numerous evidentiary items recovered by detectives from the trash receptacles corresponding to dump locations shown on C4 video throughout the City of Hartford were submitted to the Department of Emergency Services and Public Protection Forensic Laboratory (278 Colony Street, Meriden CT) for forensic analysis/testing. On 06/01/19, Forensic Laboratory findings indicated that submitted items were found to contain Jennifer Dulos' blood.

17. On 06/01/19, Dulos and Troconis were both taken into custody via Arrest Warrants and charged with Tampering with/or Fabricating Physical Evidence (C.G.S. 53a-155) and Hindering Prosecution (C.G.S. 53a-167).

18. On 06/03/19, Detectives traveled to a residence in Simsbury, CT to conduct an interview with Pawel Gumienny, the Project Manager for Dulos' company, the Fore Group. Upon arrival, Detectives observed the white Jeep Cherokee (known to be registered to the Fore Group) in the driveway. Introductions were made and the purpose of the interview was conveyed. Gumienny related that he utilizes various company vehicles while conducting business activities during the work week and that he typically operates either the black Ford Raptor or the white Jeep Cherokee. When detectives asked Gumienny about his whereabouts/activities on Friday May 24th, 2019 (the date Jennifer Dulos went missing), he reported the following:

On 05/24/19, Gumienny reported he was at a project site located at 61 Sturbridge Road in New Canaan, CT and that he worked there all day. Gumienny denied having any contact with Dulos until about 1413 hours when he sent Dulos a text (picture of an invoice), to which Dulos' reply was to inquire when Gumienny would be returning to the office. Gumienny reported that he planned on returning to Dulos' office, office is located above the garage of Dulos' 4 Jefferson Crossing residence, by about 1630 hours. Gumienny reported that while traveling he had made attempts to contact Dulos, who wasn't answering his phone or responding. When Gumienny arrived at the office, there was no one there. Gumienny reported he then proceeded down the street to a Fore Group property located at 80 Mountain Spring Road. Gumienny's reasoning for going to this property was to retrieve his red Toyota Tacoma (CT combination plate 6617CN) pickup truck that he had left at that location since he drove the black Ford Raptor all week for work. Upon arrival, Gumienny was surprised to find Dulos and Troconis at that property and asked them what they were doing. Gumienny reported they told him they were there "cleaning" and that Troconis was "cleaning the windows." Gumienny could not recall the exact time that they all left the property to head back to Dulos' residence (Jefferson Crossing). However, Gumienny added that when they left Mountain Spring Road, Dulos drove a black Chevrolet Suburban, Troconis drove a white Jeep Cherokee, and he drove the Ford Raptor.

Gumienny further reported that when they all arrived at 4 Jefferson Crossing, Dulos dropped off the Suburban and he and Dulos returned to 80 Mountain Spring Road in the Raptor. Upon arrival, Gumienny found his Toyota Tacoma was locked. Gumienny reported Troconis retrieved the key to the Toyota Tacoma while he and Dulos waited at 80 Mountain Spring Road.

19. Based upon the fact that Troconis had possession of the key to the Toyota Tacoma and was able to retrieve and supply it to Gumienny, it is probable that both Troconis and Dulos had access to the vehicle for the duration

of the work week (05/20/19 thru 05/24/19), which includes the date of Jennifer Dulos' disappearance.

20. A COLLECT query of Connecticut combination plate 6617CN listed a valid registration to a 2001 Toyota Tacoma Xtracab pick-up truck registered to Barbara Gumienny, wife of Pawel Gumienny, with a listed address of 29 Springbrook Lane in Simsbury, CT.

21. Your Affiants have personal knowledge, based upon their training and experience, that those involved in committing criminal acts often utilize various means of transportation. These include, but are not limited to stolen vehicles, rental vehicles, personal vehicles, as well as, vehicles belonging to friends and/or family members. Often criminal activities and/or behaviors, such as those described in this affidavit, necessitate the use of multiple vehicles either for facilitating the criminal act and/or avoiding detection by law enforcement in the pre, during, and post phases of the crime. Furthermore, the use of vehicles as a means of ingress and egress to and from a crime scene make them instruments of the crime.

22. Your Affiants have personal knowledge, based on training and experience, that a vehicle(s), such as described above, will contain physical evidence, which will aid in establishing the circumstances and/or sequence of events under which the crime was committed, and/or in general will assist in the discovery of pertinent facts and that such evidence requires a systematic search to locate, seize, record and process.

23. Your Affiants have personal knowledge, based upon their training and experience, that crimes of violence involve the use of weapons and other instrumentalities, and/or the element of unpredictability. That the person or persons participating in the commission of a violent crime is/are in contact with physical surroundings in a forceful or otherwise detectable manner and there is often an attempt to alter, destroy, remove, clean up, or cover up evidence of a crime. That trace evidence may be left in the form of blood, saliva, physiological fluids and secretions, DNA, hair, fibers, fingerprints, palm prints, footprints, shoe prints, gunshot residue (GSR), weaponry and firearms including pistols, rifles, revolvers, shotguns, projectiles, ammunition, bullet casings and fragments, holsters, knives and cutting tools, blunt force instruments, cellular telephones, GPS units, electronic storage devices, cameras, clothing, rags, receipts, and items containing traces of any of the above articles or items. Many of the above items are minute and/or microscopic, thus requiring additional specialized examination by forensic science laboratory techniques, such as that performed by the Department of Emergency Services and Public Protection (DESPP) Forensic Science Laboratory.

24. That trace evidence, left in the forms mentioned above, is easily transferred between participants and inanimate objects such as surroundings, including motor vehicles. That it is reasonable to believe and expect that a person responsible for committing a crime(s), such as the one(s) described in this affidavit would come in contact with these forms of trace evidence and transfer them to their surroundings.

25. Your Affiants have personal knowledge that the Department of Emergency Services and Public Protection (DESPP) Forensic Science Laboratory located at #278 Colony Street in Meriden, CT has the equipment, personnel and expertise necessary to conduct physical examination, scientific testing, and forensic analysis, including but not limited to biological and chemical testing, instrumental analysis, firearms, photography, biochemistry, DNA, criminalistics, fingerprints, in order to locate, identify, compare and reconstruct items of evidence and trace evidence to aid in establishing the circumstances of the crime and identity of the participants involved in the crime. The Department of Emergency Services and Public Protection (DESPP) Forensic Science Laboratory will use standardized and documented procedures to extract, amplify and detect DNA from evidentiary items and samples taken from known individuals. The resulting DNA profiles from the evidentiary items will be compared to the known individuals' profiles and the results documented in a laboratory report.

26. Based on the totality of the hereinbefore described facts and circumstances, these affiants have probable cause to believe that evidence of the crime(s) of Murder (53a-54a) will be found in or upon the 2001 Toyota Tacoma Xtracab (CT Combination Plate: 6617CN ; color: red ; VIN 5TEWN72N51Z775179).

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge / judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein with forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;

In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43 (a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

SEARCH AND SEIZURE WARRANT

STATE OF CONNECTICUT
SUPERIOR COURT

SEARCH AND SEIZURE WARRANT

The foregoing Affidavit and Application for Search and Seizure Warrant having been presented to and been considered by the undersigned, a Judge of the Superior Court or a Judge Trial Referee, and the foregoing Affidavit having been subscribed and sworn to by the affiant(s) before me at the time it was presented, the undersigned (a) is satisfied therefrom that grounds exist for said application, and (b) finds that said affidavit established grounds and probable cause for the undersigned to issue this Search and Seizure Warrant, such probable cause being the following: From said affidavit, the undersigned finds that there is probable cause for the undersigned to believe that the property described in the foregoing affidavit and application is within or upon the person, if any, named or described in the foregoing affidavit and application, or the place or thing, if any, described in the foregoing affidavit and application, under the conditions and circumstances set forth in the foregoing affidavit and application, and that, therefore, a Search and Seizure warrant should issue for said property.

NOW THEREFORE, by Authority of the State of Connecticut, I hereby command any Police Officer of a regularly organized police department, any State Police Officer, any inspector in the Division of Criminal Justice, or any conservation officer, special conservation officer or patrol officer acting pursuant to C.G.S. § 26-6 to whom these presents shall come within ten days after the date of this warrant to enter into or upon and search the place or thing described in the foregoing affidavit and application, or search the person described in the foregoing affidavit and application or both, to wit:

2001 Toyota Tacoma Xtracab (CT Combination Plate: 6617CN; color:red; VIN: 5TEWN72N51Z775179) registered to Barbara Gumienny, wife of Pawel Gumienny, address: 27 Springbrook Lane, Simsbury CT.

for the property described in the foregoing affidavit and application, to wit:

Blood, saliva, physiological fluids, secretions, and genetic material, hair, fibers, fingerprints, palm prints, footprints, shoe prints, dirt, dust and soil, paint samples, and items that may contain traces thereof; hatchets, axes, knives and other sharp force instruments and cutting tools, blunt force instruments, glass and plastic fragments, marks of tools used to gain access to locked premises or containers; cellular telephones and electronic communication devices to include SIM cards, computers and electronic storage media, digital imaging devices; infotainment system / vehicle electronics / GPS navigation devices; and handwritten notes and correspondence by, to, or from the victim, and male / female clothing and/or footwear. The evidence will be collected and submitted to the Department of Emergency Services and Public Protection Forensic Science Laboratory located at 278 Colony St., in Meriden, CT, for physical examination, scientific testing and forensic analysis and or any other qualified law enforcement facility.

- submit the property described in the foregoing affidavit and application to laboratory analysis and examination: The evidence collected will be submitted to the Department of Public Safety Forensic Science Laboratory located at 278 Colony St in Meriden, CT and or any other qualified law enforcement facility for physical examination, scientific testing and forensic analysis.

and upon finding said property to seize the same, take and keep it in custody until the further order of the court, and with reasonable promptness make due return of this warrant accompanied by a written inventory of all property seized.

- The foregoing request that the judge or judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the warrant application and affidavit(s) in support of the warrant be given to the owner, occupant or person named therein and that the affidavit in support of such request also be included in such nondelivery is hereby:

GRANTED for a period of 14 days NOT TO EXCEED 2 WEEKS BEYOND DATE WARRANT IS EXECUTED

This order, or any extension thereof, dispensing with said requirement shall not limit disclosure of such application and affidavits to the attorney for a person arrested in connection with or subsequent to the execution of the search warrant unless, upon motion of the prosecuting authority within two weeks of such arraignment the court finds that the state's interest in continuing nondisclosure substantially outweighs the defendant's right to disclosure.

- DENIED.
- Service of this Search Warrant upon the customer whose financial records are being sought is hereby waived, pursuant to C.G.S. § 36a-43 (a).

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the undersigned Affiants, Detective John Kimball and Detective Chris Allegro are members of the Connecticut State Police, presently assigned to the Connecticut State Police Western District Major Crime Squad (WDMCS) and have approximately (38) years of combined law enforcement experience. Both Affiants have conducted numerous investigations of criminal activity including, but not limited to murder, sexual assault, kidnapping, robbery, arson, narcotics violations, and assault, in addition to having received specialized training in the processing of crime scenes and physical and trace evidence collection. The knowledge of the facts and circumstances contained hereinafter are the result of the Affiants' personal investigative efforts and observations as well as those of other law enforcement officers, acting in their official capacity, who related their findings to these Affiants.

2. On 05/24/19 and at about 1900 hours, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.

3. NCPD officers responded to the residence and attempted to contact someone at the residence, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence.

4. During their check of the residence, NCPD officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.

5. The New Canaan Police Department contacted the WDMCS for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

6. New Canaan Police initiated a search of the area surrounding 69 Welles Lane the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

7. Under the authority of a Mincey Search Warrant, the WDMCS van conducted crime scene processing at the 69 Welles Lane residence and found evidence of a large quantity of physical evidence in the garage area and inside the residence. This included multiple stains on the garage floor which tested positive for human blood, multiple areas of suspected blood spatter, and evidence of attempts to clean up the crime scene. Based upon the crime scene processing, investigators came to the consensus that a serious physical assault had occurred at the scene, and Jennifer Dulos was the suspected victim.

8. Investigators identified the estranged husband of Jennifer Dulos as **FOTIS DULOS (DOB: 08/06/1967)** - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. The current live-in girlfriend of Dulos was identified as **MICHELLE C. TROCONIS (DOB: 09/26/1974)** - hereinafter referred to as "Troconis."

9. Investigators learned that Dulos was the owner of Fore Group and a subsequent query on www.LinkedIn.com listed Dulos as "Owner, Fore Group."

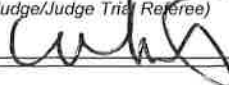

10. A check of Department of Motor Vehicle (DMV) files listed multiple vehicles registered to the Fore Group - a company owned by Jennifer's estranged husband, Dulos. One vehicle listed was a 2014, Ford F150 SVT Raptor (color: black; Connecticut Passenger plate 910YFC; VIN: 1FTFW1R62EFC06852). A second vehicle listed was a 2014 Jeep Grand Cherokee Laredo (color: white; Connecticut Passenger plate AK25389; VIN: 1C4RJEAG6EC353359).

11. On 05/25/19 at 1447 hours, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos provided his Apple iPhone Model X (AT&T cellular number 860-478-8625) to Detective Allegro, who seized the device under the belief it contained evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

12. Investigators obtained a search and seizure warrant to conduct a forensic download on the device (Apple iPhone Model X) which yielded information including the following:

- On 05/24/19 (the date of Jennifer Dulos' disappearance) Dulos' cellphone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.
- At approximately 1337 hours, Dulos' device entered the property of 80 Mountain Spring Road that Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.
- Dulos' device remained on the property until approximately 1538 hours - a period of more than two hours - at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving 1617 hours.
- At approximately 1721 hours, Dulos' cellphone had returned to the area of 80 Mountain Spring Road.
- At approximately 1734 hours, Dulos' cellphone arrived back at his residence at 4 Jefferson Crossing.
- At approximately 1910 hours, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. Per Troconis' CDR's, her cellular device traveled along with that of Dulos throughout the Hartford area.
- At approximately 1941 hours, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.

13. Investigators obtained surveillance footage from the Hartford Police Department Capital City Command Center (C4) that operates surveillance cameras at various Hartford locations throughout the city, including the Albany Avenue area. C4 footage documented a black Ford Raptor pickup truck stopping at multiple locations along a more than four-mile stretch of Albany Avenue between Biltmore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle.

14. C4 video footage also showed a Caucasian male matching the physical appearance of Dulos stopping the vehicle at multiple locations, exiting the Ford truck, and placing multiple garbage bags into various trash receptacles. The male was wearing a baseball cap and a light-colored shirt.

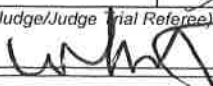

15. One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female was consistent with Michelle Troconis.

16. Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two (2) Connecticut license plates whose appearance had been altered using tape and adhesive. The actual license plate (Connecticut Passenger plates 516WDJ) was modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

17. Detectives checked the trash receptacles shown on surveillance and recovered garbage bags consistent with bags shown on C4 video which found to contain women's clothing with a blood-like substance, plastic zip-ties which contained possible blood stains, a white t-shirt stained with a red substance, a utility knife with possible blood on it, a bath towel with red stains, cleaning and household goods (e.g. kitchen sponge) with blood-like stains, and other items.

18. A residential surveillance system adjacent to Dulos' property at 4 Jefferson Crossing showed a black Ford Raptor pulling into Dulos' driveway at approximately 2012 hours. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

19. On 05/31/19, personnel from WDMCS seized Dulos' 2014 Ford F150 SVT Raptor (color: black; Connecticut (This is page 4 of a 11 page Affidavit and Application.)

Passenger plate 910YFC; VIN:1FTFW1R62EFC06852) via a lawful search and seizure warrant. The appearance of the vehicle was confirmed to be consistent with the Ford pickup truck shown on C4 video.

20. On 05/31/19, **FOTIS DULOS (DOB: 08/06/1967)** and **MICHELLE C. TROCONIS (DOB: 09/26/1974)** were located at 4 Jefferson Crossing in Farmington and served with valid search and seizure warrants to obtain DNA buccal cell samples (cheek epithelial cells), a set of Major Case Fingerprints, and Full Body Photographs. Detectives escorted both Dulos and Troconis to CSP Troop L in Litchfield to collect/secure said samples, fingerprints and photographs.

21. Numerous evidentiary items recovered by detectives from the trash receptacles corresponding to dump locations shown on C4 video throughout the City of Hartford were submitted to the Department of Emergency Services and Public Protection Forensic Laboratory (278 Colony Street, Meriden CT) for forensic analysis/testing. On 06/01/19, Forensic Laboratory findings indicated that submitted items were found to contain Jennifer Dulos' blood.

22. On 06/01/19, **FOTIS DULOS (DOB: 08/06/1967)** and **MICHELLE C. TROCONIS (DOB: 09/26/1974)** were both taken into custody via Arrest Warrants and charged with Tampering with/or Fabricating Physical Evidence (C.G. S. 53a-155) and Hindering Prosecution (C.G.S. 53a-167).

23. On 06/03/19, Detectives traveled to a residence in Simsbury, CT to conduct an interview with Pawel Gumienny, the Project Manager for Dulos' company, the Fore Group. Upon arrival, Detectives observed the white Jeep Cherokee (known to be registered to the Fore Group) in the driveway. Introductions were made and the purpose of the interview was conveyed. Gumienny related that he utilizes various company vehicles while conducting business activities during the work week and that he typically operates either the black Ford Raptor or the white Jeep Cherokee. When detectives asked Gumienny about his whereabouts/activities on Friday May 24th, 2019 (the date Jennifer Dulos went missing), he reported the following on 05/24/19, Gumienny reported he was at a project site located at 61 Sturbridge Road in New Canaan, CT and that he worked there all day. Gumienny denied having any contact with Dulos until about 1413 hours when he sent Dulos a text (picture of an invoice), to which Dulos' reply was to inquire when Gumienny would be returning to the office. Guimenny reported that he planned on returning to Dulos' office, office is located above the garage of Dulos' 4 Jefferson Crossing residence, by about 1630 hours. Gumienny reported that while traveling he had made attempts to contact Dulos, who wasn't answering his phone or responding. When Gumienny arrived at the office, there was no one there. Gumienny reported he then proceeded down the street to a Fore Group property located at 80 Mountain Spring Road. Gumienny's reasoning for going to this property was to retrieve his red Toyota Tacoma (CT combination plate 6617CN) pickup truck that he had left at that location since he drove the black Ford Raptor all week for work. Upon arrival, Gumienny was surprised to find Dulos and Troconis at that property and asked them what they were doing. Gumienny reported they told him they were there "cleaning" and that Michelle was "cleaning the windows." Gumienny could not recall the exact time they all left the property to head back to Dulos' residence (Jefferson Crossing). However, Gumienny added that when they left Mountain Spring Road, Dulos drove a black Chevrolet Suburban, Troconis drove a white Jeep Cherokee, and he drove the Ford Raptor.

24. On 06/03/19, Detectives seized the 2014 Jeep Grand Cherokee Laredo (color: white; Connecticut Passenger plate AK25389; VIN: 1C4RJEAG6EC353359) registered to the Fore Group from the driveway of 27 Springbrook Lane in Simsbury, CT under the belief it contained evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos in order to secure the vehicle pending a Search & Seizure Application. The vehicle was transported to CSP Troop L in Litchfield and was secured.

25. Your Affiants have personal knowledge, based upon their training and experience, that those involved in committing criminal acts often utilize various means of transportation. These include, but are not limited to stolen vehicles, rental vehicles, personal vehicles, as well as, vehicles belonging to friends and/or family members. Often criminal activities and/or behaviors, such as those described in this affidavit, necessitate the use of multiple vehicles either for facilitating the criminal act and/or avoiding detection by law enforcement in the pre, during, and post phases of the crime. Furthermore, the use of vehicles as a means of ingress and egress to and from a crime scene make them instruments of the crime.

26. Your Affiants have personal knowledge, based on training and experience, that a vehicle(s), such as described above, will contain physical evidence, which will aid in establishing the circumstances and/or sequence of events under which the crime was committed, and/or in general will assist in the discovery of pertinent facts and that such evidence requires a systematic search to locate, seize, record and process.

27. Your Affiants have personal knowledge, based upon their training and experience, that crimes of violence involve the use of weapons and other instrumentalities, and/or the element of unpredictability. That the person or persons participating in the commission of a violent crime is/are in contact with physical surroundings in a forceful or otherwise detectable manner and there is often an attempt to alter, destroy, remove, clean up, or cover up evidence of a crime. That trace evidence may be left in the form of blood, saliva, physiological fluids and secretions, DNA, hair, fibers, fingerprints, palm prints, footprints, shoe prints, gunshot residue (GSR), weaponry and firearms including pistols, rifles, revolvers, shotguns, projectiles, ammunition, bullet casings and fragments, holsters, knives and cutting tools, blunt force instruments, cellular telephones, GPS units, electronic storage devices, cameras, clothing, rags, receipts, and items containing traces of any of the above articles or items. Many of the above items are minute and/or microscopic, thus requiring additional specialized examination by forensic science laboratory techniques, such as that performed by the Department of Emergency Services and Public Protection (DESPP) Forensic Science Laboratory.

28. That trace evidence, left in the forms mentioned above, is easily transferred between participants and inanimate objects such as surroundings, including motor vehicles. That it is reasonable to believe and expect that a person responsible for committing a crime(s), such as the one(s) described in this affidavit would come in contact with these forms of trace evidence and transfer them to their surroundings.

29. Your Affiants have personal knowledge that the Department of Emergency Services and Public Protection (DESPP) Forensic Science Laboratory located at #278 Colony Street in Meriden, CT has the equipment, personnel and expertise necessary to conduct physical examination, scientific testing, and forensic analysis,

including but not limited to biological and chemical testing, instrumental analysis, firearms, photography, biochemistry, DNA, criminalistics, fingerprints, in order to locate, identify, compare and reconstruct items of evidence and trace evidence to aid in establishing the circumstances of the crime and identity of the participants involved in the crime. The Department of Emergency Services and Public Protection (DESPP) Forensic Science Laboratory will use standardized and documented procedures to extract, amplify and detect DNA from evidentiary items and samples taken from known individuals. The resulting DNA profiles from the evidentiary items will be compared to the known individuals' profiles and the results documented in a laboratory report.

SEARCH AND SEIZURE WARRANT

STATE OF CONNECTICUT
SUPERIOR COURT

SEARCH AND SEIZURE WARRANT

The foregoing Affidavit and Application for Search and Seizure Warrant having been presented to and been considered by the undersigned, a Judge of the Superior Court or a Judge Trial Referee, and the foregoing Affidavit having been subscribed and sworn to by the affiant(s) before me at the time it was presented, the undersigned (a) is satisfied therefrom that grounds exist for said application, and (b) finds that said affidavit established grounds and probable cause for the undersigned to issue this Search and Seizure Warrant, such probable cause being the following: From said affidavit, the undersigned finds that there is probable cause for the undersigned to believe that the property described in the foregoing affidavit and application is within or upon the person, if any, named or described in the foregoing affidavit and application, or the place or thing, if any, described in the foregoing affidavit and application, under the conditions and circumstances set forth in the foregoing affidavit and application, and that, therefore, a Search and Seizure warrant should issue for said property.

NOW THEREFORE, by Authority of the State of Connecticut, I hereby command any Police Officer of a regularly organized police department, any State Police Officer, any inspector in the Division of Criminal Justice, or any conservation officer, special conservation officer or patrol officer acting pursuant to C.G.S. § 26-6 to whom these presents shall come within ten days after the date of this warrant to enter into or upon and search the place or thing described in the foregoing affidavit and application, or search the person described in the foregoing affidavit and application or both, to wit:

A 2014 Jeep Grand Cherokee Laredo (color: white; Connecticut Passenger plate AK25389; VIN: 1C4RJEAG6EC353359) registered to the Fore Group, which is currently stored at CSP Troop L in Litchfield, CT.

for the property described in the foregoing affidavit and application, to wit:

Blood, saliva, physiological fluids, secretions, and genetic material, hair, fibers, fingerprints, palm prints, footprints, shoe prints, dirt, dust and soil, paint samples, and items that may contain traces thereof; hatchets, axes, knives and other sharp force instruments and cutting tools, blunt force instruments, glass and plastic fragments, marks of tools used to gain access to locked premises or containers; cellular telephones and electronic communication devices to include SIM cards, computers and electronic storage media, digital imaging devices; infotainment system / vehicle electronics / GPS navigation devices; and handwritten notes and correspondence by, to, or from the victim, and male / female clothing and/or footwear. The evidence will be collected and submitted to the Department of Emergency Services and Public Protection Forensic Science Laboratory located at 278 Colony St., in Meriden, CT, for physical examination, scientific testing and forensic analysis and or any other qualified law enforcement facility.

submit the property described in the foregoing affidavit and application to laboratory analysis and examination:

The evidence collected will be submitted to the Department of Public Safety Forensic Science Laboratory located at 278 Colony St in Meriden, CT and or any other qualified law enforcement facility for physical examination, scientific testing and forensic analysis.

and upon finding said property to seize the same, take and keep it in custody until the further order of the court, and with reasonable promptness make due return of this warrant accompanied by a written inventory of all property seized.

The foregoing request that the judge or judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the warrant application and affidavit(s) in support of the warrant be given to the owner, occupant or person named therein and that the affidavit in support of such request also be included in such nondelivery is hereby:

GRANTED for a period of NOT TO EXCEED 2 WEEKS BEYOND DATE WARRANT IS EXECUTED
14 days

This order, or any extension thereof, dispensing with said requirement shall not limit disclosure of such application and affidavits to the attorney for a person arrested in connection with or subsequent to the execution of the search warrant unless, upon motion of the prosecuting authority within two weeks of such arraignment the court finds that the state's interest in continuing nondisclosure substantially outweighs the defendant's right to disclosure.

DENIED.

Service of this Search Warrant upon the customer whose financial records are being sought is hereby waived, pursuant to C.G.S. § 36a-43 (a).

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. Both have investigated criminal death and serious assault incidents during our years assigned to the Investigative Section. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00 PM, New Canaan Police Department (NCPD) received a call from a friend Jennifer Dulos who had come to the police department out of concern for Jennifer's wellbeing. The witness reported she had received a phone call from a nanny who was with four of Jennifer's five children in New York city and who reported that Jennifer had failed to show up for an orthodontist appointment for her children and for two pre-scheduled doctor appointments for Jennifer, herself. The first missed appointment was scheduled at 10:30 AM that morning. Jennifer's friend had made multiple attempts to contact her by phone but had been unable to do so. The friend advised that Jennifer would have called if she was unable to make it to New York, and that she would never have left her children. The friend expressed her concern for Jennifer's welfare based upon the fact that Jennifer had been involved in a highly contentious divorce and custody battle with her husband, Fotis Dulos.

3. That the friend and the nanny provided Jennifer's residential address as 69 Welles Lane, New Canaan CT. NCPD Sergeant LaTourette and Officer Blank responded to the residence and were met by the nanny. The officers attempted to raise someone at the residence, and were unsuccessful. Another vehicle was found parked in the center bay of a three-bay garage. The nanny then provided officers with the code to the garage doors, which they used to access the house to search for Jennifer on an exigent basis, concerned she may be sick or injured within the household.

4. That as they walked through the garage towards the interior door, officers noted several areas of what appeared to be fresh stains on the garage floor which had the general appearance of blood. Additional stains were found along the driver's side of the vehicle parked in the center bay. The vehicle was determined to have a blood spatter along its driver side. (Subsequent scene processing via a lawful Search & Seizure Warrant determined these stains tested positive for blood.) When Sgt. LaTourette and Officer Blank entered the home and noted no evidence of disturbance inside and they found no persons.

5. That the nanny provided officers with Jennifer's cellular phone number: Verizon cellular number 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to determine the device's location. Verizon confirmed that the cellphone was last

active on 05/24/19 at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

6. That upon learning that Jennifer Dulos may have been last driving a black Chevrolet Suburban (Connecticut passenger registration AJ69099) registered to her, officers began searching the area around the residence for the vehicle. On May 24, 2019, at approximately 8:00 PM, Captain Walsh located Jennifer Dulos' black Chevrolet along a stretch of Lapham Road, which bordered the west side of Waveny Park, a 300-acre tract of land in New Canaan. The vehicle recovery site had an approximate street address of 200 Lapham Road and it was consistent with the Verizon "ping" for the cellphone. A police canine responded to search the surrounding area with negative results.

7. That the NCPD on-call detective, Officer Thomas Patten, was called to the scene at 69 Welles Lane. Potential blood evidence was located on the garage floor and along the vehicle parked in the center garage bay.

8. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected bloodstains, Connecticut State Police were requested to assist New Canaan Police investigators. Pursuant to a lawful search warrant of the premises, CSP personnel locate a significant number of stains which tested positive for blood, evidence of a serious assault, and several factors which indicated a clean-up occurred.

9. That New Canaan Police Department obtained carrier records for phone numbers associated with the victim and her ex-husband (Dulos) under search warrants. And that your affiants are aware of the advanced capabilities of the United States Marshal Service (USMS) in identifying, locating, and tracking individuals using data associated with live cellular signals and carrier records for cellular customers/subscribers. For these reasons, the USMS was contacted and their assistance was requested to, analyze carrier records and to identify and locate possible suspects in this crime.

10. That during the course of this investigation, video and human sources indicated the following: On May 24, 2019, at 7:58 AM, Jennifer Dulos drove her Chevrolet Suburban (Connecticut passenger registration AJ69099) to the New Canaan Country School (635 Frogtown Road, New Canaan CT) where she dropped of her school-aged children. At 8:05 AM, Jennifer was seen on multiple residential surveillance systems returning to the 69 Welles Lane residence. At 10:25 AM, Jennifer's Chevrolet Suburban was shown leaving the residence - investigators believe at this time Jennifer was not operating the vehicle and was likely seriously injured or deceased. An analysis of data gleaned from Jennifer's cellphone records indicated her cellular device arrived in the area of 200 Lapham Road in New Canaan at approximately 10:38 AM and remained in the area until 11:09 AM, at which time the device was no longer on the network.

11. That further analysis of the carrier records by the United States Marshal Service also found that Fotis Dulos' cellphone left the vicinity of his residence at 4 Jefferson Crossing and traveled to the area of 80 Mountain Spring Rd. Farmington, CT, at approximately 1:37 PM. Dulos' device was within the vicinity of 80 Mountain Spring Rd. which is owned by Dulos' company the Fore Group. Dulos' device remained on the property for more than two hours until 3:38 PM, at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM. At approximately 5:21 PM, Dulos' cellphone returned to the area of 80 Mountain Spring Rd. and at 5:34 PM, back to his residence. At 7:10 PM, Dulos' device traveled to the area of Albany Ave. in the north end of Hartford, CT. Carrier records also show Michelle Troconis' device within the vicinity of Dulos' device at this point. At 7:41 PM, Dulos' device travels back to the vicinity of his residence at 4 Jefferson Crossing

12. The Service Providers named in this Order are required to disclose all records and other information (not including the contents of communications) about all communications made using the cell tower during the corresponding timeframes listed, including the records which identify: The telephone call number and unique identifiers for each wireless device in the vicinity of the tower ("the locally served wireless device") that registered with the tower, including the Electronic Serial Numbers ("ESN"), Mobility Electronic Identity Numbers ("MEIN"), Mobile Identification Numbers ("MIN"), Subscriber Identity Modules ("SIM"), Mobile Subscriber Integrated Services Digital Network Numbers ("MSISDN"), International Mobile Subscriber Identifier ("IMSI"), and International Mobile Equipment Identities ("IMEI"). It is further ordered that the Service Providers shall not disclose the existence of the application, or the existence of this Order, to any other person, unless and until authorized to do so by the Court. It is further ordered that the application and this Order are sealed until otherwise ordered by the Court.

13. That your affiants' training and experience, in addition to that of the detectives and van personnel who are members of the Connecticut State Police and are assisting in this investigation, have a strong belief that the physical evidence and anecdotal information developed thus far strongly suggests that the victim, Jennifer Dulos, is deceased following a serious physical assault which occurred on May 24, 2019, at approximately 8:30 AM at the residence located at 69 Welles Lane in New Canaan, Connecticut. Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

14. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: T-Mobile USA

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. Both have investigated criminal death and serious assault incidents during our years assigned to the Investigative Section. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00 PM, New Canaan Police Department (NCPD) received a call from a friend Jennifer Dulos who had come to the police department out of concern for Jennifer's wellbeing. The witness reported she had received a phone call from a nanny who was with four of Jennifer's five children in New York city and who reported that Jennifer had failed to show up for an orthodontist appointment for her children and for two pre-scheduled doctor appointments for Jennifer, herself. The first missed appointment was scheduled at 10:30 AM that morning. Jennifer's friend had made multiple attempts to contact her by phone but had been unable to do so. The friend advised that Jennifer would have called if she was unable to make it to New York, and that she would never have left her children. The friend expressed her concern for Jennifer's welfare based upon the fact that Jennifer had been involved in a highly contentious divorce and custody battle with her husband, Fotis Dulos.

3. That the friend and the nanny provided Jennifer's residential address as 69 Welles Lane, New Canaan CT. NCPD Sergeant LaTourette and Officer Blank responded to the residence and were met by the nanny. The officers attempted to raise someone at the residence, and were unsuccessful. Another vehicle was found parked in the center bay of a three-bay garage. The nanny then provided officers with the code to the garage doors, which they used to access the house to search for Jennifer on an exigent basis, concerned she may be sick or injured within the household.

4. That as they walked through the garage towards the interior door, officers noted several areas of what appeared to be fresh stains on the garage floor which had the general appearance of blood. Additional stains were found along the driver's side of the vehicle parked in the center bay. The vehicle was determined to have a blood spatter along its driver side. (Subsequent scene processing via a lawful Search & Seizure Warrant determined these stains tested positive for blood.) When Sgt. LaTourette and Officer Blank entered the home and noted no evidence of disturbance inside and they found no persons.

5. That the nanny provided officers with Jennifer's cellular phone number: Verizon cellular number 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to determine the device's location. Verizon confirmed that the cellphone was last

active on 05/24/19 at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

6. That upon learning that Jennifer Dulos may have been last driving a black Chevrolet Suburban (Connecticut passenger registration AJ69099) registered to her, officers began searching the area around the residence for the vehicle. On May 24, 2019, at approximately 8:00 PM, Captain Walsh located Jennifer Dulos' black Chevrolet along a stretch of Lapham Road, which bordered the west side of Waveny Park, a 300-acre tract of land in New Canaan. The vehicle recovery site had an approximate street address of 200 Lapham Road and it was consistent with the Verizon "ping" for the cellphone. A police canine responded to search the surrounding area with negative results.

7. That the NCPD on-call detective, Officer Thomas Patten, was called to the scene at 69 Welles Lane. Potential blood evidence was located on the garage floor and along the vehicle parked in the center garage bay.

8. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected bloodstains, Connecticut State Police were requested to assist New Canaan Police investigators. Pursuant to a lawful search warrant of the premises, CSP personnel locate a significant number of stains which tested positive for blood, evidence of a serious assault, and several factors which indicated a clean-up occurred.

9. That New Canaan Police Department obtained carrier records for phone numbers associated with the victim and her ex-husband (Dulos) under search warrants. And that your affiants are aware of the advanced capabilities of the United States Marshal Service (USMS) in identifying, locating, and tracking individuals using data associated with live cellular signals and carrier records for cellular customers/subscribers. For these reasons, the USMS was contacted and their assistance was requested to, analyze carrier records and to identify and locate possible suspects in this crime.

10. That during the course of this investigation, video and human sources indicated the following: On May 24, 2019, at 7:58 AM, Jennifer Dulos drove her Chevrolet Suburban (Connecticut passenger registration AJ69099) to the New Canaan Country School (635 Frogtown Road, New Canaan CT) where she dropped of her school-aged children. At 8:05 AM, Jennifer was seen on multiple residential surveillance systems returning to the 69 Welles Lane residence. At 10:25 AM, Jennifer's Chevrolet Suburban was shown leaving the residence - investigators believe at this time Jennifer was not operating the vehicle and was likely seriously injured or deceased. An analysis of data gleaned from Jennifer's cellphone records indicated her cellular device arrived in the area of 200 Lapham Road in New Canaan at approximately 10:38 AM and remained in the area until 11:09 AM, at which time the device was no longer on the network.

11 That further analysis of the carrier records by the United States Marshal Service also found that Fotis Dulos' cellphone left the vicinity of his residence at 4 Jefferson Crossing and traveled to the area of 80 Mountain Spring Rd. Farmington, CT, at approximately 1:37 PM. Dulos' device was within the vicinity of 80 Mountain Spring Rd. which is owned by Dulos' company the Fore Group. Dulos' device remained on the property for more than two hours until 3:38 PM, at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM. At approximately 5:21 PM, Dulos' cellphone returned to the area of 80 Mountain Spring Rd. and at 5:34 PM, back to his residence. At 7:10 PM, Dulos' device traveled to the area of Albany Ave. in the north end of Hartford, CT. Carrier records also show Michelle Troconis' device within the vicinity of Dulos' device at this point. At 7:41 PM, Dulos' device travels back to the vicinity of his residence at 4 Jefferson Crossing

12. The Servicer Providers named in this Order are required to disclose all records and other information (not including the contents of communications) about all communications made using the cell tower during the corresponding timeframes listed, including the records which identify: The telephone call number and unique identifiers for each wireless device in the vicinity of the tower ("the locally served wireless device") that registered with the tower, including the Electronic Serial Numbers ("ESN"), Mobility Electronic Identity Numbers ("MEIN"), Mobile Identification Numbers ("MIN"), Subscriber Identity Modules ("SIM"), Mobile Subscriber Integrated Services Digital Network Numbers ("MSISDN"), International Mobile Subscriber Identifier ("IMSI"), and International Mobile Equipment Identities ("IMEI"). It is further ordered that the Service Providers shall not disclose the existence of the application, or the existence of this Order, to any other person, unless and until authorized to do so by the Court. It is further ordered that the application and this Order are sealed until otherwise ordered by the Court.

13. That your affiants' training and experience, in addition to that of the detectives and van personnel who are members of the Connecticut State Police and are assisting in this investigation, have a strong belief that the physical evidence and anecdotal information developed thus far strongly suggests that the victim, Jennifer Dulos, is deceased following a serious physical assault which occurred on May 24, 2019, at approximately 8:30 AM at the residence located at 69 Welles Lane in New Canaan, Connecticut. Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

14. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: AT&T (11760 US Highway 1, North Palm Beach, FL 33408); to provide a "Tower Dump" for the Base Transceiver

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. Both have investigated criminal death and serious assault incidents during our years assigned to the Investigative Section. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00 PM, New Canaan Police Department (NCPD) received a call from a friend Jennifer Dulos who had come to the police department out of concern for Jennifer's wellbeing. The witness reported she had received a phone call from a nanny who was with four of Jennifer's five children in New York city and who reported that Jennifer had failed to show up for an orthodontist appointment for her children and for two pre-scheduled doctor appointments for Jennifer, herself. The first missed appointment was scheduled at 10:30 AM that morning. Jennifer's friend had made multiple attempts to contact her by phone but had been unable to do so. The friend advised that Jennifer would have called if she was unable to make it to New York, and that she would never have left her children. The friend expressed her concern for Jennifer's welfare based upon the fact that Jennifer had been involved in a highly contentious divorce and custody battle with her husband, Fotis Dulos.

3. That the friend and the nanny provided Jennifer's residential address as 69 Welles Lane, New Canaan CT. NCPD Sergeant LaTourette and Officer Blank responded to the residence and were met by the nanny. The officers attempted to raise someone at the residence, and were unsuccessful. Another vehicle was found parked in the center bay of a three-bay garage. The nanny then provided officers with the code to the garage doors, which they used to access the house to search for Jennifer on an exigent basis, concerned she may be sick or injured within the household.

4. That as they walked through the garage towards the interior door, officers noted several areas of what appeared to be fresh stains on the garage floor which had the general appearance of blood. Additional stains were found along the driver's side of the vehicle parked in the center bay. The vehicle was determined to have a blood spatter along its driver side. (Subsequent scene processing via a lawful Search & Seizure Warrant determined these stains tested positive for blood.) When Sgt. LaTourette and Officer Blank entered the home and noted no evidence of disturbance inside and they found no persons.

5. That the nanny provided officers with Jennifer's cellular phone number: Verizon cellular number 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to determine the device's location. Verizon confirmed that the cellphone was last

active on 05/24/19 at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

6. That upon learning that Jennifer Dulos may have been last driving a black Chevrolet Suburban (Connecticut passenger registration AJ69099) registered to her, officers began searching the area around the residence for the vehicle. On May 24, 2019, at approximately 8:00 PM, Captain Walsh located Jennifer Dulos' black Chevrolet along a stretch of Lapham Road, which bordered the west side of Waveny Park, a 300-acre tract of land in New Canaan. The vehicle recovery site had an approximate street address of 200 Lapham Road and it was consistent with the Verizon "ping" for the cellphone. A police canine responded to search the surrounding area with negative results.

7. That the NCPD on-call detective, Officer Thomas Patten, was called to the scene at 69 Welles Lane. Potential blood evidence was located on the garage floor and along the vehicle parked in the center garage bay.

8. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected bloodstains, Connecticut State Police were requested to assist New Canaan Police investigators. Pursuant to a lawful search warrant of the premises, CSP personnel locate a significant number of stains which tested positive for blood, evidence of a serious assault, and several factors which indicated a clean-up occurred.

9. That New Canaan Police Department obtained carrier records for phone numbers associated with the victim and her ex-husband (Dulos) under search warrants. And that your affiants are aware of the advanced capabilities of the United States Marshal Service (USMS) in identifying, locating, and tracking individuals using data associated with live cellular signals and carrier records for cellular customers/subscribers. For these reasons, the USMS was contacted and their assistance was requested to, analyze carrier records and to identify and locate possible suspects in this crime.

10. That during the course of this investigation, video and human sources indicated the following: On May 24, 2019, at 7:58 AM, Jennifer Dulos drove her Chevrolet Suburban (Connecticut passenger registration AJ69099) to the New Canaan Country School (635 Frogtown Road, New Canaan CT) where she dropped of her school-aged children. At 8:05 AM, Jennifer was seen on multiple residential surveillance systems returning to the 69 Welles Lane residence. At 10:25 AM, Jennifer's Chevrolet Suburban was shown leaving the residence - investigators believe at this time Jennifer was not operating the vehicle and was likely seriously injured or deceased. An analysis of data gleaned from Jennifer's cellphone records indicated her cellular device arrived in the area of 200 Lapham Road in New Canaan at approximately 10:38 AM and remained in the area until 11:09 AM, at which time the device was no longer on the network.

11. That further analysis of the carrier records by the United States Marshal Service also found that Fotis Dulos' cellphone left the vicinity of his residence at 4 Jefferson Crossing and traveled to the area of 80 Mountain Spring Rd. Farmington, CT, at approximately 1:37 PM. Dulos' device was within the vicinity of 80 Mountain Spring Rd. which is owned by Dulos' company the Fore Group. Dulos' device remained on the property for more than two hours until 3:38 PM, at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM. At approximately 5:21 PM, Dulos' cellphone returned to the area of 80 Mountain Spring Rd. and at 5:34 PM, back to his residence. At 7:10 PM, Dulos' device traveled to the area of Albany Ave. in the north end of Hartford, CT. Carrier records also show Michelle Troconis' device within the vicinity of Dulos' device at this point. At 7:41 PM, Dulos' device travels back to the vicinity of his residence at 4 Jefferson Crossing

12. The Servicer Providers named in this Order are required to disclose all records and other information (not including the contents of communications) about all communications made using the cell tower during the corresponding timeframes listed, including the records which identify: The telephone call number and unique identifiers for each wireless device in the vicinity of the tower ("the locally served wireless device") that registered with the tower, including the Electronic Serial Numbers ("ESN"), Mobility Electronic Identity Numbers ("MEIN"), Mobile Identification Numbers ("MIN"), Subscriber Identity Modules ("SIM"), Mobile Subscriber Integrated Services Digital Network Numbers ("MSISDN"), International Mobile Subscriber Identifier ("IMSI"), and International Mobile Equipment Identities ("IMEI"). It is further ordered that the Service Providers shall not disclose the existence of the application, or the existence of this Order, to any other person, unless and until authorized to do so by the Court. It is further ordered that the application and this Order are sealed until otherwise ordered by the Court.

13. That your affiants' training and experience, in addition to that of the detectives and van personnel who are members of the Connecticut State Police and are assisting in this investigation, have a strong belief that the physical evidence and anecdotal information developed thus far strongly suggests that the victim, Jennifer Dulos, is deceased following a serious physical assault which occurred on May 24, 2019, at approximately 8:30 AM at the residence located at 69 Welles Lane in New Canaan, Connecticut. Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

14. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: Cellco Partnership d/b/a Verizon Wireless (Attn: Custodian of Records, 180 Washington Valley Road,

It is further ordered that the application and this Order are sealed until otherwise ordered by the Court.

13. That your affiants' training and experience, in addition to that of the detectives and van personnel who are members of the Connecticut State Police and are assisting in this investigation, have a strong belief that the physical evidence and anecdotal information developed thus far strongly suggests that the victim, Jennifer Dulos, is deceased following a serious physical assault which occurred on May 24, 2019, at approximately 8:30 AM at the residence located at 69 Welles Lane in New Canaan, Connecticut. Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

14. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: Metro PCS (8144 Walnut Hill Lane, Dallas, TX 75231): to provide a "Tower Dump" for the Base Transceiver station(s) responsible for the locations of:

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43(a);

and the specific details with regard to such reasons are as follows:

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

- 1: That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.

3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.

4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.

5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.

6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

11. That a search warrant was requested and authorized by Superior Court Judge Genuario for the search and processing of the scene by the Connecticut State Police Major Crime Unit.

12. That State Police Major Crimes found significant blood evidence in numerous areas of the garage in ways and specific locations that indicated a serious assault had occurred there. Attempts at cleaning the scene were also uncovered. Investigation uncovered surveillance video that captured Jennifer Dulos' black Chevrolet Suburban leaving Welles Lane at 10:25am. The vehicle is then seen southbound on Weed St in another captured image at 10:29am and ultimately ending up on Lapham Rd adjacent to

Waveny Park.

13. That blood spatter and other evidence is also located on the exterior and interior of the abandoned black Suburban as well as in the rear cargo area. An extensive search of the area failed to find any additional evidence which furthered the indicators that a second vehicle may have been waiting, followed, or arrived to help facilitate and/or complete the fleeing from the scene.

14. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

15. That with evidence pointing to a possible accomplice, the area of Lapham Rd. and Waveny Park is in a residential area of New Canaan with few houses nearby and makes it likely that someone unfamiliar with the area would utilize a mapping application in order to navigate the area.

16. That Google Maps is a very popular mapping/navigation application which is pre-installed on many smart phones.

17. That the affiants believe that obtaining any and all Google Maps records from May 24, 2019, beginning at 0500 hours through 1100 hours on May 24, 2019, for all searches for directions to and from Waveny Park, New Canaan, CT, 06840, will assist investigators in identifying a possible suspect.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. Both have investigated criminal death and serious assault incidents during our years assigned to the Investigative Section. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00 PM, New Canaan Police Department (NCPD) received a call from a friend Jennifer Dulos who had come to the police department out of concern for Jennifer's wellbeing. The witness reported she had received a phone call from a nanny who was with four of Jennifer's five children in New York city and who reported that Jennifer had failed to show up for an orthodontist appointment for her children and for two pre-scheduled doctor appointments for Jennifer, herself. The first missed appointment was scheduled at 10:30 AM that morning. Jennifer's friend had made multiple attempts to contact her by phone but had been unable to do so. The friend advised that Jennifer would have called if she was unable to make it to New York, and that she would never have left her children. The friend expressed her concern for Jennifer's welfare based upon the fact that Jennifer had been involved in a highly contentious divorce and custody battle with her husband, Fotis Dulos.

3. That the friend and the nanny provided Jennifer's residential address as 69 Welles Lane, New Canaan CT. NCPD Sergeant LaTourette and Officer Blank responded to the residence and were met by the nanny. The officers attempted to raise someone at the residence, and were unsuccessful. Another vehicle was found parked in the center bay of a three-bay garage. The nanny then provided officers with the code to the garage doors, which they used to access the house to search for Jennifer on an exigent basis, concerned she may be sick or injured within the household.

4. That as they walked through the garage towards the interior door, officers noted several areas of what appeared to be fresh stains on the garage floor which had the general appearance of blood. Additional stains were found along the driver's side of the vehicle parked in the center bay. The vehicle was determined to have a blood spatter along its driver side. (Subsequent scene processing via a lawful Search & Seizure Warrant determined these stains tested positive for blood.) When Sgt. LaTourette and Officer Blank entered the home and noted no evidence of disturbance inside and they found no persons.

5. That the nanny provided officers with Jennifer's cellular phone number: Verizon cellular number 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to determine the device's location. Verizon confirmed that the cellphone was last

active on 05/24/19 at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

6. That upon learning that Jennifer Dulos may have been last driving a black Chevrolet Suburban (Connecticut passenger registration AJ69099) registered to her, officers began searching the area around the residence for the vehicle. On May 24, 2019, at approximately 8:00 PM, Captain Walsh located Jennifer Dulos' black Chevrolet along a stretch of Lapham Road, which bordered the west side of Waveny Park, a 300-acre tract of land in New Canaan. The vehicle recovery site had an approximate street address of 200 Lapham Road and it was consistent with the Verizon "ping" for the cellphone. A police canine responded to search the surrounding area with negative results.

7. That the NCPD on-call detective, Officer Thomas Patten, was called to the scene at 69 Welles Lane. Potential blood evidence was located on the garage floor and along the vehicle parked in the center garage bay.

8. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected bloodstains, Connecticut State Police were requested to assist New Canaan Police investigators. Pursuant to a lawful search warrant of the premises, CSP personnel locate a significant number of stains which tested positive for blood, evidence of a serious assault, and several factors which indicated a clean-up occurred.

9. That New Canaan Police Department obtained carrier records for phone numbers associated with the victim and her ex-husband (Dulos) under search warrants. And that your affiants are aware of the advanced capabilities of the United States Marshal Service (USMS) in identifying, locating, and tracking individuals using data associated with live cellular signals and carrier records for cellular customers/subscribers. For these reasons, the USMS was contacted and their assistance was requested to analyze carrier records and to identify and locate possible suspects in this crime.

10. That during the course of this investigation, video and human sources indicated the following: On May 24, 2019, at 7:58 AM, Jennifer Dulos drove her Chevrolet Suburban (Connecticut passenger registration AJ69099) to the New Canaan Country School (635 Frogtown Road, New Canaan CT) where she dropped of her school-aged children. At 8:05 AM, Jennifer was seen on multiple residential surveillance systems returning to the 69 Welles Lane residence. At 10:25 AM, Jennifer's Chevrolet Suburban was shown leaving the residence - investigators believe at this time Jennifer was not operating the vehicle and was likely seriously injured or deceased. An analysis of data gleaned from Jennifer's cellphone records indicated her cellular device arrived in the area of 200 Lapham Road in New Canaan at approximately 10:38 AM and remained in the area until 11:09 AM, at which time the device was no longer on the network.

11. That further analysis of the carrier records by the United States Marshal Service also found that Fotis Dulos' cellphone left the vicinity of his residence at 4 Jefferson Crossing and traveled to the area of 80 Mountain Spring Rd. Farmington, CT, at approximately 1:37 PM. Dulos' device was within the vicinity of 80 Mountain Spring Rd. which is owned by Dulos' company the Fore Group. Dulos' device remained on the property for more than two hours until 3:38 PM, at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving at 4:17 PM. At approximately 5:21 PM, Dulos' cellphone returned to the area of 80 Mountain Spring Rd. and at 5:34 PM, back to his residence. At 7:10 PM, Dulos' device traveled to the area of Albany Ave. in the north end of Hartford, CT. Carrier records also show Michelle Troconis' device within the vicinity of Dulos' device at this point. At 7:41 PM, Dulos' device travels back to the vicinity of his residence at 4 Jefferson Crossing

12. The Service Providers named in this Order are required to disclose all records and other information (not including the contents of communications) about all communications made using the cell tower during the corresponding timeframes listed, including the records which identify: The telephone call number and unique identifiers for each wireless device in the vicinity of the tower ("the locally served wireless device") that registered with the tower, including the Electronic Serial Numbers ("ESN"), Mobility Electronic Identity Numbers ("MEIN"), Mobile Identification Numbers ("MIN"), Subscriber Identity Modules ("SIM"), Mobile Subscriber Integrated Services Digital Network Numbers ("MSISDN"), International Mobile Subscriber Identifier ("IMSI"), and International Mobile Equipment Identities ("IMEI"). It is further ordered that the Service Providers shall not disclose the existence of the application, or the existence of this Order, to any other person, unless and until authorized to do so by the Court. It is further ordered that the application and this Order are sealed until otherwise ordered by the Court.

13. That your affiants' training and experience, in addition to that of the detectives and van personnel who are members of the Connecticut State Police and are assisting in this investigation, have a strong belief that the physical evidence and anecdotal information developed thus far strongly suggests that the victim, Jennifer Dulos, is deceased following a serious physical assault which occurred on May 24, 2019, at approximately 8:30 AM at the residence located at 69 Welles Lane in New Canaan, Connecticut. Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

14. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: Sprint Corporation (6480 Sprint Highway, Overland Park, KS 66251): to provide a "Tower Dump" for the Base Transceiver station(s) responsible for the locations of:

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.

3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. ^{New Canaan, CT} Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.

4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.

5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside and they found no persons.

6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

Blood was located on both garbage cans inside the garage.

Blood splatter was noted along the driver side door.

An area where it appeared someone tried to clean up blood on the concrete floor.

Partial bloody shoe impressions were noted on the concrete floor.

A quarter sized droplet of blood on the driver's side rear fender

The left front fender driver's side showed an area that was wiped clean.

Droplets of blood were on the front of vehicle.

A blood smear was found on the concrete floor next to driver's rear door

Blood was on one of the garbage can's left side lift handle.

A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That a standard investigative step included a background check of Jennifer Dulos and her ex-husband, Fotis Dulos, which listed a history of domestic calls to the 69 Welles Lane address, as well as the previous residence shared by the couple located at 4 Jefferson Crossing in Farmington. Incidents included the following:

- In June of 2017, Farmington Police received a complaint from Fotis Dulos at a time he and his wife, Jennifer Dulos, were in the process of a divorce. Jennifer Dulos packed up her belongings and left the

house along with the children. She would not answer his repeated text messages to her. He reported that she stole property when she left. Farmington Police did not pursue the matter- no Probable Cause.

- On 06/09/17 Fotis Dulos calls police to report his children missing; however, police subsequently located all five children and determined they were safe and secure.

- On 06/21/17 Farmington Police secured an unregistered firearm (Glock 19 9 mm) from Fotis Dulos pursuant to a lawful Protective Order. As of 03/08/19 a friend of Fotis Dulos had reportedly made arrangements to receive the Glock - the exact status of the firearm is currently undetermined.

- On 08/02/17 New Canaan Police were contacted by Jennifer Dulos reporting that while at a temporary rented home (153 Chichester Road, New Canaan) Fotis Dulos had engaged in a verbal dispute with her in front of their juvenile children. It was reported that Fotis Dulos had called Jennifer Dulos a "bad Mother" and made the statement that she "belongs in an asylum." Jennifer Dulos had become upset, started to cry, and had contacted New Canaan Police. No arrests were made in this incident.

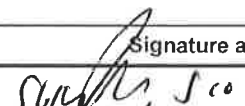

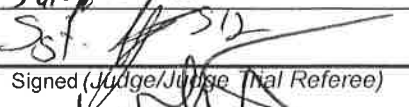

- In a separate incident which was not reported to police, Almeida reported that she had heard a commotion outside the 153 Chichester Road residence. When she went outside, Jennifer Dulos was visibly upset and she told Almeida that Fotis Dulos had just tried to run her over with a vehicle.

12. That on May 25, 2019, I spoke with Lauren Almeida, Almeida confirmed that at least several times she witnessed and/or was present during an altercation between Jennifer and her husband. In June of 2017, she stated she ran out to the driveway and found Jennifer crying. Jennifer said that her husband tried to hit her with his vehicle and she needed to jump out of the way. Divorce and custody problems were in progress.

13. That on another occasion during the summer of 2017 and while Almeida was babysitting at their Farmington residence at 4 Jefferson Crossing, Almeida was present to witness Fotis Dulos chasing his wife through the house. She finally came running into the bedroom and slammed the door closed. She braced herself against the door as her husband kept pounding trying to open it. Almeida was in the bedroom at this time with one of the children and directly witnessed this. He seemed to calm down when he realized Almeida and one of his children were also in the room. Almeida said that Jennifer did not want to call the police as she was very afraid of her husband and he threatened to take the children permanently to Greece.

14. That divorce proceedings and very recent court orders concerning custody of the children have intensified the situation. On May 25, 2019, I spoke with Jennifer Dulos' attorney Reuben S. Midler. He confirmed the very contentious court battles involving divorce and custody issues. The most recent court

appearance was May 17, 2019. Midler stated that Jennifer Dulos had been granted full physical custody of the children since March 1, 2018. Since that time, Fotis Dulos has been trying to get regular visitation but on March 20, 2019, Judge Heller granted supervised visitation only to the father and in addition, the court refused to give him the right to reintroduce his children to his girlfriend. In short, he did not get what he wanted after the long process. The last time he attempted/ appeared in court was May 17, 2019. He did not prevail in court. It is noted that this last contentious and "losing" court appearance was only one week prior to the disappearance of his wife.

15. That the babysitter (Almeida) initially told investigators that arrangements had been made for the children to be brought to Farmington for a pre-scheduled visit with their father, Fotis Dulos, on May 25, 2019 at 11:00 AM (in a follow up interview she clarified this and said that the children would be picked up at Welles Lane not Farmington). On the previous evening (May 24, 2019), Fotis Dulos contacted Almeida at 8:41 PM. This was after receiving notification from New Canaan Police that his wife was missing. Despite the fact he knew his wife was currently missing, Fotis Dulos inquired about whether the children will be ready for transfer on the following day. Fotis Dulos discussed with Almeida the need for her to leave early to arrive on time so he could take his children. Additionally, Fotis Dulos appeared "unconcerned" that his wife was missing and only talked about not missing the 11:00 AM transfer time. She said this was very unusual as she is never supposed to be involved in any transfer of the children. She told him that she was waiting for instructions from the police. He texted her again later to ask for an update.

16. That the information provided by Fotis Dulos - specifically that he is the one traveling to New Canaan in order to go pick up his children - is in conflict with the arranged plans that Fotis Dulos, himself, acknowledged to the family babysitter, Lauren Almeida, when he told her to make sure she left early for Farmington so as to not miss the scheduled 10:00AM meeting time. These communications occurred by cellular telephone.

17. That on May 25, 2019, at approximately 1440 hours, Fotis Dulos and his attorney Jacob Pyetranker arrived at New Canaan Police Headquarters for a voluntary interview. Detective Allegro was provided a cellular telephone by Fotis Dulos, who indicated it was his telephone and who also provided the four digit code to unlock it. Investigators observed that it was an Apple iPhone model X. When he learned that his iPhone was being seized by police, he objected several times and demanded the return of his telephone. It was explained that the telephone may contain information that would help ascertain the whereabouts of his missing ex-wife and he was afforded several opportunities to provide and sign a consent form. He did not provide consent and instead terminated any interview. He left with his attorney.

18. That the court orders concerning the on-going custody issues were most recently modified on March 20, 2019, which resulted in more court monitored communication by text and emails between Jennifer and Fotis Dulos, as well as supervised visitation with the children. Prior to this modification communication between the parents was restricted by court order.

19. That your affiants are aware through their training and experience that many people, including witnesses, victims, and suspects, carry and use cellular phones as a part of daily life while traveling. People who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of potential witness(es) or persons knowing the victim(s), who may have communicated by way of a telephone.

20 That your affiants know through their training and experience that a modern cellular telephone handset stores data relating to the telephone's usage. This data includes call logs, calls places, calls received, stored telephone numbers, text messaging, email messages, video files, image files, and audio files, and location data. Your affiants further know through training and experience that this data, even if deleted, may sometimes be retrieved through forensic examinations conducted by properly trained and equipped personnel within a Digital Forensic Laboratory. Obtaining such information could help investigators in locating victims and additional evidence, as well as identifying possible participants in criminal activities.

21. That your affiants know through their training and experience that a cellular telephone has become a virtual biographer of a person's daily activities. Data within a cellular telephone can log who a person talks to and when these conversations occurred. The data may include information that includes call logs, pictures, and a contact list of known acquaintances or friends. Due to this potential of abundance of data, a cellular telephone has become an indispensable piece of evidence in criminal investigations.

22. That your affiants also know through their training and experience that the data (as defined by Section §53a-250(8) C.G.S.) contained within cellular telephones is and can be useful in identifying the actual owner of the telephone, who may have been using the telephone by examining the calls or messaging sent, received or missed. Further, the data contained within the telephone handset is useful to investigators in that it may show communication between a victim, a suspect and conspirator(s) or other potential valuable witness(es) prior to, during or after the time of the crime or incident.

23. That your affiants know through their training and experience that cellular telephone records are stored in the form of data on a cellular telephone and their related media. This data remains resident on the cellular telephone even if it has been turned off or not used for a long period of time. This cellular telephone data can be extracted and preserved by properly trained and equipped personnel within a Digital Forensics Laboratory. Some data, although deleted, may be recovered and preserved by properly trained and equipped personnel within a Digital Forensic Laboratory.

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That your affiant, Detective John Kimball, is a member of the Connecticut State Police with over twenty-five years of law enforcement experience. Affiant Christopher Allegro is a member of the Connecticut State Police with thirteen years of law enforcement experience. Both your affiants are currently assigned to the Western District Major Crime Squad, Troop G office, having been so for the past ten years. And at all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department and both have been assigned investigations into homicides as well as serious assault incidents and have received training in these and other areas. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.

3. NCPD officers responded to the residence and attempted to raise someone inside home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence.

4. During their check of the residence, NCPD officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.

5. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

6. New Canaan Police initiated a search of the area surrounding 69 Welles Lane the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

7. Under the authority of a Mincey Search Warrant, the WDMCS van conducted crime scene processing at the 69 Welles Lane residence and found evidence of a large quantity of physical evidence in the garage area and inside the residence. This included: Multiple stains on the garage floor which tested positive for human blood; Multiple areas of suspected blood spatter; Evidence of attempts to clean the crime scene.

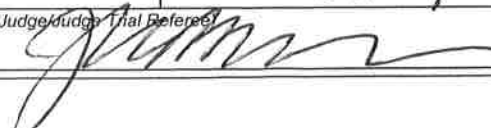

8. Investigators identified the estranged husband of Jennifer Dulos as FOTIS DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. The current live-in girlfriend of Dulos was identified as Michelle C. Troconis (DOB: 09/26/1974).

9. Investigators learned that Dulos was the owner of Fore Group, Inc. A www.LinkedIn.com page listed Dulos as "Owner, Fore Group, Inc."

10. A check of Department of Motor Vehicle files listed multiple vehicles registered to the Fore Group, LLC - a company owned by Jennifer's estranged husband, Dulos. One vehicle listed was a 2014 Ford F150 SVT Raptor (CT Plate: 910YFC).

11. On 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos provided his Apple iPhone Model X to Detective Allegro, who seized the device under the belief it contained evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with

this investigation.

12. Investigators obtained a search and seizure warrant to conduct a forensic download on the device. Additional search warrants were obtained for the call detail records of the cellphone associated with Troconis. Investigators consulted with the United States Marshals Service, who provided analytical support for cellphone data for Dulos' handset and Troconis' call detail records. The following information was gleaned:

· On date of Jennifer Dulos' disappearance (05/24/19) Dulos' cellphone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

· At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road which Geographic Information System (GIS) Property Records indicate is owned by Dulos' company, the Fore Group Inc.

· Dulos' device remained on the property for more than two hours until 3:38 PM, at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving 4:17 PM.

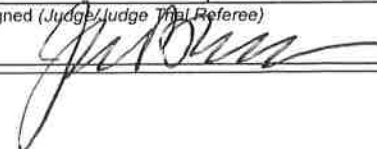

· As of approximately 5:21 PM, Dulos' cellphone had returned to the area of 80 Mountain Spring Road.

· At approximately 5:34 PM, Dulos' cellphone had arrived back at his residence at 4 Jefferson Crossing.

· At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. The call detail records of the device associated with Troconis showed the handset traveling along with Dulos' cellphone throughout the Hartford area.

· At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at four Jefferson Crossing.

13. A residential surveillance system adjacent to Dulos' property at 4 Jefferson Crossing showed a black Ford Raptor pulling into Dulos' driveway at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

14. On 05/31/19 Dulos and Troconis were escorted to CSP Troop L in Litchfield and Body Search Warrants were executed on both parties to obtain known DNA samples and known fingerprints from each. At that time, Dulos' 2014 Ford F150 SVT Raptor (CT Plate: 910YFC) was also seized via a separate search warrant.

15. Investigators obtained surveillance footage from the Hartford Police Department Capital City Command Center (C4) which operates surveillance cameras at various Hartford locations, including the Albany Avenue area. C4 documented a black Ford Raptor pickup truck stopping at multiple locations along a more than four-mile stretch of Albany Avenue between Biltmore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle. The video timeframe was consistent with the movements of Dulos and Troconis' handsets.

16. The C4 video showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male ~~was~~^{wore} a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which stained with a substance consistent with the appearance of blood.

(Handwritten initials: Jx, C4)

17. One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either

placing something on the ground or picking up an item. This female was consistent with Michelle Troconis.

18. Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two Connecticut license plates whose appearance had been altered using tape and adhesive. The actual license plate (Connecticut Passenger plates 516WDJ) was modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

19. Detectives checked the trash receptacles shown on surveillance and recovered garbage bags consistent with bags shown on C4 video, women's clothing with a blood-like substance, other items and household goods (e.g. kitchen sponge) with blood-like stains, and other items.

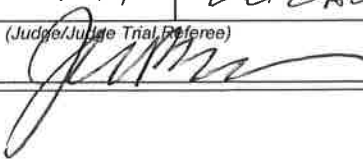

20. Items recovered from trash receptacles corresponding to dump locations shown on C4 video were submitted to the Department of Emergency Services and Public Protection Forensic Laboratory (278 Colony Street, Meriden CT).

21. That on 06/01/19 items which were recovered from Hartford trash receptacles and submitted to the DESPP lab were tested and found to contain Jennifer Dulos' blood.

22. That the DESPP laboratory determined that a sample of a stain taken from the kitchen faucet from the 69 Welles Lane residence was mixture of Jennifer Dulos' genetic profile and that of her husband, Fotis Dulos.

23. On 06/02/19 at approximately 1430 hours, detectives conducted an interview with Troconis at NCPD headquarters following her arrest on separate charges. Troconis was interviewed in the presence of her attorney, Andrew Bowman, and was provided a Notice & Waiver of Rights prior to starting the interview. Troconis denied any knowledge of, or

involvement in, the disappearance of Jennifer Dulos. Troconis' information included the following:

· Troconis confirmed she was Dulos' live-in girlfriend, and that Dulos was the owner of the Fore Group, LLC.

· Troconis claimed she woke at 6:40 AM on the morning of 05/24/19 and that Dulos was at their shared residence (4 Jefferson Crossing.

· Troconis stated she drove the 2014 Jeep Cherokee (CT Plate: AK25389) to Avon Self Storage (190 Old Farms Road, Avon CT) to return an item to Aaron Haines, the wife of the business owner - Robert "Hutch" Haines - which had been left at the Jefferson Crossing home. Troconis mentioned that Dulos rented at least one storage unit at the facility used to store items.

· Troconis indicated at approximately 3:00 PM she received a phone call from Dulos who requested she bring cleaning supplies to 80 Mountain Spring Road in Farmington, a property owned by Dulos' company, Fore Group, LLC. Dulos was already at the property.

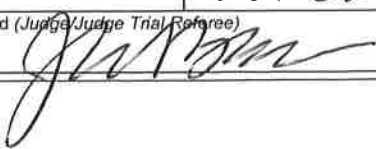

· Troconis brought supplies - vacuum, Swiffer sweeper, paper towels, Clorox, garbage bags - to 80 Mountain Spring Road and saw Dulos already on the property.

· At 4:00 PM, a Fore Group employee, Pawel Gumienny arrived at 80 Mountain Spring Road driving a 2014 Ford F150 SVT Raptor (CT Plate: 910YFC) registered to the Fore Group.

· Troconis claimed she left the property and arrived back on Jefferson at approximately 5:20 PM to find Dulos and Gumienny having a conversation in the rear yard.

· At 6:30 PM or 7:00 PM Fotis told Troconis he wanted to go to Starbucks in West Hartford. She said she and Dulos rode in the Ford Raptor to a

"creepy" area of an unknown street in Hartford. Along this street, Troconis indicated Dulos stopped at multiple trash receptacles to discard unknown items in plastic trash bags from the Ford. Troconis claimed she had no idea what was inside the bags and that this was not usual behavior for Dulos.

· Interviewing detectives showed Troconis still images from the Hartford Police C4 video and she confirmed they showed herself and Dulos riding in the Ford Raptor.

· Troconis stated after stopping at several locations to discard bags, Dulos drove to a Starbucks in West Hartford. The couple then drove back to Jefferson Crossing.

· Troconis indicated Dulos was contacted by NCPD during the evening of 05/24/19 and advised Jennifer Dulos was missing.

· When pressed, Troconis admitted she could not account for Dulos' whereabouts on 05/24/19 between 8:00 AM and 1:00 - 2:00 PM.

· When questioned about the property located at 585 Deercliff Road in Avon, Troconis confirmed the property is owned by Dulos. She stated the lot contains a house which is in disrepair and that the Porsche Cayenne owned by Dulos is parked in the garage following a motor vehicle accident.

24. On 06/03/19 the WDMC crime van was executing a search warrant at 4 Jefferson Crossing in Farmington when they located a handwritten document which outlined activities of Dulos and Troconis on Friday 05/24/19 and Saturday 05/25/19. Some of the elements listed on the document were similar to claims made by Troconis during her interview with investigators, while other elements differed. Notations included the addresses of "585 Deercliff Avon" and "80 MS" (80 Mountain Spring Road) - two properties owned by Dulos' company. The document also included the name "Hutch," which was an apparent reference to Robert "Hutch" Haines, a friend of Dulos and Troconis and a portion of Troconis' alibi story to investigators.

25. Detectives spoke with Robert "Hutch" Haines, the owner of Avon Self Storage (190 Old Farms Road, Avon CT), who confirmed that Dulos is currently renting a storage unit at the facility. Haines stated Dulos was renting one unit at Avon Self Storage and he identified it as Building #11 Unit #34.

26. Google Maps lists the travel time between 4 Jefferson Crossing, Farmington to 190 Old Farms Road, Avon as 12 minutes (5.9 miles).

27. That a search warrant was obtained for a Cellebrite download of the physical handset seized from Dulos on 05/25/19. Information obtained from the device included the fact that Dulos' handset was using a cell tower near his residence at 4 Jefferson Crossing from 05/23/19 at approximately 10:00 PM until 05/24/19 at approximately 1:16 PM. During this time, the device was receiving incoming messages and calls but there was no outgoing activity. It is therefore possible for Dulos to have traveled to the location to be searched To Wit within this time frame while leaving his cellular device powered on at his residence.

28. Your Affiants have personal knowledge, based upon their experience and training, that crimes of violence involve a struggle, a break, the use of weapons and other instrumentalities, and/or the element of unpredictability; the person or persons participating in the commission of a violent crime is/are in contact with physical surroundings in a forceful or otherwise detectable manner; there is often an attempt to alter, destroy, remove, clean-up, or cover-up evidence of a crime. That traces may be left in the form of blood, saliva, physiological fluids and secretions, hair, fibers, fingerprints, palm prints, footprints, shoe prints, weapons and firearms including knives, hatchets, axes, cutting instruments and cutting tools, blunt force instruments, dirt, dust and soil, paint samples, glass and plastic fragments, marks of tools used to gain access to locked premises or containers and items containing traces of any of the above mentioned articles. Many of the above items are minute and/or microscopic, thus requiring additional specialized examination and techniques by forensic science laboratory.

29. Your Affiants also have personal knowledge, based upon their

experience and training, that a crime scene, such as described above, will contain physical evidence, hereinbefore itemized, which will aid in establishing the identity of the perpetrator(s), the circumstances under which the crime was committed, and/or which in general will assist in the discovery of the pertinent facts and that such evidence requires a systematic search to locate, seize, record and process. That trace evidence left in the forms mentioned above is easily transferred between participants and inanimate objects such as surroundings, including their home or motor vehicle. That it is reasonable to believe and expect that a person responsible for committing a crime, such as the one described in this affidavit, would come in contact with these forms of trace evidence and transfer them to their surroundings.

30. Your Affiants also have personal knowledge that the Department of Emergency Services and Public Protection Division of Scientific Services Laboratory located at 278 Colony St in Meriden, CT has the equipment, personnel and expertise necessary to conduct physical examination, scientific testing and forensic analysis, including but not limited to biological and chemical testing, instrumental analysis, firearms, photography, biochemistry, DNA, criminalistics, fingerprints, in order to locate, identify, compare and reconstruct items of evidence and trace evidence to aid in establishing the circumstances of the crime and identity of the participants involved in the crime. The Department of Emergency Services and Public Protection Division of Scientific Services Laboratory will use standardized and documented procedures to extract, amplify and detect DNA from evidentiary items and samples taken from known individuals. The resulting DNA profiles from the evidentiary items will be compared to the known individuals' profiles and the results documented in a laboratory report.

31. Based upon the facts and circumstances described above, your Affiants have probable cause to believe that evidence of the crime of Murder, in violation of Conn. Gen. Stat. 53a-54c, or Assault, in violation of Conn. Gen. Stat. 53a-59, will be found within the property locate at 585 Deercliff Road, Avon, Connecticut, and its curtilage.

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY**
pursuant to § 54-33c, Connecticut General Statutes

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge / judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein with forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;

In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43 (a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

SEARCH AND SEIZURE WARRANT

STATE OF CONNECTICUT
SUPERIOR COURT

SEARCH AND SEIZURE WARRANT

The foregoing Affidavit and Application for Search and Seizure Warrant having been presented to and been considered by the undersigned, a Judge of the Superior Court or a Judge Trial Referee, and the foregoing Affidavit having been subscribed and sworn to by the affiant(s) before me at the time it was presented, the undersigned (a) is satisfied therefrom that grounds exist for said application, and (b) finds that said affidavit established grounds and probable cause for the undersigned to issue this Search and Seizure Warrant, such probable cause being the following: From said affidavit, the undersigned finds that there is probable cause for the undersigned to believe that the property described in the foregoing affidavit and application is within or upon the person, if any, named or described in the foregoing affidavit and application, or the place or thing, if any, described in the foregoing affidavit and application, under the conditions and circumstances set forth in the foregoing affidavit and application, and that, therefore, a Search and Seizure warrant should issue for said property.

NOW THEREFORE, by Authority of the State of Connecticut, I hereby command any Police Officer of a regularly organized police department, any State Police Officer, any inspector in the Division of Criminal Justice, or any conservation officer, special conservation officer or patrol officer acting pursuant to C.G.S. § 26-6 to whom these presents shall come within ten days after the date of this warrant to enter into or upon and search the place or thing described in the foregoing affidavit and application, or search the person described in the foregoing affidavit and application or both, to wit:

Avon Self Storage, 190 Old Farms Road in Avon, Connecticut, Building #11 Unit #34.

for the property described in the foregoing affidavit and application, to wit:

Blood, semen, saliva, physiological fluids and secretions, hair, fibers, fingerprints, palm prints, footprints, shoe prints, gunshot residue (GSR), weaponry and firearms including pistols, rifles, revolvers, shotguns, hatchets, axes, knives, cutting instrument and cutting tools, blunt force instruments, projectiles, ammunition, bullet casings and fragments, dirt, dust and soil, paint samples, glass and plastic fragments, marks of tools used to gain access to locked premises or containers, and items containing traces of any of the above articles or items. The sample(s) will be submitted to Department of Emergency Services and Public Protection Division of Scientific Services Laboratory located at 278 Colony Street in Meriden, CT for the scientific and forensic examination, testing and comparison, including DNA that may yield information pertaining to the identity of the perpetrator, and other evidentiary value.

submit the property described in the foregoing affidavit and application to laboratory analysis and examination:

The evidence collected will be submitted to the Department of Public Safety Forensic Science Laboratory located at 278 Colony St in Meriden, CT and or any other qualified law enforcement facility for physical examination, scientific testing and forensic analysis.

and upon finding said property to seize the same, take and keep it in custody until the further order of the court, and with reasonable promptness make due return of this warrant accompanied by a written inventory of all property seized.

The foregoing request that the judge or judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the warrant application and affidavit(s) in support of the warrant be given to the owner, occupant or person named therein and that the affidavit in support of such request also be included in such nondelivery is hereby:

GRANTED for a period of NOT TO EXCEED 2 WEEKS BEYOND DATE WARRANT IS EXECUTED
14 days

This order, or any extension thereof, dispensing with said requirement shall not limit disclosure of such application and affidavits to the attorney for a person arrested in connection with or subsequent to the execution of the search warrant unless, upon motion of the prosecuting authority within two weeks of such arraignment the court finds that the state's interest in continuing nondisclosure substantially outweighs the defendant's right to disclosure.

DENIED.

Service of this Search Warrant upon the customer whose financial records are being sought is hereby waived, pursuant to C.G.S. § 36a-43 (a).

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That your affiant, Detective John Kimball, is a member of the Connecticut State Police with twenty-five years of law enforcement experience. Affiant Christopher Allegro is a member of the Connecticut State Police with thirteen years of law enforcement experience. Both your affiants are currently assigned to the Western District Major Crime Squad, Troop G office, having been so for the past ten years. And at all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department and both have been assigned investigations into homicides as well as serious assault incidents and have received training in these and other areas. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.

3. NCPD officers responded to the residence and attempted to raise someone inside home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence.

4. During their check of the residence, NCPD officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.

5. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

6. New Canaan Police initiated a search of the area surrounding 69 Welles Lane the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road just north of the Merritt Parkway along the west perimeter of Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and

subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

7. Under the authority of a Mincey Search Warrant, the WDMCS van conducted crime scene processing at the 69 Welles Lane residence and found evidence of a large quantity of physical evidence in the garage area and inside the residence. This included: Multiple stains on the garage floor which tested positive for human blood; Multiple areas of suspected blood spatter; Evidence of attempts to clean the crime scene.

8. Investigators identified the estranged husband of Jennifer Dulos as FOTIS DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. The current live-in girlfriend of Dulos was identified as Michelle C. Troconis (DOB: 09/26/1974).

9. Investigators learned that Dulos was the owner of Fore Group, Inc. A www.LinkedIn.com page listed Dulos as "Owner, Fore Group, Inc."

10. A check of Department of Motor Vehicle files listed multiple vehicles registered to the Fore Group, LLC - a company owned by Jennifer's estranged husband, Dulos. One vehicle listed was a 2014 Ford F150 SVT Raptor (CT Plate: 910YFC).

11. On 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos provided his Apple iPhone Model X to Detective Allegro, who seized the device under the belief it contained evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

12. Investigators obtained a search and seizure warrant to conduct a forensic download on the device. Additional search warrants were obtained for the call detail records of the cellphone associated with Troconis. Investigators consulted with the United States Marshals Service, who provided analytical support for cellphone data for Dulos' handset and Troconis' call detail records. The following information was gleaned:

· On date of Jennifer Dulos' disappearance (05/24/19) Dulos' cellphone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

· At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road which Geographic Information System (GIS) Property Records indicate is owned by Dulos' company, the Fore Group Inc.

· Dulos' device remained on the property for more than two hours until 3:38 PM, at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving 4:17 PM.

· As of approximately 5:21 PM, Dulos' cellphone had returned to the area of 80 Mountain Spring Road.

· At approximately 5:34 PM, Dulos' cellphone had arrived back at his residence at 4 Jefferson Crossing.

· At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. The call detail records of the device associated with Troconis showed the handset traveling along with Dulos' cellphone throughout the Hartford area.

· At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at four Jefferson Crossing.

13. A residential surveillance system adjacent to Dulos' property at 4 Jefferson Crossing showed a black Ford Raptor pulling into Dulos' driveway at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

14. On 05/31/19 Dulos and Troconis were escorted to CSP Troop L in Litchfield and Body Search Warrants were executed on both parties to obtain known DNA samples and known fingerprints from each. At that time, Dulos' 2014 Ford F150 SVT Raptor (CT Plate: 910YFC) was also seized via a separate search warrant.

15. Investigators obtained surveillance footage from the Hartford Police Department Capital City Command Center (C4) which operates surveillance cameras at various Hartford locations, including the Albany Avenue area. C4 documented a black Ford Raptor pickup truck stopping at multiple locations along a more than four-mile stretch of Albany Avenue between Biltmore and Edward Streets. Video stills of the Ford pickup were examined

and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle. The video timeframe was consistent with the movements of Dulos and Troconis' handsets.

16. The C4 video showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male ~~who~~^{WORE} a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which stained with a substance consistent with the appearance of blood. (ST/CA)

17. One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female was consistent with Michelle Troconis.

18. Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two Connecticut license plates whose appearance had been altered using tape and adhesive. The actual license plate (Connecticut Passenger plates 516WDJ) was modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

19. Detectives checked the trash receptacles shown on surveillance and recovered garbage bags consistent with bags shown on C4 video, women's clothing with a blood-like substance, other items and household goods (e.g. kitchen sponge) with blood-like stains, and other items.

20. Items recovered from trash receptacles corresponding to dump locations shown on C4 video were submitted to the Department of Emergency Services and Public Protection Forensic Laboratory (278 Colony Street, Meriden CT).

21. That on 06/01/19 items which were recovered from Hartford trash receptacles and submitted to the DESPP lab were tested and found to contain Jennifer Dulos' blood.

22. That the DESPP laboratory determined that a sample of a stain taken from the kitchen faucet from the 69 Welles Lane residence was mixture of Jennifer Dulos' genetic profile and that of her husband, Fotis Dulos.

23. On 06/02/19 at approximately 1430 hours, detectives conducted an interview with Troconis at NCPD headquarters following her arrest on separate charges. Troconis was interviewed in the presence of her attorney, Andrew Bowman, and was provided a Notice & Waiver of Rights prior to starting the interview. Troconis denied any knowledge of, or involvement in, the disappearance of Jennifer Dulos. Troconis' information included the following:

- Troconis confirmed she was Dulos' live-in girlfriend, and that Dulos was the owner of the Fore Group, LLC.

- Troconis claimed she woke at 6:40 AM on the morning of 05/24/19 and that Dulos was at their shared residence (4 Jefferson Crossing.

- Troconis stated she drove the 2014 Jeep Cherokee (CT Plate: AK25389) to Avon Self Storage (190 Old Farms Road, Avon CT) to return an item to Aaron Haines, the wife of the business owner - Robert "Hutch" Haines - which had been left at the Jefferson Crossing home. Troconis mentioned that Dulos rented at least one storage unit at the facility used to store items.

- Troconis indicated at approximately 3:00 PM she received a phone call from Dulos who requested she bring cleaning supplies to 80 Mountain Spring Road in Farmington, a property owned by Dulos' company, Fore Group, LLC. Dulos was already at the property.

- Troconis brought supplies - vacuum, Swiffer sweeper, paper towels, Clorox, garbage bags - to 80 Mountain Spring Road and saw Dulos already on the property.

- At 4:00 PM, a Fore Group employee, Pawel Gumienny arrived at 80 Mountain Spring Road driving a 2014 Ford F150 SVT Raptor (CT Plate: 910YFC) registered to the Fore Group.

- Troconis claimed she left the property and arrived back on Jefferson at approximately 5:20 PM to find Dulos and Gumienny having a conversation in the rear yard.

- At 6:30 PM or 7:00 PM Fotis told Troconis he wanted to go to Starbucks in

West Hartford. She said she and Dulos rode in the Ford Raptor to a "creepy" area of an unknown street in Hartford. Along this street, Troconis indicated Dulos stopped at multiple trash receptacles to discard unknown items in plastic trash bags from the Ford. Troconis claimed she had no idea what was inside the bags and that this was not usual behavior for Dulos.

- Interviewing detectives showed Troconis still images from the Hartford Police C4 video and she confirmed they showed herself and Dulos riding in the Ford Raptor.

- Troconis stated after stopping at several locations to discard bags, Dulos drove to a Starbucks in West Hartford. The couple then drove back to Jefferson Crossing.

- Troconis indicated Dulos was contacted by NCPD during the evening of 05/24/19 and advised Jennifer Dulos was missing.

- When pressed, Troconis admitted she could not account for Dulos' whereabouts on 05/24/19 between 8:00 AM and 1:00 - 2:00 PM.

- When questioned about the property located at 585 Deercliff Road in Avon, Troconis confirmed the property is owned by Dulos. She stated the lot contains a house which is in disrepair and that the Porsche Cayenne owned by Dulos is parked in the garage following a motor vehicle accident.

24. On 06/03/19 the WDMC crime van was executing a search warrant at 4 Jefferson Crossing in Farmington when they located a handwritten document which outlined activities of Dulos and Troconis on Friday 05/24/19 and Saturday 05/25/19. Some of the elements listed on the document were similar to claims made by Troconis during her interview with investigators, while other elements differed. Notations included the addresses of "585 Deercliff Avon" and "80 MS" (80 Mountain Spring Road) - two properties owned by Dulos' company. The document also included the name "Hutch," which was an apparent reference to Robert "Hutch" Haines, a friend of Dulos and Troconis and a portion of Troconis' alibi story to investigators.

25. That a search warrant was obtained for a Cellebrite download of the physical handset seized from Dulos on 05/25/19. Information obtained from the device included the fact that Dulos' handset was using a cell tower near his residence at 4 Jefferson Crossing from 05/23/19 at approximately 10:00 PM until 05/24/19 at approximately 1:16 PM. During this time, the device was receiving incoming messages and calls but there was no outgoing

activity. It is therefore possible for Dolus to have traveled to the location to be searched To Wit within this time frame while leaving his cellular device powered on at his residence.

26. Investigators checked land records, law enforcement databases, and other sources to determined that properties listed to the Fore Group, Inc. included:

585 Deercliff Road, Avon CT

27. That the property is a 4.49 acre heavily-wooded lot which is secluded from the rural roadway. Avon Geographic Information System (GIS) list the above property as belonging to the Fore Group, Inc., with a listed business address of 4 Jefferson Crossing, Farmington CT. Google Maps lists a travel time between Jefferson Crossing and Deercliff Road as a two minute drive (0.4 mile).

28. Your Affiants have personal knowledge, based upon their experience and training, that crimes of violence involve a struggle, a break, the use of weapons and other instrumentalities, and/or the element of unpredictability; the person or persons participating in the commission of a violent crime is/are in contact with physical surroundings in a forceful or otherwise detectable manner; there is often an attempt to alter, destroy, remove, clean-up, or cover-up evidence of a crime. That traces may be left in the form of blood, saliva, physiological fluids and secretions, hair, fibers, fingerprints, palm prints, footprints, shoe prints, weapons and firearms including knives, hatchets, axes, cutting instruments and cutting tools, blunt force instruments, dirt, dust and soil, paint samples, glass and plastic fragments, marks of tools used to gain access to locked premises or containers and items containing traces of any of the above mentioned articles. Many of the above items are minute and/or microscopic, thus requiring additional specialized examination and techniques by forensic science laboratory.

29. Your Affiants also have personal knowledge, based upon their experience and training, that a crime scene, such as described above, will contain physical evidence, hereinbefore itemized, which will aid in establishing the identity of the perpetrator(s), the circumstances under which the crime was committed, and/or which in general will assist in the discovery of the pertinent facts and that such evidence requires a systematic search to locate, seize, record and process. That trace evidence left in the forms mentioned above is easily transferred between participants and inanimate objects such as surroundings, including their home or motor vehicle. That it is reasonable to believe and expect that a person responsible for committing a crime, such as the one described in

30. Your Affiants also have personal knowledge that the Department of Emergency Services and Public Protection Division of Scientific Services Laboratory located at 278 Colony St in Meriden, CT has the equipment, personnel and expertise necessary to conduct physical examination, scientific testing and forensic analysis, including but not limited to biological and chemical testing, instrumental analysis, firearms, photography, biochemistry, DNA, criminalistics, fingerprints, in order to locate, identify, compare and reconstruct items of evidence and trace evidence to aid in establishing the circumstances of the crime and identity of the participants involved in the crime. The Department of Emergency Services and Public Protection Division of Scientific Services Laboratory will use standardized and documented procedures to extract, amplify and detect DNA from evidentiary items and samples taken from known individuals. The resulting DNA profiles from the evidentiary items will be compared to the known individuals' profiles and the results documented in a laboratory report.

31. Based upon the facts and circumstances described above, your Affiants have probable cause to believe that evidence of the crime of Murder, in violation of Conn. Gen. Stat. 53a-54c, or Assault, in violation of Conn. Gen. Stat. 53a-59, will be found within the property locate at 585 Deercliff Road, Avon, Connecticut, and its curtilage.

32. Therefore, your affiants are requesting a Search and Seizure warrant be issued for 585 Deercliff Road, Avon, Connecticut, and any outbuildings. The evidence collected will be submitted to the Department of Emergency Services and Public Protection Division of Scientific Services Laboratory located at 278 Colony St in Meriden, CT for physical examination, scientific testing and forensic analysis.

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge / judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein with forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;

In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43 (a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

SEARCH AND SEIZURE WARRANT

STATE OF CONNECTICUT
SUPERIOR COURT

SEARCH AND SEIZURE WARRANT

The foregoing Affidavit and Application for Search and Seizure Warrant having been presented to and been considered by the undersigned, a Judge of the Superior Court or a Judge Trial Referee, and the foregoing Affidavit having been subscribed and sworn to by the affiant(s) before me at the time it was presented, the undersigned (a) is satisfied therefrom that grounds exist for said application, and (b) finds that said affidavit established grounds and probable cause for the undersigned to issue this Search and Seizure Warrant, such probable cause being the following: From said affidavit, the undersigned finds that there is probable cause for the undersigned to believe that the property described in the foregoing affidavit and application is within or upon the person, if any, named or described in the foregoing affidavit and application, or the place or thing, if any, described in the foregoing affidavit and application, under the conditions and circumstances set forth in the foregoing affidavit and application, and that, therefore, a Search and Seizure warrant should issue for said property.

NOW THEREFORE, by Authority of the State of Connecticut, I hereby command any Police Officer of a regularly organized police department, any State Police Officer, any inspector in the Division of Criminal Justice, or any conservation officer, special conservation officer or patrol officer acting pursuant to C.G.S. § 26-6 to whom these presents shall come within ten days after the date of this warrant to enter into or upon and search the place or thing described in the foregoing affidavit and application, or search the person described in the foregoing affidavit and application or both, to wit:

The property located at 585 Deercliff Road, Avon CT, and any outbuildings.

for the property described in the foregoing affidavit and application, to wit:

Blood, saliva, physiological fluids and secretions, hair, fibers, fingerprints, palm prints, footprints, shoe prints, gunshot residue (GSR), hatchets, axes, knives, cutting instrument and cutting tools, blunt force instruments, projectiles, ammunition, bullet casings and fragments, dirt, dust and soil, paint samples, glass and plastic fragments, marks of tools used to gain access to locked premises or containers, and items containing traces of any of the above articles or items. The sample(s) will be submitted to Department of Emergency Services and Public Protection Division of Scientific Services Laboratory located at 278 Colony Street in Meriden, CT for the scientific and forensic examination, testing and comparison, including DNA that may yield information pertaining to the identity of the perpetrator, and other evidentiary value.

submit the property described in the foregoing affidavit and application to laboratory analysis and examination:

The evidence collected will be submitted to the Department of Public Safety Forensic Science Laboratory located at 278 Colony St in Meriden, CT and or any other qualified law enforcement facility for physical examination, scientific testing and forensic analysis.

and upon finding said property to seize the same, take and keep it in custody until the further order of the court, and with reasonable promptness make due return of this warrant accompanied by a written inventory of all property seized.

The foregoing request that the judge or judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the warrant application and affidavit(s) in support of the warrant be given to the owner, occupant or person named therein and that the affidavit in support of such request also be included in such nondelivery is hereby:

GRANTED for a period of NOT TO EXCEED 2 WEEKS BEYOND DATE WARRANT IS EXECUTED
14 days

This order, or any extension thereof, dispensing with said requirement shall not limit disclosure of such application and affidavits to the attorney for a person arrested in connection with or subsequent to the execution of the search warrant unless, upon motion of the prosecuting authority within two weeks of such arraignment the court finds that the state's interest in continuing nondisclosure substantially outweighs the defendant's right to disclosure.

DENIED.

Service of this Search Warrant upon the customer whose financial records are being sought is hereby waived, pursuant to C.G.S. § 36a-43 (a).

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Peter Condos, who is a member of the New Canaan Police Department with 31 years of law enforcement experience, and Detective John Kimball, who is a member of the Connecticut State Police with 25 years experience. At all pertinent times mentioned herein were acting in their official capacities as members of their respective departments and both are currently assigned to investigative units within their agencies. Your affiants have both received law enforcement training in a variety of topics, including cases of serious physical assaults and homicides. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.
3. NCPD officers responded to the residence and tried to raise someone at the home, without success. The family nanny provided access to the residence in an attempt to locate Jennifer and check on her welfare. Officers cleared the home and found no persons inside.
4. During their check of the residence, officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.
5. New Canaan Police searched the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road near Waveny Park in New Canaan, approximately three miles from Jennifer's residence. A check of the vehicle and exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines was unable to locate Jennifer.
6. Out of concern that Jennifer Dulos may have been the victim of foul play, the New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for assistance.
7. Under the authority of a Mincey Search Warrant, the WDMCS van processed the 69 Welles Lane residence and recovered a large amount of blood evidence, latent fingerprints, and other indications of a violent

encounter, possibly between Jennifer Dulos and one or more persons.

8. A check of Department of Motor Vehicle files listed multiple vehicles registered to the Fore Group, LLC - a company owned by Jennifer's estranged husband, Fotis Dulos (hereinafter "Dulos"). One vehicle listed was a 2014 Ford F150 SVT Raptor, color: black, bearing CT Passenger plate 910YFC.

9. Investigation revealed that Dulos has a current girlfriend identified as Michelle Troconis, who both reside at 4 Jefferson Crossing in Farmington, CT. Dulos and Troconis have, thus far, refused to cooperate with investigators in this case.

10. Investigators obtained land records for three separate properties, all of which were registered as being owned by the Fore Group Inc., the business owned and operated by Dulos:

- 80 Mountain Spring Road - A 5.06 acre tract of land.
- 84 Mountain Spring Road - A 2.4 acre tract of land.
- 88 Mountain Spring Road - A 2.25 acre tract of land.

Some of these properties may/may not contain outbuildings or other structures (e.g., portable storage containers). All these properties are currently associated with the company operated by Dulos.

11. On 05/25/19 at 1447 hours, investigators seized the cellular handset from Dulos and obtained a search and seizure warrant to conduct a forensic download on the device. Additional search warrants were obtained for the call detail records of the cellphone associated with Dulos' live-in girlfriend, Michelle Troconis. These warrants yielded the in the following information:

- On 05/24/19 (date of incident) Dulos' phone left his 4 Jefferson Crossing residence and travels to the area of 80 Mountain Spring Road in Farmington, CT.
- At 1337 hours, the phone enters the property of 80 Mountain Spring Road which Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.
- The phone remains on the property until 1538 hours - a period of more than two hours - at which time the phone travels back to Dulos' residence at 4 Jefferson Crossing, arriving 1617 hours.
- At 1721 hours, Dulos' phone is back in the area of 80 Mountain Spring Road.

- At 1734 hours, Dulos' phone arrives back at his residence at 4 Jefferson Crossing.
- At 1910 hours, Dulos' phone, along with the cellular device associated with his girlfriend (Michelle Troconis), traveled to the area of Albany Avenue in the city of Hartford, CT.
- Investigators obtained surveillance footage from the Hartford Police Department Vice/Intelligence/ Narcotics Division surveillance system surveillance, which showed a black Ford Raptor pickup truck stopping at various locations in the area of Albany Avenue. The vehicle matched the description of a 2014 Ford Raptor (CT Plate 910YFC) registered to the Fore Group, LLC - Dulos' company.
- Footage showed a Caucasian male matching the physical description of Dulos exiting the Raptor and placing multiple garbage bags into various trash receptacles. Some of the items appeared stained with a substance consistent with the appearance of blood.
- Footage also showed the male disposing of what appeared to be a small rug which was consistent with the missing rug from the rear cargo area of the victim's recovered vehicle, where additional blood evidence was located.
- Detectives checked the trash receptacles shown on surveillance and recovered zip ties, a brassiere with what appeared to be bloodstains, and a black leather work glove with possible bloodstains.
- A search warrant was obtained for Dulos' Ford Raptor and for the garage of 4 Jefferson Crossing, where the vehicle was housed. Photographs of Dulos' Raptor were used to match specific elements (e.g., stickers) on that vehicle to individual aspects of the vehicle depicted on Hartford Police surveillance footage.
- Hartford Police footage also showed a Caucasian female participating in the disposal of items. This female matched the physical appearance of Michelle Troconis.
- At 1941 hours, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.
- A residential surveillance system adjacent to Dulos' property at 4 Jefferson Crossing showed a black Ford Raptor pulling into Dulos' driveway at 2012 hours. A male matching the description of the male depicted in Hartford exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the Raptor and pulled further onto the property and out of camera range.

12. Based upon the facts and circumstances described above, your affiants have probable cause to believe that the evidence of the crime of **Assault in the First Degree (Section 53a-59 C.G.S.)** will be found when a comparison is made between the DNA profiles obtained from known specimens from **MICHELLE TROCONIS DOB: 09/26/1974, a Caucasian Female, approximately 5' 08", thin build, who resides at 7 Jefferson Crossing, Farmington CT.** and the evidence collected in connection with this investigation as mentioned in this Affidavit above.

13. Therefore, your affiants request that a search and seizure warrant be issued to obtain saliva secretions and buccal cell samples from the suspect **MICHELLE TROCONIS DOB: 09/26/1974, a Caucasian Female, approximately 5' 08", thin build, who resides at 7 Jefferson Crossing, Farmington CT.** These samples will be obtained by swabbing the interior of the suspect's mouth cavity between the cheek and teeth with cotton swabs using safe, reliable, and minimal intrusive procedures under universal hygienic precautions by a duly qualified person within a reasonable period of time. The samples will be submitted to Department of Emergency Services and Public Protection Division of Scientific Services Laboratory located at 278 Colony St in Meriden, CT for the purpose of scientific and forensic examination, testing and comparison including DNA identification and comparison that may yield information pertaining to the identity of the perpetrator, and other evidentiary value.

14. To facilitate the above search, your affiants request the authority to transport the person described in this affidavit to a secure facility where the above search may be conducted in a safe and expedient manner. The person mentioned herein would be transported without physical restraints and the inconvenience and discomfort to said individual would be minimized to the extent practicable.

15. The Department of Public Safety Forensic Science Laboratory has the ability and established procedures for the identification and comparison of DNA profiles obtained from evidence and fluids that have been retrieved from victim's and perpetrator's involved in crimes such as **Assault in the First Degree (Section 53a-59 C.G.S.)**. The Department of Emergency Services and Public Protection Division of Scientific Services Laboratory will use standardized and documented procedures to extract, amplify and detect DNA from evidentiary items and samples taken from known individuals. The resulting DNA profiles from the evidentiary items will be compared to the known individuals' profiles and the results documented in a laboratory report.

REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge / judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein with forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;

In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43 (a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

SEARCH AND SEIZURE WARRANT

STATE OF CONNECTICUT
SUPERIOR COURT

SEARCH AND SEIZURE WARRANT

The foregoing Affidavit and Application for Search and Seizure Warrant having been presented to and been considered by the undersigned, a Judge of the Superior Court or a Judge Trial Referee, and the foregoing Affidavit having been subscribed and sworn to by the affiant(s) before me at the time it was presented, the undersigned (a) is satisfied therefrom that grounds exist for said application, and (b) finds that said affidavit established grounds and probable cause for the undersigned to issue this Search and Seizure Warrant, such probable cause being the following: From said affidavit, the undersigned finds that there is probable cause for the undersigned to believe that the property described in the foregoing affidavit and application is within or upon the person, if any, named or described in the foregoing affidavit and application, or the place or thing, if any, described in the foregoing affidavit and application, under the conditions and circumstances set forth in the foregoing affidavit and application, and that, therefore, a Search and Seizure warrant should issue for said property.

NOW THEREFORE, by Authority of the State of Connecticut, I hereby command any Police Officer of a regularly organized police department, any State Police Officer, any inspector in the Division of Criminal Justice, or any conservation officer, special conservation officer or patrol officer acting pursuant to C.G.S. § 26-6 to whom these presents shall come within ten days after the date of this warrant to enter into or upon and search the place or thing described in the foregoing affidavit and application, or search the person described in the foregoing affidavit and application or both, to wit:

The person of MICHELLE TROCONIS DOB: 09/26/1974, a Caucasian FEmale, approximately 5' 08", thin build, who resides at 7 Jefferson Crossing, Farmington CT.

for the property described in the foregoing affidavit and application, to wit:

To obtain saliva secretions, and Buccal cell samples (cheek epithelial cells). These samples will be obtained by swabbing the interior of the suspect's mouth cavity between the cheek and teeth with sponge type swab using safe, reliable, and minimal intrusive procedures under universal hygienic precautions by a duly qualified person within a reasonable period of time. Additionally, to obtain a set of Major Case Fingerprints and full body photographs of the subject. The sample(s) will be submitted to Department of Emergency Services and Public Protection Division of Scientific Services Laboratory located at 278 Colony St in Meriden, CT for the scientific and forensic examination, testing and comparison, including DNA that may yield information pertaining to the identity of the perpetrator, and other evidentiary value.

submit the property described in the foregoing affidavit and application to laboratory analysis and examination:

The evidence collected will be submitted to the Department of Public Safety Forensic Science Laboratory located at 278 Colony St in Meriden, CT and or any other qualified law enforcement facility for physical examination, scientific testing and forensic analysis.

and upon finding said property to seize the same, take and keep it in custody until the further order of the court, and with reasonable promptness make due return of this warrant accompanied by a written inventory of all property seized.

The foregoing request that the judge or judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the warrant application and affidavit(s) in support of the warrant be given to the owner, occupant or person named therein and that the affidavit in support of such request also be included in such nondelivery is hereby:

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Peter Condos, who is a member of the New Canaan Police Department with 31 years of law enforcement experience, and Detective John Kimball, who is a member of the Connecticut State Police with 25 years experience. At all pertinent times mentioned herein were acting in their official capacities as members of their respective departments and both are currently assigned to investigative units within their agencies. Your affiants have both received law enforcement training in a variety of topics, including cases of serious physical assaults and homicides. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.

3. NCPD officers responded to the residence and tried to raise someone at the home, without success. The family nanny provided access to the residence in an attempt to locate Jennifer and check on her welfare. Officers cleared the home and found no persons inside.

4. During their check of the residence, officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.

5. New Canaan Police searched the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road near Waveny Park in New Canaan, approximately three miles from Jennifer's residence. A check of the vehicle and exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines was unable to locate Jennifer.

6. Out of concern that Jennifer Dulos may have been the victim of foul play, the New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for assistance.

7. Under the authority of a Mincey Search Warrant, the WDMCS van processed the 69 Welles Lane residence and recovered a large amount of blood evidence, latent fingerprints, and other indications of a violent

encounter, possibly between Jennifer Dulos and one or more persons.

8. A check of Department of Motor Vehicle files listed multiple vehicles registered to the Fore Group, LLC - a company owned by Jennifer's estranged husband, Fotis Dulos (hereinafter "Dulos"). One vehicle listed was a 2014 Ford F150 SVT Raptor, color: black, bearing CT Passenger plate 910YFC.

9. Investigation revealed that Dulos has a current girlfriend identified as Michelle Troconis, who both reside at 4 Jefferson Crossing in Farmington, CT. Dulos and Troconis have, thus far, refused to cooperate with investigators in this case.

10. Investigators obtained land records for three separate properties, all of which were registered as being owned by the Fore Group Inc., the business owned and operated by Dulos:

- 80 Mountain Spring Road - A 5.06 acre tract of land.
- 84 Mountain Spring Road - A 2.4 acre tract of land.
- 88 Mountain Spring Road - A 2.25 acre tract of land.

Some of these properties may/may not contain outbuildings or other structures (e.g., portable storage containers). All these properties are currently associated with the company operated by Dulos.

11. On 05/25/19 at 1447 hours, investigators seized the cellular handset from Dulos and obtained a search and seizure warrant to conduct a forensic download on the device. Additional search warrants were obtained for the call detail records of the cellphone associated with Dulos' live-in girlfriend, Michelle Troconis. These warrants yielded the in the following information:

- On 05/24/19 (date of incident) Dulos' phone left his 4 Jefferson Crossing residence and travels to the area of 80 Mountain Spring Road in Farmington, CT.
- At 1337 hours, the phone enters the property of 80 Mountain Spring Road which Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.
- The phone remains on the property until 1538 hours - a period of more than two hours - at which time the phone travels back to Dulos' residence at 4 Jefferson Crossing, arriving 1617 hours.
- At 1721 hours, Dulos' phone is back in the area of 80 Mountain Spring Road.

- At 1734 hours, Dulos' phone arrives back at his residence at 4 Jefferson Crossing.
- At 1910 hours, Dulos' phone, along with the cellular device associated with his girlfriend (Michelle Troconis), traveled to the area of Albany Avenue in the city of Hartford, CT.
- Investigators obtained surveillance footage from the Hartford Police Department Vice/Intelligence/ Narcotics Division surveillance system surveillance, which showed a black Ford Raptor pickup truck stopping at various locations in the area of Albany Avenue. The vehicle matched the description of a 2014 Ford Raptor (CT Plate 910YFC) registered to the Fore Group, LLC - Dulos' company.
- Footage showed a Caucasian male matching the physical description of Dulos exiting the Raptor and placing multiple garbage bags into various trash receptacles. Some of the items appeared stained with a substance consistent with the appearance of blood.
- Footage also showed the male disposing of what appeared to be a small rug which was consistent with the missing rug from the rear cargo area of the victim's recovered vehicle, where additional blood evidence was located.
- Detectives checked the trash receptacles shown on surveillance and recovered zip ties, a brassiere with what appeared to be bloodstains, and a black leather work glove with possible bloodstains.
- A search warrant was obtained for Dulos' Ford Raptor and for the garage of 4 Jefferson Crossing, where the vehicle was housed. Photographs of Dulos' Raptor were used to match specific elements (e.g., stickers) on that vehicle to individual aspects of the vehicle depicted on Hartford Police surveillance footage.
- Hartford Police footage also showed a Caucasian female participating in the disposal of items. This female matched the physical appearance of Michelle Troconis.
- At 1941 hours, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.
- A residential surveillance system adjacent to Dulos' property at 4 Jefferson Crossing showed a black Ford Raptor pulling into Dulos' driveway at 2012 hours. A male matching the description of the male depicted in Hartford exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the Raptor and pulled further onto the property and out of camera range.

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Peter Condos who is a member of the New Canaan Police Department for 31 years of law enforcement experience, and Detective John Kimball, who is a member of the Connecticut State Police with 25 years experience. At all pertinent times mentioned herein were acting in their official capacity as members of their respective departments and both are currently assigned to investigative units within their agencies. Your affiants have both received law enforcement training in a variety of topics, including cases of serious physical assaults and homicides. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.
3. NCPD officers responded to the residence and tried to raise someone at the home, without success. The family nanny provided access to the residence in an attempt to locate Jennifer and check on her welfare. Officers cleared the home and found no persons inside.
4. During their check of the residence, officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.
5. New Canaan Police searched the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road near Waveny Park in New Canaan, approximately three miles from Jennifer's residence. A check of the vehicle and exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines was unable to locate Jennifer.
6. Out of concern that Jennifer Dulos may have been the victim of foul play, the New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for assistance.
7. Under the authority of a Mincey Search Warrant, the WDMCS van processed the 69 Welles Lane residence and found evidence of a significant assault as

well as clean-up efforts. Based upon these results and other factors - e.g., Jennifer's continued absence - investigators consider it likely that Jennifer Dulos was the victim of a violent crime.

8. A check of Department of Motor Vehicle files listed multiple vehicles registered to the Fore Group, LLC - a company owned by Jennifer's estranged husband, Fotis Dulos (hereinafter "Dulos"). One vehicle listed was a 2014 Ford F150 SVT Raptor, color: black, bearing CT Passenger plate 910YFC.

9. Investigation revealed that Dulos has a current girlfriend identified as Michelle Troconis, who both reside at 4 Jefferson Crossing in Farmington, CT. Dulos and Troconis have, thus far, refused to cooperate with investigators in this case.

10. Investigators obtained land records for three separate properties, all of which were registered as being owned by the Fore Group Inc., the business owned and operated by Dulos:

- 80 Mountain Spring Road - A 5.06 acre tract of land.
- 84 Mountain Spring Road - A 2.4 acre tract of land.
- 88 Mountain Spring Road - A 2.25 acre tract of land.

Some of these properties may/may not contain outbuildings or other structures (e.g., portable storage containers). All these properties are currently associated with the company operated by Dulos.

11. On 05/25/19 at 1447 hours, investigators seized the cellular handset from Dulos and obtained a search and seizure warrant to conduct a forensic download on the device. Additional search warrants were obtained for the call detail records of the cellphone associated with Dulos' live-in girlfriend, Michelle Troconis. These warrants yielded the following information:

- On 05/24/19 (date of incident) Dulos' phone left his 4 Jefferson Crossing residence and travels to the area of 80 Mountain Spring Road in Farmington, CT.
- At 1337 hours, the phone enters the property of 80 Mountain Spring Road, a property which Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.
- The phone remains on the property until 1538 hours - a period of more than two hours - at which time the phone travels back to Dulos' residence at 4 Jefferson Crossing at 1617 hours.

- At 1721 hours, Dulos' phone is back in the area of 80 Mountain Spring Road.
- At 1734, Dulos' phone arrives back at his residence at 4 Jefferson Crossing.
- At 1910 hours, Dulos' phone, along with the cellular device associated with his girlfriend (Michelle Troconis), traveled to the area of Albany Avenue in the city of Hartford, CT.
- Investigators obtained surveillance footage from the Hartford Police Department Vice/Intelligence/ Narcotics Division surveillance system surveillance, which showed a black Ford Raptor pickup truck stopping at various locations in the area of Albany Avenue. The vehicle matched the description of a 2014 Ford Raptor (CT Plate 910YFC) registered to the Fore Group, LLC - Dulos' company.
- Footage showed a Caucasian male matching the physical description of Dulos exiting the Raptor and placing multiple garbage bags into various trash receptacles. Some of the items appeared to be stained with a substance consistent with the appearance of blood.
- Footage also showed the male disposing of what appeared to be a small rug which was consistent with the missing rug from the rear cargo area of the victim's recovered vehicle, where additional blood evidence was located.
- Detectives checked the trash receptacles shown on surveillance and recovered zip ties, a brassiere with what appeared to be bloodstains, and a black leather work glove with possible bloodstains.
- A search warrant was obtained for Dulos' Ford Raptor and for the garage of 4 Jefferson Crossing, where the vehicle was housed. Photographs of Dulos' Raptor were used to match specific elements (e.g., stickers) on that vehicle to individual aspects of the vehicle depicted on Hartford Police surveillance footage.
- Hartford Police footage also showed a Caucasian female participating in the disposal of items. This female matched the physical appearance of Michelle Troconis.
- At 1941 hours, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.
- A residential surveillance system adjacent to Dulos' property at 4 Jefferson Crossing showed a black Ford Raptor pulling into Dulos' driveway at 2012 hours. A male matching the description of the male depicted in Hartford exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the Raptor and pulled further onto the property and out of camera range.

involved in this case, your affiants believe that the victim, Jennifer Dulos, is a victim of an initial crime which occurred at 69 Welles Lane in New Canaan. **AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge / judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein with forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;

In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43 (a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

- 84 Mountain Spring Road - A 2.4 acre tract of land.
- 88 Mountain Spring Road - A 2.25 acre tract of land.

Some of these properties may/may not contain outbuildings or other structures (e.g., portable storage containers). All these properties are currently associated with the company operated by Dulos.

11. On 05/25/19 at 1447 hours, investigators seized the cellular handset from Dulos and obtained a search and seizure warrant to conduct a forensic download on the device. Additional search warrants were obtained for the call detail records of the cellphone associated with Dulos' live-in girlfriend, Michelle Troconis. These warrants yielded the following information:

- On 05/24/19 (date of incident) Dulos' phone left his 4 Jefferson Crossing residence and travels to the area of 80 Mountain Spring Road in Farmington, CT.
- At 1337 hours, the phone enters the property of 80 Mountain Spring Road which Property Records indicate is owned by the Fore Group Inc., the business owned and operated by Dulos.
- The phone remains on the property until 1538 hours - a period of more than two hours - at which time the phone travels back to Dulos'

residence at 4 Jefferson Crossing, arriving 1617 hours.

- At 1721 hours, Dulos' phone is back in the area of 80 Mountain Spring Road.
- At 1734 hours, Dulos' phone arrives back at his residence at 4 Jefferson Crossing.
- At 1910 hours, Dulos' phone, along with the cellular device associated with his girlfriend (Michelle Troconis), traveled to the area of Albany Avenue in the city of Hartford, CT.
- Investigators obtained surveillance footage from the Hartford Police Department Vice/Intelligence/ Narcotics Division surveillance system surveillance, which showed a black Ford Raptor pickup truck stopping at various locations in the area of Albany Avenue. The vehicle matched the description of a 2014 Ford Raptor (CT Plate 910YFC) registered to the Fore Group, LLC - Dulos' company.
- Footage showed a Caucasian male matching the physical description of Dulos exiting the Raptor and placing multiple garbage bags into various trash receptacles. Some of the items appeared to be stained with a substance consistent with the appearance of blood.
- Footage also showed the male disposing of what appeared to be a small rug which was consistent with the missing rug from the rear cargo area of the victim's recovered vehicle, where additional blood evidence was located.
- Detectives checked the trash receptacles shown on surveillance and recovered zip ties, a brassiere with what appeared to be bloodstains, and a black leather work glove with possible bloodstains.
- A search warrant was obtained for Dulos' Ford Raptor and for the garage of 4 Jefferson Crossing, where the vehicle was housed. Photographs of Dulos' Raptor were used to match specific elements (e.g., stickers) on that vehicle to individual aspects of the vehicle depicted on Hartford Police surveillance footage.
- Hartford Police footage also showed a Caucasian female participating in the disposal of items. This female matched the physical appearance of Michelle Troconis.
- At 1941 hours, Dulos' handset left the Hartford area and returned to his residence at 4 Jefferson Crossing.
- A residential surveillance system adjacent to Dulos' property at 4 Jefferson Crossing showed a black Ford Raptor pulling into Dulos' driveway at 2012 hours. A male matching the description of the male depicted in Hartford exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the Raptor and pulled further onto the property and out of camera range.

12. Based upon their training and experience, and the specific details involved in this case, your affiants believe that the victim, Jennifer Dulos, is a victim of an initial crime which occurred at 69 Welles Lane in New Canaan. Furthermore, your affiants believe there to be Probable Cause that the property of 80/84/88 Mountain Spring Road is a likely secondary crime scene. Your affiants request the authority to enter the properties located at 80, 84, and 88 Mountain Spring Road, Farmington CT 06032, which are owned by the Fore Group Inc., a business owned and operated by Fotis Dulos.

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge / judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein with forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;

In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43 (a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

SEARCH AND SEIZURE WARRANT

STATE OF CONNECTICUT
SUPERIOR COURT

SEARCH AND SEIZURE WARRANT

The foregoing Affidavit and Application for Search and Seizure Warrant having been presented to and been considered by the undersigned, a Judge of the Superior Court or a Judge Trial Referee, and the foregoing Affidavit having been subscribed and sworn to by the affiant(s) before me at the time it was presented, the undersigned (a) is satisfied therefrom that grounds exist for said application, and (b) finds that said affidavit established grounds and probable cause for the undersigned to issue this Search and Seizure Warrant, such probable cause being the following: From said affidavit, the undersigned finds that there is probable cause for the undersigned to believe that the property described in the foregoing affidavit and application is within or upon the person, if any, named or described in the foregoing affidavit and application, or the place or thing, if any, described in the foregoing affidavit and application, under the conditions and circumstances set forth in the foregoing affidavit and application, and that, therefore, a Search and Seizure warrant should issue for said property.

NOW THEREFORE, by Authority of the State of Connecticut, I hereby command any Police Officer of a regularly organized police department, any State Police Officer, any inspector in the Division of Criminal Justice, or any conservation officer, special conservation officer or patrol officer acting pursuant to C.G.S. § 26-6 to whom these presents shall come within ten days after the date of this warrant to enter into or upon and search the place or thing described in the foregoing affidavit and application, or search the person described in the foregoing affidavit and application or both, to wit:

The property located at 4 Jefferson Crossing, Farmington, CT, 06032. The residence is a large (10,000 square foot) 2 1/2 story colonial, brick construction. The four-bay garage is accessed from the rear of the residence via a paved drive-thru along the west portion of the structure. A large (approximately 2,000 square foot) parking area is located to the rear (south side) of the residence.

for the property described in the foregoing affidavit and application, to wit:

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. Both have investigated criminal death and serious assault incidents during our years assigned to the Investigative Section. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00 PM, New Canaan Police Department (NCPD) received a call from a friend Jennifer Dulos who had come to the police department out of concern for Jennifer's wellbeing. The witness reported she had received a phone call from a nanny who was with four of Jennifer's five children in New York city and who reported that Jennifer had failed to show up for an orthodontist appointment for her children and for two pre-scheduled doctor appointments for Jennifer, herself. The first missed appointment was scheduled at 10:30 AM that morning. Jennifer's friend had made multiple attempts to contact her by phone but had been unable to do so. The friend advised that Jennifer would have called if she was unable to make it to New York, and that she would never have left her children. The friend expressed her concern for Jennifer's welfare based upon the fact that Jennifer had been involved in a highly contentious divorce and custody battle with her husband, Fotis Dulos.

3. That the friend and the nanny provided Jennifer's residential address as 69 Welles Lane, New Canaan CT. NCPD Sergeant LaTourette and Officer Blank responded to the residence and were met by the nanny. The officers attempted to raise someone at the residence, and were unsuccessful. Another vehicle was found parked in the center bay of a three-bay garage. The nanny then provided officers with the code to the garage doors, which they used to access the house to search for Jennifer on an exigent basis, concerned she may be sick or injured within the household.

4. That as they walked through the garage towards the interior door, officers noted several areas of what appeared to be fresh stains on the garage floor which had the general appearance of blood. Additional stains were found along the driver's side of the vehicle parked in the center bay. The vehicle was determined to have a blood spatter along its driver side. (Subsequent scene processing via a lawful Search & Seizure Warrant determined these stains tested positive for blood.) When Sgt. LaTourette and Officer Blank entered the home and noted no evidence of disturbance inside and they found no persons.

5. That the nanny provided officers with Jennifer's cellular phone number: Verizon cellular number 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to determine the device's location. Verizon confirmed that the cellphone was last

active on 05/24/19 at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Wavy Park.

6. That upon learning that Jennifer Dulos may have been last driving a black Chevrolet Suburban (Connecticut passenger registration AJ69099) registered to her, officers began searching the area around the residence for the vehicle. On May 24, 2019, at approximately 8:00 PM, Captain Walsh located Jennifer Dulos' black Chevrolet along a stretch of Lapham Road, which bordered the west side of Wavy Park, a 300-acre tract of land in New Canaan. The vehicle recovery site had an approximate street address of 200 Lapham Road and it was consistent with the Verizon "ping" for the cellphone. A police canine responded to search the surrounding area with negative results.

7. That the NCPD on-call detective, Officer Thomas Patten, was called to the scene at 69 Welles Lane. Potential blood evidence was located on the garage floor and along the vehicle parked in the center garage bay.

8. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected bloodstains, Connecticut State Police were requested to assist New Canaan Police investigators. Pursuant to a lawful search warrant of the premises, CSP personnel locate a significant number of stains which tested positive for blood, evidence of a serious assault, and several factors which indicated a clean-up occurred.

9. That several electronics were seized under the residential search warrant, and additional records were obtained for phone numbers associated with the victim and her ex-husband (Dulos) under subsequent search warrants. And that your affiants are aware of the advanced capabilities of the United States Marshal Service (USMS) in identifying, locating, and tracking individuals using data associated with live cellular signals and carrier records for cellular customers/subscribers. For these reasons, the USMS was contacted and their assistance was requested to identify and locate possible suspects in this crime.

10. That during the course of this investigation, video and human sources indicated the following: On May 24, 2019, at 7:58 AM, Jennifer Dulos drove her Chevrolet Suburban (Connecticut passenger registration AJ69099) to the New Canaan Country School (635 Frogtown Road, New Canaan CT) where she dropped of her school-aged children. At 8:05 AM, Jennifer was seen on multiple residential surveillance systems returning to the 69 Welles Lane residence. At 10:25 AM, Jennifer's Chevrolet Suburban was shown leaving the residence - investigators believe at this time Jennifer was not operating the vehicle and was likely seriously injured or deceased. An analysis of data gleaned from Jennifer's cellphone records indicated her cellular device arrived in the area of 200 Lapham Road in New Canaan at approximately 10:38 AM and remained in the area until 11:09 AM, at which time the device was no longer on the network.

11. The Servicer Providers named in this Order are required to disclose all records and other information (not including the contents of communications) about all communications made using the cell tower during the corresponding timeframes listed, including the records which identify: The telephone call number and unique identifiers for each wireless device in the vicinity of the tower ("the locally served wireless device") that registered with the tower, including the Electronic Serial Numbers ("ESN"), Mobility Electronic Identity Numbers ("MEIN"), Mobile Identification Numbers ("MIN"), Subscriber Identity Modules ("SIM"), Mobile Subscriber Integrated Services Digital Network Numbers ("MSISDN"), International Mobile Subscriber Identifier ("IMSI"), and International Mobile Equipment Identities ("IMEI"). It is further ordered that the Service Providers shall not disclose the existence of the application, or the existence of this Order, to any other person, unless and until authorized to do so by the Court. It is further ordered that the application and this Order are sealed until otherwise ordered by the Court.

12. That your affiants' training and experience, in addition to that of the detectives and van personnel who are members of the Connecticut State Police and are assisting in this investigation, have a strong belief that the physical evidence and anecdotal information developed thus far strongly suggests that the victim, Jennifer Dulos, is deceased following a serious physical assault which occurred on May 24, 2019, at approximately 8:30 AM at the residence located at 69 Welles Lane in New Canaan, Connecticut. Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

13. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: AT&T (11760 US Highway 1, North Palm Beach, FL 33408); to provide a "Tower Dump" for the Base Transceiver station(s) responsible for the locations of:

635 Frogtown Road, New Canaan: 05/24/19 from 7:45 AM to 8:20 AM (EST)

69 Welles Lane, New Canaan - 05/24/19 from 10:10 AM to 10:45 AM (EST)

200 Lapham Road, New Canaan - 05/24/19 from 10:25 to 11:25 AM (EST)

It is requested that all records and returns on the Tower Dumps be provided the United States Marshals Service.

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43(a);

and the specific details with regard to such reasons are as follows:

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. Both have investigated criminal death and serious assault incidents during our years assigned to the Investigative Section. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00 PM, New Canaan Police Department (NCPD) received a call from a friend Jennifer Dulos who had come to the police department out of concern for Jennifer's wellbeing. The witness reported she had received a phone call from a nanny who was with four of Jennifer's five children in New York city and who reported that Jennifer had failed to show up for an orthodontist appointment for her children and for two pre-scheduled doctor appointments for Jennifer, herself. The first missed appointment was scheduled at 10:30 AM that morning. Jennifer's friend had made multiple attempts to contact her by phone but had been unable to do so. The friend advised that Jennifer would have called if she was unable to make it to New York, and that she would never have left her children. The friend expressed her concern for Jennifer's welfare based upon the fact that Jennifer had been involved in a highly contentious divorce and custody battle with her husband, Fotis Dulos.

3. That the friend and the nanny provided Jennifer's residential address as 69 Welles Lane, New Canaan CT. NCPD Sergeant LaTourette and Officer Blank responded to the residence and were met by the nanny. The officers attempted to raise someone at the residence, and were unsuccessful. Another vehicle was found parked in the center bay of a three-bay garage. The nanny then provided officers with the code to the garage doors, which they used to access the house to search for Jennifer on an exigent basis, concerned she may be sick or injured within the household.

That as they walked through the garage towards the interior door, officers noted several areas of what appeared to be fresh stains on the garage floor which had the general appearance of blood. Additional stains were found along the driver's side of the vehicle parked in the center bay. The vehicle was determined to have a blood spatter along its driver side. (Subsequent scene processing via a lawful Search & Seizure Warrant determined these stains tested positive for blood.) When Sgt. LaTourette and Officer Blank entered the home and noted no evidence of disturbance inside and they found no persons.

That the nanny provided officers with Jennifer's cellular phone number: Verizon cellular number 9-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to determine the device's location. Verizon confirmed that the cellphone was last

active on 05/24/19 at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

9. That upon learning that Jennifer Dulos may have been last driving a black Chevrolet Suburban Connecticut passenger registration AJ69099) registered to her, officers began searching the area around the residence for the vehicle. On May 24, 2019, at approximately 8:00 PM, Captain Walsh located Jennifer Dulos' black Chevrolet along a stretch of Lapham Road, which bordered the west side of Waveny Park, a 300-acre tract of land in New Canaan. The vehicle recovery site had an approximate street address of 200 Lapham Road and it was consistent with the Verizon "ping" for the cellphone. A police canine responded to search the surrounding area with negative results.

10. That the NCPD on-call detective, Officer Thomas Patten, was called to the scene at 69 Welles Lane. Potential blood evidence was located on the garage floor and along the vehicle parked in the center garage bay.

11. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected bloodstains, Connecticut State Police were requested to assist New Canaan Police investigators. Pursuant to a lawful search warrant of the premises, CSP personnel locate a significant number of stains which tested positive for blood, evidence of a serious assault, and several factors which indicated a clean-up occurred.

12. That several electronics were seized under the residential search warrant, and additional records were obtained for phone numbers associated with the victim and her ex-husband (Dulos) under subsequent search warrants. And that your affiants are aware of the advanced capabilities of the United States Marshal Service (USMS) in identifying, locating, and tracking individuals using data associated with live cellular signals and carrier records for cellular customers/subscribers. For these reasons, the USMS was contacted and their assistance was requested to identify and locate possible suspects in this crime.

13. That during the course of this investigation, video and human sources indicated the following: On May 24, 2019, at 7:58 AM, Jennifer Dulos drove her Chevrolet Suburban (Connecticut passenger registration AJ69099) to the New Canaan Country School (635 Frogtown Road, New Canaan CT) where she dropped off her school-aged children. At 8:05 AM, Jennifer was seen on multiple residential surveillance systems returning to the 69 Welles Lane residence. At 10:25 AM, Jennifer's Chevrolet Suburban was shown leaving the residence - investigators believe at this time Jennifer was not operating the vehicle and was likely seriously injured or deceased. An analysis of data gleaned from Jennifer's cellphone records indicated her cellular device arrived in the area of 200 Lapham Road in New Canaan at approximately 11:38 AM and remained in the area until 11:09 AM, at which time the device was no longer on the network.

11. The Service Providers named in this Order are required to disclose all records and other information (not including the contents of communications) about all communications made using the cell tower during the corresponding timeframes listed, including the records which identify: The telephone call number and unique identifiers for each wireless device in the vicinity of the tower ("the locally served wireless device") that registered with the tower, including the Electronic Serial Numbers ("ESN"), Mobility Electronic Identity Numbers ("MEIN"), Mobile Identification Numbers ("MIN"), Subscriber Identity Modules ("SIM"), Mobile Subscriber Integrated Services Digital Network Numbers ("MSISDN"), International Mobile Subscriber Identifier ("IMSI"), and International Mobile Equipment Identities ("IMEI"). It is further ordered that the Service Providers shall not disclose the existence of the application, or the existence of this Order, to any other person, unless and until authorized to do so by the Court. It is further ordered that the application and this Order are sealed until otherwise ordered by the Court.

2. That your affiants' training and experience, in addition to that of the detectives and van personnel who are members of the Connecticut State Police and are assisting in this investigation, have a strong belief that the physical evidence and anecdotal information developed thus far strongly suggests that the victim, Jennifer Dulos, is deceased following a serious physical assault which occurred on May 24, 2019, at approximately 8:30 AM at the residence located at 69 Welles Lane in New Canaan, Connecticut. Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

3. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: Cellco Partnership d/b/a Verizon Wireless (Attn: Custodian of Records, 180 Washington Valley Road, Edminster, NJ 07921) to provide a "Tower Dump" for the Base Transceiver station(s) responsible for the locations of:

35 Frogtown Road, New Canaan: 05/24/19 from 7:45 AM to 8:20 AM (EST)

69 Welles Lane, New Canaan - 05/24/19 from 10:10 AM to 10:45 AM (EST)

10 Lapham Road, New Canaan - 05/24/19 from 10:25 to 11:25 AM (EST)

It is requested that all records and returns on the Tower Dumps be provided the United States Marshals Service.

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department and both have been assigned sudden death investigations as well as serious assault incidents and have received training in these areas. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.
3. NCPD officers responded to the residence and tried to raise someone at the home, without success. The family nanny provided access to the residence in an attempt to locate Jennifer and check on her welfare. Officers cleared the home and found no persons inside.
4. During their check of the residence, officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.
5. New Canaan Police searched the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road near Waveny Park in New Canaan, approximately three miles from Jennifer's residence. A check of the vehicle and exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines was unable to locate Jennifer.
6. Out of concern that Jennifer Dulos may have been the victim of foul play, the New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for assistance.
7. Under the authority of a Mincey Search Warrant, the WDMCS van processed the 69 Welles Lane residence and found evidence of a significant assault as well as clean-up efforts. Based upon these results and other factors - e.

g., Jennifer's continued absence - investigators consider it likely that Jennifer Dulos was the victim of a homicide.

8. A check of Department of Motor Vehicle files listed multiple vehicles registered to the Fore Group, LLC - a company owned by Jennifer's ex-husband, Fotis Dulos (hereinafter "Dulos"). One vehicle listed was a 2015 Chevrolet K1500 Suburban (CT Passenger plate 9745CC; VIN: 1GNSKJKC2FR191271).

9. Investigators conducted multiple canvasses for witnesses and video sources showed that no vehicles other than Jennifer's 2017 Chevrolet Suburban entered or left the driveway of 69 Welles Lane. This was considered an indication that person(s) involved in Jennifer's disappearance entered the residence from an area not covered by surveillance cameras.

10. Investigation revealed that Dulos has a current girlfriend identified as Michelle Troconis. Dulos and Troconis have, thus far, refused to cooperate with investigators in this case.

11. A check of a law enforcement database listed an accident which had occurred on 05/17/19 on I-84 in Tolland involving the 2015 Chevrolet Suburban. Troconis was listed as the claimant driver. Photographs associated with the claim documented damage to the left front quarter panel of the vehicle.

12. Investigators located surveillance video from a residence located at 7 Thurton Drive - a dead end street, the end of which is approximately six hundred feet southwest of the 69 Welles Lane residence. The surveillance showed what appeared to be a dark-colored Chevrolet Suburban. The surveillance footage shows what appears to be damage to the vehicle's front left quarter panel. Resolution and obstruction factors involved in the footage prevented investigators from determining whether the vehicle shown on the Thurton Drive footage was outfitted with a removable Thule cargo carrier affixed to the roof rack of the Chevrolet. Footage appeared to show the same damage to the vehicle's front left quarter panel as depicted on the insurance photographs.

13. Investigators provided the surveillance footage from Thurton Drive to a Hartford Police Department Video Unit for any possible enhancement. The results remained consistent with the known damage to the 2015 Chevrolet Suburban (CT plate 9745CC).

SEARCH AND SEIZURE WARRANT

STATE OF CONNECTICUT
SUPERIOR COURT

SEARCH AND SEIZURE WARRANT

The foregoing Affidavit and Application for Search and Seizure Warrant having been presented to and been considered by the undersigned, a Judge of the Superior Court or a Judge Trial Referee, and the foregoing Affidavit having been subscribed and sworn to by the affiant(s) before me at the time it was presented, the undersigned (a) is satisfied therefrom that grounds exist for said application, and (b) finds that said affidavit established grounds and probable cause for the undersigned to issue this Search and Seizure Warrant, such probable cause being the following: From said affidavit, the undersigned finds that there is probable cause for the undersigned to believe that the property described in the foregoing affidavit and application is within or upon the person, if any, named or described in the foregoing affidavit and application, or the place or thing, if any, described in the foregoing affidavit and application, under the conditions and circumstances set forth in the foregoing affidavit and application, and that, therefore, a Search and Seizure warrant should issue for said property.

NOW THEREFORE, by Authority of the State of Connecticut, I hereby command any Police Officer of a regularly organized police department, any State Police Officer, any inspector in the Division of Criminal Justice, or any conservation officer, special conservation officer or patrol officer acting pursuant to C.G.S. § 26-6 to whom these presents shall come within ten days after the date of this warrant to enter into or upon and search the place or thing described in the foregoing affidavit and application, or search the person described in the foregoing affidavit and application or both, to wit:

2015 Chevrolet K1500 Suburban, color: black, VIN: 1GNSKJKC2FR191271, R/O: Fore Group, Inc. (R/O address: 4 Jefferson Crossing, Farmington CT) located at CSP Troop L (452-A Bantam Road, Litchfield CT).

for the property described in the foregoing affidavit and application, to wit:

Blood, saliva, physiological fluids, secretions, and genetic material, hair, fibers, fingerprints, palm prints, footprints, shoe prints, dirt, dust and soil, paint samples, and items that may contain traces thereof; firearms, ammunition, cartridge casings, firearms accessories, gunshot residue, hatchets, axes, knives and other sharp force instruments and cutting tools, blunt force instruments, glass and plastic fragments, marks of tools used to gain access to locked premises or containers; cellular telephones and electronic communication devices to include SIM cards, computers and electronic storage media, digital imaging devices; infotainment system / vehicle electronics; and handwritten notes and correspondence by, to, or from the victim. The evidence will be collected and submitted to the Department of Emergency Services and Public Protection Forensic Science Laboratory located at 278 Colony St., in Meriden, CT, for physical examination, scientific testing and forensic analysis and or any other qualified law enforcement facility.

submit the property described in the foregoing affidavit and application to laboratory analysis and examination:

The evidence collected will be submitted to the Department of Public Safety Forensic Science Laboratory located at 278 Colony St in Meriden, CT and or any other qualified law enforcement facility for physical examination, scientific testing and forensic analysis.

and upon finding said property to seize the same, take and keep it in custody until the further order of the court, and with reasonable promptness make due return of this warrant accompanied by a written inventory of all property seized.

The foregoing request that the judge or judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the warrant application and affidavit(s) in support of the warrant be given to the owner, occupant or person named therein and that the affidavit in support of such request also be included in such nondelivery is hereby:

GRANTED for a period of NOT TO EXCEED 2 WEEKS BEYOND DATE WARRANT IS EXECUTED
14 days

This order, or any extension thereof, dispensing with said requirement shall not limit disclosure of such application and affidavits to the attorney for a person arrested in connection with or subsequent to the execution of the search warrant unless, upon motion of the prosecuting authority within two weeks of such arraignment the court finds that the state's interest in continuing nondisclosure substantially outweighs the defendant's right to disclosure.

DENIED.

Service of this Search Warrant upon the customer whose financial records are being sought is hereby waived, pursuant to C.G.S. § 36a-43 (a).

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department and both have been assigned sudden death investigations as well as serious assault incidents and have received training in these areas. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
 2. That on May 24, 2019, and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.
 3. NCPD officers responded to the residence and tried to raise someone at the home, without success. The family nanny provided access to the residence in an attempt to locate Jennifer and check on her welfare. Officers cleared the home and found no persons inside.
 4. During their check of the residence, officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.
 5. New Canaan Police searched the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road near Waveny Park in New Canaan, approximately three miles from Jennifer's residence. A check of the vehicle and exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines was unable to locate Jennifer.
 6. Out of concern that Jennifer Dulos may have been the victim of foul play, the New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for assistance.
 7. Under the authority of a Mincey Search Warrant, the WDMCS van processed the 69 Welles Lane residence and found evidence of a significant assault as well as clean-up efforts. Based upon these results and other factors - e.

g., Jennifer's continued absence - investigators consider it likely that Jennifer Dulos was the victim of a homicide.

8. A check of Department of Motor Vehicle files listed multiple vehicles registered to the Fore Group, LLC - a company owned by Jennifer's ex-husband, Fotis Dulos (hereinafter "Dulos"). One vehicle listed was a 2014 Ford F150 SVT Raptor, color: black, bearing CT Passenger plate 910YFC, VIN:1FTFW1R62EFC06852).

9. Investigation revealed that Dulos has a current girlfriend identified as Michelle Troconis, who both reside at 4 Jefferson Crossing in Farmington, CT. Dulos and Troconis have, thus far, refused to cooperate with investigators in this case.

10. On 05/25/19 at 1447 hours, investigators seized the cellular handset from Dulos and obtained a search and seizure warrant to conduct a forensic download on the device. Resulting information included the fact that on 05/24/19 (the date of the suspected murder), Dulos' Apple iPhone X left his residence in Farmington at approximately 1910 hours and traveled to the area of Albany Avenue in the city of Hartford, arriving at approximately 1940 hours. The device made several documented stops in the area until approximately 1941 hours, at which time Dulos' phone traveled back towards Farmington. It arrived at the 4 Jefferson Crossing, Farmington residence at approximately 2010 hours.

11. Detectives obtained video surveillance from an adjacent residence which provided a view of Dulos' residence (4 Jefferson Crossing). Surveillance footage showed Dulos arriving home on 05/24/19 at 2010 hours. Dulos is seen stopping his black Ford Raptor (CT Passenger plate 910YFC) at the mouth of his driveway, exiting his vehicle, and walked to his mailbox. Dulos appears to be wearing a white-colored t-shirt and black colored pants.

12. On 05/30/19 investigators received information from the Hartford Police Department Vice/Intelligence/ Narcotics Division provided intelligence that the HPD surveillance system had detected a black Ford Raptor pickup truck making several stops in the area of Albany Avenue in Hartford. HPD video showed a Caucasian male wearing a white colored shirt and black pants, and a Caucasian female with reddish/brown hair exiting the pickup truck and dumping multiple garbage bags into commercial dumpsters. The male and the female are shown dumping garbage bags into multiple trash receptacles. The movements of the Ford Raptor around the city of Hartford is consistent with the forensic download of Dulos' cellphone. At one such dumpsite, the suspects are seen disposing of a rug.

13. Based upon their training and experience, and the specific details involved in this case, your affiants believe that the victim, Jennifer Dulos, is a victim of a Homicide and that her body and the remnants of a crime scene cleanup were removed from the 69 Welles Lane residence in at least one vehicle. Given the above facts, your affiants and other investigators believe that one of the vehicle involved in the disposal of material from this scene was the 2014 Ford F150 SVT Raptor, color: black, bearing CT Passenger plate 910YFC, VIN:1FTFW1R62EFC06852 registered to the Fore Group, LLC, a company owned and operated by the victim's ex-husband, Fotis Dulos.

14. Based on the above facts and circumstances, your affiants request authorization to search the 2014 Ford F150 SVT Raptor, color: black, bearing CT Passenger plate 910YFC, VIN:1FTFW1R62EFC06852 and seize items from therein. Your affiants further request authority to submit items (e. g., electronic components) seized from within the vehicle to the Department of Public Safety Forensic Science Laboratory located at 278 Colony Street in Meriden, CT and/or any other qualified law enforcement facility for physical examination, scientific testing and forensic analysis.

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge / judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein with forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;

In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43 (a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department and both have been assigned sudden death investigations as well as serious assault incidents and have received training in these areas. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success. NCPD officers responded to the residence and tried to raise someone at the home, without success. The family nanny provided access to the residence in an attempt to locate Jennifer and check on her welfare. Officers cleared the home and found no persons inside.

3. A Missing Person investigation ensued, with the assistance of the Connecticut State Police, the New York State Police, the F.B.I., and the United States Marshals Service. Investigation developed significant evidence that Jennifer Dulos was the victim of a violent crime, and was likely killed in her residence during the morning hours of 05/24/19.

4. Investigators attempted to gain the cooperation of Jennifer Dulos' ex-husband, Fitos Dulos (hereinafter "Dulos"), and Dulos current live-in girlfriend, Michelle Troconis. According to Department of Motor Vehicle records and anecdotal information, both Dulos and Troconis reside at 4 Jefferson Crossing in Farmington, CT. Neither Dulos nor Troconis have cooperated with investigators in locating Jennifer Dulos.

5. That based on the facts developed in this investigation thus far, your affiants have obtained a separate search and seizure warrant for a vehicle believed to be connected to this crime:

2014 Ford F150 SVT Raptor, color: black, bearing CT Passenger plate 910YFC, VIN: 1FTFW1R62EFC06852, a vehicle registered to the Fore Group, LLC, a company owned and operated by the victim's ex-husband (Dulos).

6. Via surveillance and residential video surveillance, investigators confirmed that the 2014 Ford SVT Raptor (CT plate 910YFC) is regularly garaged at Dulos' residence, located at 4 Jefferson Crossing in Farmington, CT. The residence is a large (10,000 square foot) 2 1/2 story colonial, brick construction. The house is located on the south side of Jefferson Crossing and it includes a paved U-shaped drive on its front (north side). The four-bay garage is accessed from the rear of the residence via a paved drive-thru along the west portion of the structure. A large (approximately 2,000 square foot) parking area is located to the rear (south side) of the residence.

7. Based upon their training and experience, and the specific details involved in this case, your affiants believe that the four-bay garage or the premises nearby does contain the 2014 Ford F150 SVT Raptor, color: black, bearing CT Passenger plate 910YFC, VIN:

1FTFW1R62EFC06852 registered to the Fore Group, LLC, a company owned and operated by the victim's ex-husband, Fotis Dulos, for which a separate search and seizure warrant has been obtained. In order to lawfully execute the vehicle warrant, it would be necessary for law enforcement to traverse the property of 4 Jefferson Crossing, without entering the residence. The vehicle would be expected to be found along the paved U-shaped driveway, the parking area to the rear (south side) of the home, or within the four-bay garage.

8. Based on the above facts and circumstances, your affiants request authorization to search the four-bay garage and the immediate exterior area of the residence located at 4 Jefferson Crossing in Farmington, CT in order to locate the 2014 Ford F150 SVT Raptor, color: black, bearing CT Passenger plate 910YFC, VIN: 1FTFW1R62EFC06852, for which a separate search and seizure warrant has been secured.

**AFFIDAVIT REQUESTING DISPENSATION WITH
REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge / judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein with forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;

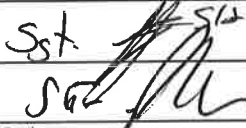

- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S. § 36a-43 (a);

and the specific details with regard to such reasons are as follows:

The search is part of a continuing investigation which would be adversely affected by the disclosure of the information contained in this affidavit.

The undersigned further requests that this affidavit also be included in such nondelivery.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Captain Andrew Walsh and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 18 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.

3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.

4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.

5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside and they found no persons.

6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That a standard investigative step included a background check of Jennifer Dulos and her ex-husband, Fotis Dulos, which listed a history of domestic calls to the 69 Welles Lane address, as well as the previous residence shared by the couple located at 4 Jefferson Crossing in Farmington. Incidents included the following:

- In June of 2017, Farmington Police received a complaint from Fotis Dulos at a time he and his wife, Jennifer Dulos, were in the process of a divorce. Jennifer Dulos packed up her belongings and left the

house along with the children. She would not answer his repeated text messages to her. He reported that she stole property when she left. Farmington Police did not pursue the matter- no Probable Cause.

- On 06/09/17 Fotis Dulos calls police to report his children missing; however, police subsequently located all five children and determined they were safe and secure.

- On 06/21/17 Farmington Police secured an unregistered firearm (Glock 19 9 mm) from Fotis Dulos pursuant to a lawful Protective Order. As of 03/08/19 a friend of Fotis Dulos had reportedly made arrangements to receive the Glock - the exact status of the firearm is currently undetermined.

- On 08/02/17 New Canaan Police were contacted by Jennifer Dulos reporting that while at a temporary rented home (153 Chichester Road, New Canaan) Fotis Dulos had engaged in a verbal dispute with her in front of their juvenile children. It was reported that Fotis Dulos had called Jennifer Dulos a "bad Mother" and made the statement that she "belongs in an asylum." Jennifer Dulos had become upset, started to cry, and had contacted New Canaan Police. No arrests were made in this incident.

- In a separate incident which was not reported to police, Almeida reported that she had heard a commotion outside the 153 Chichester Road residence. When she went outside, Jennifer Dulos was visibly upset and she told Almeida that Fotis Dulos had just tried to run her over with a vehicle.

12. That on May 25, 2019, I spoke with Lauren Almeida, Almeida confirmed that at least several times she witnessed and/or was present during an altercation between Jennifer and her husband. In June of 2017, she stated she ran out to the driveway and found Jennifer crying. Jennifer said that her husband tried to hit her with his vehicle and she needed to jump out of the way. Divorce and custody problems were in progress.

13. That on another occasion during the summer of 2017 and while Almeida was babysitting at their Farmington residence at 4 Jefferson Crossing, Almeida was present to witness Fotis Dulos chasing his wife through the house. She finally came running into the bedroom and slammed the door closed. She braced herself against the door as her husband kept pounding trying to open it. Almeida was in the bedroom at this time with one of the children and directly witnessed this. He seemed to calm down when he realized Almeida and one of his children were also in the room. Almeida said that Jennifer did not want to call the police as she was very afraid of her husband and he threatened to take the children permanently to Greece.

14. That divorce proceedings and very recent court orders concerning custody of the children have intensified the situation. On May 25, 2019, I spoke with Jennifer Dulos' attorney Reuben S. Midler. He confirmed the very contentious court battles involving divorce and custody issues. The most recent court

appearance was May 17, 2019. Midler stated that Jennifer Dulos had been granted full physical custody of the children since March 1, 2018. Since that time, Fotis Dulos has been trying to get regular visitation but on March 20, 2019, Judge Heller granted supervised visitation only to the father and in addition, the court refused to give him the right to reintroduce his children to his girlfriend. In short, he did not get what he wanted after the long process. The last time he attempted/ appeared in court was May 17, 2019. He did not prevail in court. It is noted that this last contentious and "losing" court appearance was only one week prior to the disappearance of his wife.

15. That the babysitter (Almeida) initially told investigators that arrangements had been made for the children to be brought to Farmington for a pre-scheduled visit with their father, Fotis Dulos, on May 25, 2019 at 11:00 AM (in a follow up interview she clarified this and said that the children would be picked up at Welles Lane not Farmington). On the previous evening (May 24, 2019), Fotis Dulos contacted Almeida at 8:41 PM. This was after receiving notification from New Canaan Police that his wife was missing. Despite the fact he knew his wife was currently missing, Fotis Dulos inquired about whether the children will be ready for transfer on the following day. Fotis Dulos discussed with Almeida the need for her to leave early to arrive on time so he could take his children. Additionally, Fotis Dulos appeared "unconcerned" that his wife was missing and only talked about not missing the 11:00 AM transfer time. She said this was very unusual as she is never supposed to be involved in any transfer of the children. She told him that she was waiting for instructions from the police. He texted her again later to ask for an update.

16. That the information provided by Fotis Dulos - specifically that he is the one traveling to New Canaan in order to go pick up his children - is in conflict with the arranged plans that Fotis Dulos, himself, acknowledged to the family babysitter, Lauren Almeida, when he told her to make sure she left early for Farmington so as to not miss the scheduled 10:00AM meeting time. These communications occurred by cellular telephone.

17. That on May 25, 2019, at approximately 1440 hours, Fotis Dulos and his attorney Jacob Pyetranker arrived at New Canaan Police Headquarters for a voluntary interview. Detective Allegro was provided a cellular telephone by Fotis Dulos, who indicated it was his telephone and who also provided the four digit code to unlock it. Investigators observed that it was an Apple iPhone model X. When he learned that his iPhone was being seized by police, he objected several times and demanded the return of his telephone. It was explained that the telephone may contain information that would help ascertain the whereabouts of his missing ex-wife and he was afforded several opportunities to provide and sign a consent form. He did not provide consent and instead terminated any interview. He left with his attorney.

18. That the court orders concerning the on-going custody issues were most recently modified on March 20, 2019, which resulted in more court monitored communication by text and emails between Jennifer and Fotis Dulos, as well as supervised visitation with the children. Prior to this modification communication between the parents was restricted by court order.

19. That your affiants are aware through their training and experience that many people, including witnesses, victims, and suspects, carry and use cellular phones as a part of daily life while traveling. People who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of potential witness(es) or persons knowing the victim(s), who may have communicated by way of a telephone.

20. That your affiants know through their training and experience that a modern cellular telephone handset stores data relating to the telephone's usage. This data includes call logs, calls places, calls received, stored telephone numbers, text messaging, email messages, video files, image files, and audio files, and location data. Your affiants further know through training and experience that this data, even if deleted, may sometimes be retrieved through forensic examinations conducted by properly trained and equipped personnel within a Digital Forensic Laboratory. Obtaining such information could help investigators in locating victims and additional evidence, as well as identifying possible participants in criminal activities.

21. That your affiants know through their training and experience that a cellular telephone has become a virtual biographer of a person's daily activities. Data within a cellular telephone can log who a person talks to and when these conversations occurred. The data may include information that includes call logs, pictures, and a contact list of known acquaintances or friends. Due to this potential of abundance of data, a cellular telephone has become an indispensable piece of evidence in criminal investigations.

22. That your affiants also know through their training and experience that the data (as defined by Section §53a-250(8) C.G.S.) contained within cellular telephones is and can be useful in identifying the actual owner of the telephone, who may have been using the telephone by examining the calls or messaging sent, received or missed. Further, the data contained within the telephone handset is useful to investigators in that it may show communication between a victim, a suspect and conspirator(s) or other potential valuable witness(s) prior to, during or after the time of the crime or incident.

23. That your affiants know through their training and experience that cellular telephone records are stored in the form of data on a cellular telephone and their related media. This data remains resident on the cellular telephone even if it has been turned off or not used for a long period of time. This cellular telephone data can be extracted and preserved by properly trained and equipped personnel within a Digital Forensics Laboratory. Some data, although deleted, may be recovered and preserved by properly trained and equipped personnel within a Digital Forensic Laboratory.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. Both have investigated criminal death and serious assault incidents during our years assigned to the Investigative Section. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00 PM, New Canaan Police Department (NCPD) received a call from a friend Jennifer Dulos who had come to the police department out of concern for Jennifer's wellbeing. The witness reported she had received a phone call from a nanny who was with four of Jennifer's five children in New York city and who reported that Jennifer had failed to show up for an orthodontist appointment for her children and for two pre-scheduled doctor appointments for Jennifer, herself. The first missed appointment was scheduled at 10:30 AM that morning. Jennifer's friend had made multiple attempts to contact her by phone but had been unable to do so. The friend advised that Jennifer would have called if she was unable to make it to New York, and that she would never have left her children. The friend expressed her concern for Jennifer's welfare based upon the fact that Jennifer had been involved in a highly contentious divorce and custody battle with her husband, Fotis Dulos.

3. That the friend and the nanny provided Jennifer's residential address as 69 Welles Lane, New Canaan CT. NCPD Sergeant LaTourette and Officer Blank responded to the residence and were met by the nanny. The officers attempted to raise someone at the residence, and were unsuccessful. Another vehicle was found parked in the center bay of a three-bay garage. The nanny then provided officers with the code to the garage doors, which they used to access the house to search for Jennifer on an exigent basis, concerned she may be sick or injured within the household.

4. That as they walked through the garage towards the interior door, officers noted several areas of what appeared to be fresh stains on the garage floor which had the general appearance of blood. Additional stains were found along the driver's side of the vehicle parked in the center bay. The vehicle was determined to have a blood spatter along its driver side. (Subsequent scene processing via a lawful Search & Seizure Warrant determined these stains tested positive for blood.) When Sgt. LaTourette and Officer Blank entered the home and noted no evidence of disturbance inside and they found no persons.

5. That the nanny provided officers with Jennifer's cellular phone number: Verizon cellular number 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to determine the device's location. Verizon confirmed that the cellphone was last

active on 05/24/19 at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

6. That upon learning that Jennifer Dulos may have been last driving a black Chevrolet Suburban (Connecticut passenger registration AJ69099) registered to her, officers began searching the area around the residence for the vehicle. On May 24, 2019, at approximately 8:00 PM, Captain Walsh located Jennifer Dulos' black Chevrolet along a stretch of Lapham Road, which bordered the west side of Waveny Park, a 300-acre tract of land in New Canaan. The vehicle recovery site had an approximate street address of 200 Lapham Road and it was consistent with the Verizon "ping" for the cellphone. A police canine responded to search the surrounding area with negative results.

7. That the NCPD on-call detective, Officer Thomas Patten, was called to the scene at 69 Welles Lane. Potential blood evidence was located on the garage floor and along the vehicle parked in the center garage bay.

8. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected bloodstains, Connecticut State Police were requested to assist New Canaan Police investigators. Pursuant to a lawful search warrant of the premises, CSP personnel locate a significant number of stains which tested positive for blood, evidence of a serious assault, and several factors which indicated a clean-up occurred.

9. That several electronics were seized under the residential search warrant, and additional records were obtained for phone numbers associated with the victim and her ex-husband (Dulos) under subsequent search warrants. And that your affiants are aware of the advanced capabilities of the United States Marshal Service (USMS) in identifying, locating, and tracking individuals using data associated with live cellular signals and carrier records for cellular customers/subscribers. For these reasons, the USMS was contacted and their assistance was requested to identify and locate possible suspects in this crime.

10. That during the course of this investigation, video and human sources indicated the following: On May 24, 2019, at 7:58 AM, Jennifer Dulos drove her Chevrolet Suburban (Connecticut passenger registration AJ69099) to the New Canaan Country School (635 Frogtown Road, New Canaan CT) where she dropped of her school-aged children. At 8:05 AM, Jennifer was seen on multiple residential surveillance systems returning to the 69 Welles Lane residence. At 10:25 AM, Jennifer's Chevrolet Suburban was shown leaving the residence - investigators believe at this time Jennifer was not operating the vehicle and was likely seriously injured or deceased. An analysis of data gleaned from Jennifer's cellphone records indicated her cellular device arrived in the area of 200 Lapham Road in New Canaan at approximately 10:38 AM and remained in the area until 11:09 AM, at which time the device was no longer on the network.

11. The Servicer Providers named in this Order are required to disclose all records and other information (not including the contents of communications) about all communications made using the cell tower during the corresponding timeframes listed, including the records which identify: The telephone call number and unique identifiers for each wireless device in the vicinity of the tower ("the locally served wireless device") that registered with the tower, including the Electronic Serial Numbers ("ESN"), Mobility Electronic Identity Numbers ("MEIN"), Mobile Identification Numbers ("MIN"), Subscriber Identity Modules ("SIM"), Mobile Subscriber Integrated Services Digital Network Numbers ("MSISDN"), International Mobile Subscriber Identifier ("IMSI"), and International Mobile Equipment Identities ("IMEI"). It is further ordered that the Service Providers shall not disclose the existence of the application, or the existence of this Order, to any other person, unless and until authorized to do so by the Court. It is further ordered that the application and this Order are sealed until otherwise ordered by the Court.

12. That your affiants' training and experience, in addition to that of the detectives and van personnel who are members of the Connecticut State Police and are assisting in this investigation, have a strong belief that the physical evidence and anecdotal information developed thus far strongly suggests that the victim, Jennifer Dulos, is deceased following a serious physical assault which occurred on May 24, 2019, at approximately 8:30 AM at the residence located at 69 Welles Lane in New Canaan, Connecticut. Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

13. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: T-Mobile USA (4 Sylvan Way, Parsippany, NJ 07054); to provide a "Tower Dump" for the Base Transceiver station(s) responsible for the locations of:

635 Frogtown Road, New Canaan: 05/24/19 from 7:45 AM to 8:20 AM (EST)

69 Welles Lane, New Canaan - 05/24/19 from 10:10 AM to 10:45 AM (EST)

200 Lapham Road, New Canaan - 05/24/19 from 10:25 to 11:25 AM (EST)

It is requested that all records and returns on the Tower Dumps be provided the United States Marshals Service.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. Both have investigated criminal death and serious assault incidents during our years assigned to the Investigative Section. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00 PM, New Canaan Police Department (NCPD) received a call from a friend Jennifer Dulos who had come to the police department out of concern for Jennifer's wellbeing. The witness reported she had received a phone call from a nanny who was with four of Jennifer's five children in New York city and who reported that Jennifer had failed to show up for an orthodontist appointment for her children and for two pre-scheduled doctor appointments for Jennifer, herself. The first missed appointment was scheduled at 10:30 AM that morning. Jennifer's friend had made multiple attempts to contact her by phone but had been unable to do so. The friend advised that Jennifer would have called if she was unable to make it to New York, and that she would never have left her children. The friend expressed her concern for Jennifer's welfare based upon the fact that Jennifer had been involved in a highly contentious divorce and custody battle with her husband, Fotis Dulos.
3. That the friend and the nanny provided Jennifer's residential address as 69 Welles Lane, New Canaan CT. NCPD Sergeant LaTourette and Officer Blank responded to the residence and were met by the nanny. The officers attempted to raise someone at the residence, and were unsuccessful. Another vehicle was found parked in the center bay of a three-bay garage. The nanny then provided officers with the code to the garage doors, which they used to access the house to search for Jennifer on an exigent basis, concerned she may be sick or injured within the household.
4. That as they walked through the garage towards the interior door, officers noted several areas of what appeared to be fresh stains on the garage floor which had the general appearance of blood. Additional stains were found along the driver's side of the vehicle parked in the center bay. The vehicle was determined to have a blood spatter along its driver side. (Subsequent scene processing via a lawful Search & Seizure Warrant determined these stains tested positive for blood.) When Sgt. LaTourette and Officer Blank entered the home and noted no evidence of disturbance inside and they found no persons.
5. That the nanny provided officers with Jennifer's cellular phone number: Verizon cellular number 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to determine the device's location. Verizon confirmed that the cellphone was last

active on 05/24/19 at 11:09 AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

6. That upon learning that Jennifer Dulos may have been last driving a black Chevrolet Suburban (Connecticut passenger registration AJ69099) registered to her, officers began searching the area around the residence for the vehicle. On May 24, 2019, at approximately 8:00 PM, Captain Walsh located Jennifer Dulos' black Chevrolet along a stretch of Lapham Road, which bordered the west side of Waveny Park, a 300-acre tract of land in New Canaan. The vehicle recovery site had an approximate street address of 200 Lapham Road and it was consistent with the Verizon "ping" for the cellphone. A police canine responded to search the surrounding area with negative results.

7. That the NCPD on-call detective, Officer Thomas Patten, was called to the scene at 69 Welles Lane. Potential blood evidence was located on the garage floor and along the vehicle parked in the center garage bay.

8. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected bloodstains, Connecticut State Police were requested to assist New Canaan Police investigators. Pursuant to a lawful search warrant of the premises, CSP personnel locate a significant number of stains which tested positive for blood, evidence of a serious assault, and several factors which indicated a clean-up occurred.

9. That several electronics were seized under the residential search warrant, and additional records were obtained for phone numbers associated with the victim and her ex-husband (Dulos) under subsequent search warrants. And that your affiants are aware of the advanced capabilities of the United States Marshal Service (USMS) in identifying, locating, and tracking individuals using data associated with live cellular signals and carrier records for cellular customers/subscribers. For these reasons, the USMS was contacted and their assistance was requested to identify and locate possible suspects in this crime.

10. That during the course of this investigation, video and human sources indicated the following: On May 24, 2019, at 7:58 AM, Jennifer Dulos drove her Chevrolet Suburban (Connecticut passenger registration AJ69099) to the New Canaan Country School (635 Frogtown Road, New Canaan CT) where she dropped off her school-aged children. At 8:05 AM, Jennifer was seen on multiple residential surveillance systems returning to the 69 Welles Lane residence. At 10:25 AM, Jennifer's Chevrolet Suburban was shown leaving the residence - investigators believe at this time Jennifer was not operating the vehicle and was likely seriously injured or deceased. An analysis of data gleaned from Jennifer's cellphone records indicated her cellular device arrived in the area of 200 Lapham Road in New Canaan at approximately 10:38 AM and remained in the area until 11:09 AM, at which time the device was no longer on the network.

11. The Service Providers named in this Order are required to disclose all records and other information (not including the contents of communications) about all communications made using the cell tower during the corresponding timeframes listed, including the records which identify: The telephone call number and unique identifiers for each wireless device in the vicinity of the tower ("the locally served wireless device") that registered with the tower, including the Electronic Serial Numbers ("ESN"), Mobility Electronic Identity Numbers ("MEIN"), Mobile Identification Numbers ("MIN"), Subscriber Identity Modules ("SIM"), Mobile Subscriber Integrated Services Digital Network Numbers ("MSISDN"), International Mobile Subscriber Identifier ("IMSI"), and International Mobile Equipment Identities ("IMEI"). It is further ordered that the Service Providers shall not disclose the existence of the application, or the existence of this Order, to any other person, unless and until authorized to do so by the Court. It is further ordered that the application and this Order are sealed until otherwise ordered by the Court.

12. That your affiants' training and experience, in addition to that of the detectives and van personnel who are members of the Connecticut State Police and are assisting in this investigation, have a strong belief that the physical evidence and anecdotal information developed thus far strongly suggests that the victim, Jennifer Dulos, is deceased following a serious physical assault which occurred on May 24, 2019, at approximately 8:30 AM at the residence located at 69 Welles Lane in New Canaan, Connecticut. Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

13. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: Sprint Corporation (6480 Sprint Highway, Overland Park, KS 66251): to provide a "Tower Dump" for the Base Transceiver station(s) responsible for the locations of:

635 Frogtown Road, New Canaan: 05/24/19 from 7:45 AM to 8:20 AM (EST)

69 Welles Lane, New Canaan - 05/24/19 from 10:10 AM to 10:45 AM (EST)

200 Lapham Road, New Canaan - 05/24/19 from 10:25 to 11:25 AM (EST)

It is requested that all records and returns on the Tower Dumps be provided the United States Marshals Service.

Your affiants are also aware that evidence has been located which indicates that perpetrators took part in a "clean-up" of the crime scene and took additional steps to prevent the crime from being detected and to cloak their identities to law enforcement. Investigation has also shown that it is highly likely that multiple individuals were involved in the crime and the ensuing clean-up, which would necessitate some form of communications between individuals.

13. Therefore, your affiants are respectfully requesting a Search and Seizure Warrant for: Metro PCS (8144 Walnut Hill Lane, Dallas, TX 75231): to provide a "Tower Dump" for the Base Transceiver station(s) responsible for the locations of:

635 Frogtown Road, New Canaan: 05/24/19 from 7:45 AM to 8:20 AM (EST)

69 Welles Lane, New Canaan - 05/24/19 from 10:10 AM to 10:45 AM (EST)

200 Lapham Road, New Canaan - 05/24/19 from 10:25 to 11:25 AM (EST)

It is requested that all records and returns on the Tower Dumps be provided the United States Marshals Service.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cell phone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cell phone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That a search warrant was requested and authorized by Superior Court Judge Genuario for the search and processing of the scene at 69 Welles Lane by the Connecticut State Police Major Crime Unit. Their findings at the residence include many financial and other documents belonging to Jennifer Dulos that may be related and/or helpful to the investigation into the still missing victim.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

Blood was located on both garbage cans inside the garage.

Blood splatter was noted along the driver side door.

An area where it appeared someone tried to clean up blood on the concrete floor.

Partial bloody shoe impressions were noted on the concrete floor.

A quarter sized droplet of blood on the driver's side rear fender

The left front fender driver's side showed an area that was wiped clean.

Droplets of blood were on the front of vehicle.

A blood smear was found on the concrete floor next to driver's rear door

Blood was on one of the garbage can's left side lift handle.

A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cell phone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That on 05/28/19 Sgt. Farenga spoke with the court appointed guardian ad litem, Attorney Meehan. Attorney Meehan explained there was a recent custodial evaluation report submitted regarding Jennifer Dulos. Attorney Meehan explained that he could not share the report due to attorney/client privilege; however, he encouraged us to obtain a copy as it may contain pertinent information which could assist us in gaining a better understanding of Jennifer's and her mental state.

12. That Attorney Meehan stated the Clerk's Office at Stamford Superior Court holds a copy of the custodial evaluation report and that we could obtain a copy there with a court order.

13. That based on the fact Jennifer has been missing since Friday 05/24/19 and that we currently have no

indication as to her whereabouts, the undersigned affiants believe the contents of the custodial evaluation will assist us by providing valuable insight into more personal details of Jennifer that her family and friends do not know. Specifically, the report may indicate if Jennifer was likely or capable of hurting herself or it may strongly dispute that idea thus indicating the blood found inside Jennifer's garage may have been due to Jennifer having been assaulted and taken against her will.

14. And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

Blood was located on both garbage cans inside the garage.

Blood splatter was noted along the driver side door.

An area where it appeared someone tried to clean up blood on the concrete floor.

Partial bloody shoe impressions were noted on the concrete floor.

A quarter sized droplet of blood on the driver's side rear fender

The left front fender driver's side showed an area that was wiped clean.

Droplets of blood were on the front of vehicle.

A blood smear was found on the concrete floor next to driver's rear door

Blood was on one of the garbage can's left side lift handle.

A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

11. That a search warrant was requested and authorized by Superior Court Judge Genuario for the search and processing of the scene by the Connecticut State Police Major Crime Unit.

12. That State Police Major Crimes found significant blood evidence in numerous areas of the garage in ways and specific locations that indicated a serious assault had occurred there. Attempts at cleaning the scene were also uncovered. Investigation uncovered surveillance video that captured Jennifer Dulos' black Chevrolet Suburban leaving Welles Lane at 10:25am. The vehicle is then seen southbound on Weed St in another captured image at 10:29am and ultimately ending up on Lapham Rd adjacent to

Waveny Park.

13. That blood spatter and other evidence is also located on the exterior and interior of the abandoned black Suburban as well as in the rear cargo area. An extensive search of the area failed to find any additional evidence which furthered the indicators that a second vehicle may have been waiting, followed, or arrived to help facilitate and/or complete the fleeing from the scene.

14. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

15. That with evidence pointing to a possible accomplice, the area of Welles Lane is a residential area of New Canaan and makes it likely that someone unfamiliar with the area would utilize a mapping application in order to navigate the area.

16. That WAZE Maps is a very popular mapping/navigation application which is pre-installed on many smart phones.

17. That the affiants believe that obtaining any and all WAZE Maps records from May 24, 2019, beginning at 0500 hours through 1100 hours on May 24, 2019, for all searches for directions to or from Welles Lane, New Canaan, CT, 06840, will assist investigators in identifying a possible suspect.

At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

11. That a search warrant was requested and authorized by Superior Court Judge Genuario for the search and processing of the scene by the Connecticut State Police Major Crime Unit.

12. That State Police Major Crimes found significant blood evidence in numerous areas of the garage in ways and specific locations that indicated a serious assault had occurred there. Attempts at cleaning the scene were also uncovered. Investigation uncovered surveillance video that captured Jennifer Dulos' black Chevrolet Suburban leaving Welles Lane at 10:25am. The vehicle is then seen southbound on Weed St in another captured image at 10:29am and ultimately ending up on Lapham Rd adjacent to

Waveny Park.

13. That blood spatter and other evidence is also located on the exterior and interior of the abandoned black Suburban as well as in the rear cargo area. An extensive search of the area failed to find any additional evidence which furthered the indicators that a second vehicle may have been waiting, followed, or arrived to help facilitate and/or complete the fleeing from the scene.

14. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

15. That with evidence pointing to a possible accomplice, the area of Lapham Rd. and Waveny Park is in a residential area of New Canaan with few houses nearby and makes it likely that someone unfamiliar with the area would utilize a mapping application in order to navigate the area.

16. That WAZE Maps is a very popular mapping/navigation application which is pre-installed on many smart phones.

17. That the affiants believe that obtaining any and all WAZE Maps records from May 24, 2019, beginning at 0500 hours through 1100 hours on May 24, 2019, for all searches for directions to or from Waveny Park, New Canaan, CT, 06840, will assist investigators in identifying a possible suspect.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenaga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. 8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

Blood was located on both garbage cans inside the garage.

Blood splatter was noted along the driver side door.

An area where it appeared someone tried to clean up blood on the concrete floor.

Partial bloody shoe impressions were noted on the concrete floor.

A quarter sized droplet of blood on the driver's side rear fender

The left front fender driver's side showed an area that was wiped clean.

Droplets of blood were on the front of vehicle.

A blood smear was found on the concrete floor next to driver's rear door

Blood was on one of the garbage can's left side lift handle.

A cellular telephone and tablet on the master bedroom stand.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Scott Romano and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 22 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.

3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.

4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.

5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.

6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That a standard investigative step included a background check of Jennifer Dulos and her ex-husband, Fotis Dulos, which listed a history of domestic calls to the 69 Welles Lane address, as well as the previous residence shared by the couple located at 4 Jefferson Crossing in Farmington. Incidents included the following:

- In June of 2017, Farmington Police received a complaint from Fotis Dulos at a time he and his wife, Jennifer Dulos, were in the process of a divorce. Jennifer Dulos packed up her belongings and left the house along with the children. She would not answer his repeated text messages to her. He reported that she stole property when she left. Farmington Police did not pursue the matter- no Probable Cause.

- On 06/09/17 Fotis Dulos calls police to report his children missing; however, police subsequently located all five children and determined they were safe and secure.

- On 06/21/17 Farmington Police secured an unregistered firearm (Glock 19 9 mm) from Fotis Dulos pursuant to a lawful Protective Order. As of 03/08/19 a friend of Fotis Dulos had reportedly made arrangements to receive the Glock - the exact status of the firearm is currently undetermined.

- On 08/02/17 New Canaan Police were contacted by Jennifer Dulos reporting that while at a temporary rented home (153 Chichester Road, New Canaan) Fotis Dulos had engaged in a verbal dispute with her in front of their juvenile children. It was reported that Fotis Dulos had called Jennifer Dulos a "bad Mother" and made the statement that she "belongs in an asylum." Jennifer Dulos had become upset, started to cry, and had contacted New Canaan Police. No arrests were made in this incident.

- In a separate incident which was not reported to police, the babysitter (Almeida) reported that she had heard a commotion outside the 153 Chichester Road residence. When Almeida went outside, Jennifer Dulos was visibly upset and she told Almeida that Fotis Dulos had just tried to run her over with a vehicle.

12. That on May 25, 2019, I spoke with Lauren Almeida, Almeida confirmed that at least several times she witnessed and/or was present during an altercation between Jennifer and her husband. In June of 2017, she stated she ran out to the driveway and found Jennifer crying. She stated that her husband tried to hit her with his vehicle and she needed to jump out of the way. Divorce and custody problems were in progress.

13. That on another occasion during the summer of 2017 and while Almeida was babysitting at their Farmington residence at 4 Jefferson Crossing, Almeida was present to witness Fotis Dulos chasing his wife through the house. She finally came running into the bedroom and slammed the door closed. She braced herself against the door as her husband kept pounding trying to open it. Almeida was in the bedroom at this time with one of the children and directly witnessed this. He seemed to calm down when he realized Almeida and one of his children were also in the room. Almeida said that Jennifer did not want to call the police as she was very afraid of her husband and he threatened to take the children permanently to Greece.

14. That divorce proceedings and very recent court orders concerning custody of the children have intensified the situation. On May 25, 2019, I spoke with Jennifer Dulos' attorney Reuben S. Midler. He confirmed the very contentious court battles involving divorce and custody issues. The most recent court appearance was May 17, 2019. Midler stated that Jennifer Dulos had been granted full physical custody of the children since March 1, 2018. Since that time, Fotis Dulos has been trying to get regular visitation but on March 20, 2019, Judge Heller granted supervised visitation only to the father and in addition, the court refused to give him the right to reintroduce his children to his girlfriend. In short, he did not get what he wanted after the long process. The last time he attempted/ appeared in court was May 17, 2019. He did not prevail in court. It is noted that this last contentious and "losing" court appearance was only one week prior to the disappearance of his wife.

15. That the babysitter (Almeida) initially told investigators that arrangements had been made for the children to be brought to Farmington for a pre-scheduled visit with their father, Fotis Dulos, on May 25, 2019 at 11:00 AM (in a follow up interview she clarified this and said that the children would be picked up at Welles Lane not Farmington). On the previous evening (May 24, 2019), Fotis Dulos contacted Almeida at 8:41 PM. This was after receiving notification from New Canaan Police that his wife was missing. Despite the fact he knew his wife was currently missing, Fotis Dulos inquired about whether the children will be ready for transfer on the following day. Fotis Dulos discussed with Almeida the need for her to leave early to arrive on time so he could take his children. Additionally, Fotis Dulos appeared "unconcerned" that his wife was missing and only talked about not missing the 11:00 AM transfer time. She said this was very unusual as she is never supposed to be involved in any transfer of the children. She told him that she was waiting for instructions from the police. He texted her again later to ask for an update.

16. That on May 25, 2019, at approximately 1440 hours, Fotis Dulos and his attorney Jacob Pyetranker arrived at New Canaan Police Headquarters for a voluntary interview. Detective Allegro was provided a cellular telephone by Fotis Dulos, who indicated it was his telephone and who also provided the four digit code to unlock it. Investigators observed that it was an Apple iPhone model X. When he learned that his iPhone was being seize by police, he objected several times and demanded the return of his telephone. It was explained that the telephone may contain information that would help ascertain the whereabouts of his missing ex-wife and he was afforded several opportunities to provide and sign a consent form. He did not provide consent and instead terminated any interview. He left with his attorney.

17. That the court orders concerning the on-going custody issues were most recently modified on March 20, 2019, which resulted in more court monitored communication by text and emails between Jennifer and Fotis Dulos, as well as supervised visitation with the children. Prior to this modification communication between the parents was restricted by court order.

18. That on May 25, 2019, and at about 8:30PM, search and seizure warrants were signed by Superior Court Judge J. Lee for cellular telephone records, subscriber and other information related to the account of Fotis Dulos. They were sent to cellular carrier AT+T Wireless.

19. That investigation also found that Fotis Dulos' has a live-in girlfriend named Michelle Troconis, date of birth 09-26-1974. In addition to living with Fotis Dulos, she also is employed at the Fore Group, which is owned by Fotis Dulos.

20. That Michelle Troconis is also involved in the court proceedings involving custody of the Dulos children. The court specifically prohibited Fotis Dulos to permit, "Ms. Troconis and/or her daughter Nicole to be in the vicinity of the children at any time before, during, or after his supervised parenting time".

21. That police investigators have repeatedly been attempting contact and/or leaving messages for Michelle Troconis to help them in trying to locate and/or provide information that would assist the investigators. Despite the repeated attempts, Troconis has not contacted any of the investigators.

22. That your affiants are aware through their training and experience that many people, including witnesses, victims, and suspects, carry and use cellular phones as a part of daily life while traveling. People who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of potential witness(s) or persons knowing the victim(s), who may have communicated by way of a telephone.

23 That your affiants know through their training and experience that a modern cellular telephone handset stores data relating to the telephone's usage. This data includes call logs, calls places, calls received, stored telephone numbers, text messaging, email messages, video files, image files, and audio files, and location data. Your affiants further know through training and experience that this data, even if deleted, may sometimes be retrieved through forensic examinations conducted by properly trained and equipped personnel within a Digital Forensic Laboratory. Obtaining such information could help investigators in locating victims and additional evidence, as well as identifying possible participants in criminal activities.

24. That your affiants know through their training and experience that a cellular telephone has become a virtual biographer of a person's daily activities. Data within a cellular telephone can log who a person talks to and when these conversations occurred. The data may include information that includes call logs, pictures, and a contact list of known acquaintances or friends. Due to this potential of abundance of data, a cellular telephone has become an indispensable piece of evidence in criminal investigations.

25. That your affiants also know through their training and experience that the data (as defined by Section

§53a-250(8) C.G.S.) contained within cellular telephones is and can be useful in identifying the actual owner of the telephone, who may have been using the telephone by examining the calls or messaging sent, received or missed. Further, the data contained within the telephone handset is useful to investigators in that it may show communication between a victim, a suspect and conspirator(s) or other potential valuable witness(s) prior to, during or after the time of the crime or incident.

26. That your affiants know through their training and experience that cellular telephone records are stored in the form of data on a cellular telephone and their related media. This data remains resident on the cellular telephone even if it has been turned off or not used for a long period of time. This cellular telephone data can be extracted and preserved by properly trained and equipped personnel within a Digital Forensics Laboratory. Some data, although deleted, may be recovered and preserved by properly trained and equipped personnel within a Digital Forensic Laboratory.

27. That based upon the facts and circumstances described above, your affiants have Probable Cause to believe that evidence of an Assault in the First Degree is located:

The databases of AT+T Wireless, 11760 US Highway 1 Ste. 600 North Palm Beach, FL 22408 has in its possession cellular telephone records associated with 305-331-5232 including Subscriber Information, Per Call Measurement Data information, and Call Detail Records which may contain evidence related to the missing person investigation documented above.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Joseph Farenga and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 19 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.

3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.

4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.

5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.

6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

11. That a search warrant was requested and authorized by Superior Court Judge Genuario for the search and processing of the scene by the Connecticut State Police Major Crime Unit.

12. That State Police Major Crimes found significant blood evidence in numerous areas of the garage in ways and specific locations that indicated a serious assault had occurred there. Attempts at cleaning the scene were also uncovered. Investigation uncovered surveillance video that captured Jennifer Dulos' black Chevrolet Suburban leaving Welles Lane at 10:25am. The vehicle is then seen southbound on Weed St in another captured image at 10:29am and ultimately ending up on Lapham Rd adjacent to

Waveny Park.

13. That blood spatter and other evidence is also located on the exterior and interior of the abandoned black Suburban as well as in the rear cargo area. An extensive search of the area failed to find any additional evidence which furthered the indicators that a second vehicle may have been waiting, followed, or arrived to help facilitate and/or complete the fleeing from the scene.

14. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

15. That with evidence pointing to a possible accomplice, the area of Lapham Rd. and Waveny Park is in a residential area of New Canaan with few houses nearby and makes it likely that someone unfamiliar with the area would utilize a mapping application in order to navigate the area.

16. That Google Maps is a very popular mapping/navigation application which is pre-installed on many smart phones.

17. That the affiants believe that obtaining any and all Google Maps records from May 24, 2019, beginning at 0500 hours through 1100 hours on May 24, 2019, for all searches for directions to and from Waveny Park, New Canaan, CT, 06840, will assist investigators in identifying a possible suspect.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Scott Romano and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 22 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That a standard investigative step included a background check of Jennifer Dulos and her ex-husband, Fotis Dulos, which listed a history of domestic calls to the 69 Welles Lane address, as well as the previous residence shared by the couple located at 4 Jefferson Crossing in Farmington. Incidents included the following:

- In June of 2017, Farmington Police received a complaint from Fotis Dulos at a time he and his wife, Jennifer Dulos, were in the process of a divorce. Jennifer Dulos packed up her belongings and left the house along with the children. She would not answer his repeated text messages to her. He reported that she stole property when she left. Farmington Police did not pursue the matter- no Probable Cause.

- On 06/09/17 Fotis Dulos calls police to report his children missing; however, police subsequently located all five children and determined they were safe and secure.

- On 06/21/17 Farmington Police secured an unregistered firearm (Glock 19 9 mm) from Fotis Dulos pursuant to a lawful Protective Order. As of 03/08/19 a friend of Fotis Dulos had reportedly made arrangements to receive the Glock - the exact status of the firearm is currently undetermined.

- On 08/02/17 New Canaan Police were contacted by Jennifer Dulos reporting that while at a temporary rented home (153 Chichester Road, New Canaan) Fotis Dulos had engaged in a verbal dispute with her in front of their juvenile children. It was reported that Fotis Dulos had called Jennifer Dulos a "bad Mother" and made the statement that she "belongs in an asylum." Jennifer Dulos had become upset, started to cry, and had contacted New Canaan Police. No arrests were made in this incident.

- In a separate incident which was not reported to police, the babysitter (Almeida) reported that she had heard a commotion outside the 153 Chichester Road residence. When Almeida went outside, Jennifer Dulos was visibly upset and she told Almeida that Fotis Dulos had just tried to run her over with a vehicle.

12. That on May 25, 2019, I spoke with Lauren Almeida, Almeida confirmed that at least several times she witnessed and/or was present during an altercation between Jennifer and her husband. In June of 2017, she stated she ran out to the driveway and found Jennifer crying. She stated that her husband tried to hit her with his vehicle and she needed to jump out of the way. Divorce and custody problems were in progress.

13. That on another occasion during the summer of 2017 and while Almeida was babysitting at their Farmington residence at 4 Jefferson Crossing, Almeida was present to witness Fotis Dulos chasing his wife through the house. She finally came running into the bedroom and slammed the door closed. She braced herself against the door as her husband kept pounding trying to open it. Almeida was in the bedroom at this time with one of the children and directly witnessed this. He seemed to calm down when he realized Almeida and one of his children were also in the room. Almeida said that Jennifer did not want to call the police as she was very afraid of her husband and he threatened to take the children permanently to Greece.

14. That divorce proceedings and very recent court orders concerning custody of the children have intensified the situation. On May 25, 2019, I spoke with Jennifer Dulos' attorney Reuben S. Midler. He confirmed the very contentious court battles involving divorce and custody issues. The most recent court appearance was May 17, 2019. Midler stated that Jennifer Dulos had been granted full physical custody of the children since March 1, 2018. Since that time, Fotis Dulos has been trying to get regular visitation but on March 20, 2019, Judge Heller granted supervised visitation only to the father and in addition, the court refused to give him the right to reintroduce his children to his girlfriend. In short, he did not get what he wanted after the long process. The last time he attempted/ appeared in court was May 17, 2019. He did not prevail in court. It is noted that this last contentious and "losing" court appearance was only one week prior to the disappearance of his wife.

15. That the babysitter (Almeida) initially told investigators that arrangements had been made for the children to be brought to Farmington for a pre-scheduled visit with their father, Fotis Dulos, on May 25, 2019 at 11:00 AM (in a follow up interview she clarified this and said that the children would be picked up at Welles Lane not Farmington). On the previous evening (May 24, 2019), Fotis Dulos contacted Almeida at 8:41 PM. This was after receiving notification from New Canaan Police that his wife was missing. Despite the fact he knew his wife was currently missing, Fotis Dulos inquired about whether the children will be ready for transfer on the following day. Fotis Dulos discussed with Almeida the need for her to leave early to arrive on time so he could take his children. Additionally, Fotis Dulos appeared "unconcerned" that his wife was missing and only talked about not missing the 11:00 AM time. She said this was very unusual as she is never supposed to be involved in any transfer of the children. She told him that she was waiting for instructions from the police. He texted her again later to ask for an update.

16. That on May 25, 2019, at approximately 1440 hours, Fotis Dulos and his attorney Jacob Pyetranter arrived at New Canaan Police Headquarters for a voluntary interview. Detective Allegro was provided a cellular telephone by Fotis Dulos, who indicated it was his telephone and who also provided the four digit code to unlock it. Investigators observed that it was an Apple iPhone model X. When he learned that his iPhone was being seized by police, he objected several times and demanded the return of his telephone. It was explained that the telephone may contain information that would help ascertain the whereabouts of his missing ex-wife and he was afforded several opportunities to provide and sign a consent form. He did not provide consent and instead terminated any interview. He left with his attorney.

17. That the court orders concerning the on-going custody issues were most recently modified on March 20, 2019, which resulted in more court monitored communication by text and emails between Jennifer and Fotis Dulos, as well as supervised visitation with the children. Prior to this modification communication

between the parents was restricted by court order.

18. That on May 25, 2019, and at about 8:30PM, search and seizure warrants were signed by Superior Court Judge J. Lee for cellular telephone records, subscriber and other information related to the account of Fotis Dulos. They were sent to cellular carrier AT+T Wireless.

19. That on May 26, 2019, and at about 12:00PM, the requested cellular information was returned by AT+T Wireless. In the subscriber and user account information section, another cellular telephone number was documented as belonging to Fotis Dulos: 203-434-3297.

20. That your affiants are aware through their training and experience that many people, including witnesses, victims, and suspects, carry and use cellular phones as a part of daily life while traveling. People who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of potential witness(s) or persons knowing the victim(s), who may have communicated by way of a telephone.

21 That your affiants know through their training and experience that a modern cellular telephone handset stores data relating to the telephone's usage. This data includes call logs, calls places, calls received, stored telephone numbers, text messaging, email messages, video files, image files, and audio files, and location data. Your affiants further know through training and experience that this data, even if deleted, may sometimes be retrieved through forensic examinations conducted by properly trained and equipped personnel within a Digital Forensic Laboratory. Obtaining such information could help investigators in locating victims and additional evidence, as well as identifying possible participants in criminal activities.

22. That your affiants know through their training and experience that a cellular telephone has become a virtual biographer of a person's daily activities. Data within a cellular telephone can log who a person talks to and when these conversations occurred. The data may include information that includes call logs, pictures, and a contact list of known acquaintances or friends. Due to this potential of abundance of data, a cellular telephone has become an indispensable piece of evidence in criminal investigations.

23. That your affiants also know through their training and experience that the data (as defined by Section §53a-250(8) C.G.S.) contained within cellular telephones is and can be useful in identifying the actual owner of the telephone, who may have been using the telephone by examining the calls or messaging sent, received or missed. Further, the data contained within the telephone handset is useful to investigators in that it may show communication between a victim, a suspect and conspirator(s) or other potential valuable witness(s) prior to, during or after the time of the crime or incident.

24. That your affiants know through their training and experience that cellular telephone records are stored

pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S § 36a-43(a);

and the specific details with regard to such reasons are as follows:

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Sergeant Scott Romano and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 22 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That a standard investigative step included a background check of Jennifer Dulos and her ex-husband, Fotis Dulos, which listed a history of domestic calls to the 69 Welles Lane address, as well as the previous residence shared by the couple located at 4 Jefferson Crossing in Farmington. Incidents included the following:

- In June of 2017, Farmington Police received a complaint from Fotis Dulos at a time he and his wife, Jennifer Dulos, were in the process of a divorce. Jennifer Dulos packed up her belongings and left the house along with the children. She would not answer his repeated text messages to her. He reported that she stole property when she left. Farmington Police did not pursue the matter- no Probable Cause.

- On 06/09/17 Fotis Dulos calls police to report his children missing; however, police subsequently located all five children and determined they were safe and secure.

- On 06/21/17 Farmington Police secured an unregistered firearm (Glock 19 9 mm) from Fotis Dulos pursuant to a lawful Protective Order. As of 03/08/19 a friend of Fotis Dulos had reportedly made arrangements to receive the Glock - the exact status of the firearm is currently undetermined.

- On 08/02/17 New Canaan Police were contacted by Jennifer Dulos reporting that while at a temporary rented home (153 Chichester Road, New Canaan) Fotis Dulos had engaged in a verbal dispute with her in front of their juvenile children. It was reported that Fotis Dulos had called Jennifer Dulos a "bad Mother" and made the statement that she "belongs in an asylum." Jennifer Dulos had become upset, started to cry, and had contacted New Canaan Police. No arrests were made in this incident.

- In a separate incident which was not reported to police, the babysitter (Almeida) reported that she had heard a commotion outside the 153 Chichester Road residence. When Almeida went outside, Jennifer Dulos was visibly upset and she told Almeida that Fotis Dulos had just tried to run her over with a vehicle.

12. That on May 25, 2019, I spoke with Lauren Almeida, Almeida confirmed that at least several times she witnessed and/or was present during an altercation between Jennifer and her husband. In June of 2017, she stated she ran out to the driveway and found Jennifer crying. She stated that her husband tried to hit her with his vehicle and she needed to jump out of the way. Divorce and custody problems were in progress.

13. That on another occasion during the summer of 2017 and while Almeida was babysitting at their Farmington residence at 4 Jefferson Crossing, Almeida was present to witness Fotis Dulos chasing his wife through the house. She finally came running into the bedroom and slammed the door closed. She braced herself against the door as her husband kept pounding trying to open it. Almeida was in the bedroom at this time with one of the children and directly witnessed this. He seemed to calm down when he realized Almeida and one of his children were also in the room. Almeida said that Jennifer did not want to call the police as she was very afraid of her husband and he threatened to take the children permanently to Greece.

14. That divorce proceedings and very recent court orders concerning custody of the children have intensified the situation. On May 25, 2019, I spoke with Jennifer Dulos' attorney Reuben S. Midler. He confirmed the very contentious court battles involving divorce and custody issues. The most recent court appearance was May 17, 2019. Midler stated that Jennifer Dulos had been granted full physical custody of the children since March 1, 2018. Since that time, Fotis Dulos has been trying to get regular visitation but on March 20, 2019, Judge Heller granted supervised visitation only to the father and in addition, the court refused to give him the right to reintroduce his children to his girlfriend. In short, he did not get what he wanted after the long process. The last time he attempted/ appeared in court was May 17, 2019. He did not prevail in court. It is noted that this last contentious and "losing" court appearance was only one week prior to the disappearance of his wife.

15. That the babysitter (Almeida) initially told investigators that arrangements had been made for the children to be brought to Farmington for a pre-scheduled visit with their father, Fotis Dulos, on May 25, 2019 at 11:00 AM (in a follow up interview she clarified this and said that the children would be picked up at Welles Lane not Farmington). On the previous evening (May 24, 2019), Fotis Dulos contacted Almeida at 8:41 PM. This was after receiving notification from New Canaan Police that his wife was missing. Despite the fact he knew his wife was currently missing, Fotis Dulos inquired about whether the children will be ready for transfer on the following day. Fotis Dulos discussed with Almeida the need for her to leave early to arrive on time so he could take his children. Additionally, Fotis Dulos appeared "unconcerned" that his wife was missing and only talked about not missing the 11:00 AM transfer time. She said this was very unusual as she is never supposed to be involved in any transfer of the children. She told him that she was waiting for instructions from the police. He texted her again later to ask for an update.

16. That on May 25, 2019, at approximately 1440 hours, Fotis Dulos and his attorney Jacob Pyetranter arrived at New Canaan Police Headquarters for a voluntary interview. Detective Allegro was provided a cellular telephone by Fotis Dulos, who indicated it was his telephone and who also provided the four digit code to unlock it. Investigators observed that it was an Apple iPhone model X. When he learned that his iPhone was being seized by police, he objected several times and demanded the return of his telephone. It was explained that the telephone may contain information that would help ascertain the whereabouts of his missing ex-wife and he was afforded several opportunities to provide and sign a consent form. He did not provide consent and instead terminated any interview. He left with his attorney.

17. That almost immediately following the seizure of his cellular telephone by Detective Allegro on May 25, 2019, Fotis Dulos began texting Lauren Almeida for updates on the children and other information. The

18. That your affiants are aware through their training and experience that many people, including witnesses, victims, and suspects, carry and use cellular phones as a part of daily life while traveling. People who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of potential witness(s) or persons knowing the victim(s), who may have communicated by way of a telephone.

19. That your affiants know through their training and experience that a modern cellular telephone handset stores data relating to the telephone's usage. This data includes call logs, calls places, calls received, stored telephone numbers, text messaging, email messages, video files, image files, and audio files, and location data. Your affiants further know through training and experience that this data, even if deleted, may sometimes be retrieved through forensic examinations conducted by properly trained and equipped personnel within a Digital Forensic Laboratory. Obtaining such information could help investigators in locating victims and additional evidence, as well as identifying possible participants in criminal activities.

20. That your affiants know through their training and experience that a cellular telephone has become a virtual biographer of a person's daily activities. Data within a cellular telephone can log who a person talks to and when these conversations occurred. The data may include information that includes call logs, pictures, and a contact list of known acquaintances or friends. Due to this potential of abundance of data, a cellular telephone has become an indispensable piece of evidence in criminal investigations.

21. That your affiants also know through their training and experience that the data (as defined by Section §53a-250(8) C.G.S.) contained within cellular telephones is and can be useful in identifying the actual owner of the telephone, who may have been using the telephone by examining the calls or messaging sent, received or missed. Further, the data contained within the telephone handset is useful to investigators in that it may show communication between a victim, a suspect and conspirator(s) or other potential valuable witness(s) prior to, during or after the time of the crime or incident.

22. That your affiants know through their training and experience that cellular telephone records are stored in the form of data on a cellular telephone and their related media. This data remains resident on the cellular telephone even if it has been turned off or not used for a long period of time. This cellular telephone data can be extracted and preserved by properly trained and equipped personnel within a Digital Forensics Laboratory. Some data, although deleted, may be recovered and preserved by properly trained and equipped personnel within a Digital Forensic Laboratory.

23. That based upon the facts and circumstances described above, your affiants have Probable Cause to believe that evidence of an Assault in the First Degree is located:

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Captain Andrew Walsh and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 18 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That a standard investigative step included a background check of Jennifer Dulos and her ex-husband, Fotis Dulos, which listed a history of domestic calls to the 69 Welles Lane address, as well as the previous residence shared by the couple located at 4 Jefferson Crossing in Farmington. Incidents included the following:

- In June of 2017, Farmington Police received a complaint from Fotis Dulos at a time he and his wife, Jennifer Dulos, were in the process of a divorce. Jennifer Dulos packed up her belongings and left the house along with the children. She would not answer his repeated text messages to her. He reported that she stole property when she left. Farmington Police did not pursue the matter- no Probable Cause.

- On 06/09/17 Fotis Dulos calls police to report his children missing; however, police subsequently located all five children and determined they were safe and secure.

- On 06/21/17 Farmington Police secured an unregistered firearm (Glock 19 9 mm) from Fotis Dulos pursuant to a lawful Protective Order. As of 03/08/19 a friend of Fotis Dulos had reportedly made arrangements to receive the Glock - the exact status of the firearm is currently undetermined.

- On 08/02/17 New Canaan Police were contacted by Jennifer Dulos reporting that while at a temporary rented home (153 Chichester Road, New Canaan) Fotis Dulos had engaged in a verbal dispute with her in front of their juvenile children. It was reported that Fotis Dulos had called Jennifer Dulos a "bad Mother" and made the statement that she "belongs in an asylum." Jennifer Dulos had become upset, started to cry, and had contacted New Canaan Police. No arrests were made in this incident.

- In a separate incident which was not reported to police, the babysitter (Almeida) reported that she had heard a commotion outside the 153 Chichester Road residence. When Almeida went outside, Jennifer Dulos was visibly upset and she told Almeida that Fotis Dulos had just tried to run her over with a vehicle.

12. That on May 25, 2019, I spoke with Lauren Almeida, Almeida confirmed that at least several times she witnessed and/or was present during an altercation between Jennifer and her husband. In June of 2017, she stated she ran out to the driveway and found Jennifer crying. She stated that her husband tried to hit her with his vehicle and she needed to jump out of the way. Divorce and custody problems were in progress.

13. That on another occasion during the summer of 2017 and while Almeida was babysitting at their Farmington residence at 4 Jefferson Crossing, Almeida was present to witness Fotis Dulos chasing his wife through the house. She finally came running into the bedroom and slammed the door closed. She braced herself against the door as her husband kept pounding trying to open it. Almeida was in the bedroom at this time with one of the children and directly witnessed this. He seemed to calm down when he realized Almeida and one of his children were also in the room. Almeida said that Jennifer did not want to call the police as she was very afraid of her husband and he threatened to take the children permanently to Greece.

14. That divorce proceedings and very recent court orders concerning custody of the children have intensified the situation. On May 25, 2019, I spoke with Jennifer Dulos' attorney Reuben S. Midler. He confirmed the very contentious court battles involving divorce and custody issues. The most recent court appearance was May 17, 2019. Midler stated that Jennifer Dulos had been granted full physical custody of the children since March 1, 2018. Since that time, Fotis Dulos has been trying to get regular visitation but on March 20, 2019, Judge Heller granted supervised visitation only to the father and in addition, the court refused to give him the right to reintroduce his children to his girlfriend. In short, he did not get what he wanted after the long process. The last time he attempted/ appeared in court was May 17, 2019. He did not prevail in court. It is noted that this last contentious and "losing" court appearance was only one week prior to the disappearance of his wife.

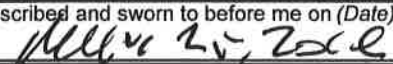

15. That the babysitter (Almeida) told investigators that arrangements had been made for Jennifer Dulos to bring the children to Farmington for a pre-scheduled visit with their father, Fotis Dulos, on May 25, 2019 at 11:00 AM. On the previous evening (May 24, 2019), Fotis Dulos contacted Almeida at 8:41 PM after receiving notification from New Canaan Police that his wife was missing. Despite the fact he knew his wife was currently missing, Fotis Dulos inquired about whether the children were being brought to Farmington on the following day. Fotis Dulos discussed with Almeida the need for her to leave early to arrive on time in Farmington. Additionally, Files Dulos appeared "unconcerned" that his wife was missing and only talked about not missing the 11:00 AM time. She told him that she was waiting for instructions from the police. He texted her again later to ask for an update.

16. That at 1:01AM on May 25, 2019, Sgt. Farenga spoke via telephone with Fotis Dulos. As part of the basic questioning, Sgt. Farenga asked Dulos when he was last in the Town of New Canaan. Dulos answered that he had visitation with his children two days earlier on Wednesday (May 22nd). Fotis Dulos then stated he was coming "...tomorrow at 11..." to pick them (the children) up, referring to Saturday May 25th.

17. That the information provided by Fotis Dulos - specifically that he is the one traveling to New Canaan in order to go pick up his children - is in conflict with the arranged plans that Fotis Dulos, himself, acknowledged to the family babysitter, Lauren Almeida, when he told her to make sure she left early for Farmington so as to not miss the scheduled 10:00AM meeting time. These communications occurred by cellular telephone.

18. That on May 25, 2019, at approximately 1440 hours, Fotis Dulos and his attorney Jacob Pyetranker arrived at New Canaan Police Headquarters for a voluntary interview. Detective Allegro was provided a cellular telephone by Fotis Dulos, who indicated it was his telephone and who also provided the four digit code to unlock it. Investigators observed that it was an Apple iPhone model X. When he learned that his iPhone was being seized by police, he objected several times and demanded the return of his telephone. It

was explained that the telephone may contain information that would help ascertain the whereabouts of his missing ex-wife and he was afforded several opportunities to provide and sign a consent form. He did not provide consent and instead terminated any interview. He left with his attorney.

19. That the court orders concerning the on-going custody issues were most recently modified on March 20, 2019, which resulted in more court monitored communication by text and emails between Jennifer and Fotis Dulos, as well as supervised visitation with the children. Prior to this modification communication between the parents was restricted by court order.

20. That your affiants are aware through their training and experience that many people, including witnesses, victims, and suspects, carry and use cellular phones as a part of daily life while traveling. People who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of potential witness(s) or persons knowing the victim(s), who may have communicated by way of a telephone.

21 That your affiants know through their training and experience that a modern cellular telephone handset stores data relating to the telephone's usage. This data includes call logs, calls places, calls received, stored telephone numbers, text messaging, email messages, video files, image files, and audio files, and location data. Your affiants further know through training and experience that this data, even if deleted, may sometimes be retrieved through forensic examinations conducted by properly trained and equipped personnel within a Digital Forensic Laboratory. Obtaining such information could help investigators in locating victims and additional evidence, as well as identifying possible participants in criminal activities.

22. That your affiants know through their training and experience that a cellular telephone has become a virtual biographer of a person's daily activities. Data within a cellular telephone can log who a person talks to and when these conversations occurred. The data may include information that includes call logs, pictures, and a contact list of known acquaintances or friends. Due to this potential of abundance of data, a cellular telephone has become an indispensable piece of evidence in criminal investigations.

23. That your affiants also know through their training and experience that the data (as defined by Section §53a-250(8) C.G.S.) contained within cellular telephones is and can be useful in identifying the actual owner of the telephone, who may have been using the telephone by examining the calls or messaging sent, received or missed. Further, the data contained within the telephone handset is useful to investigators in that it may show communication between a victim, a suspect and conspirator(s) or other potential valuable witness(s) prior to, during or after the time of the crime or incident.

24. That your affiants know through their training and experience that cellular telephone records are stored in the form of data on a cellular telephone and their related media. This data remains resident on the

cellular telephone even if it has been turned off or not used for a long period of time. This cellular telephone data can be extracted and preserved by properly trained and equipped personnel within a Digital Forensics Laboratory. Some data, although deleted, may be recovered and preserved by properly trained and equipped personnel within a Digital Forensic Laboratory.

25. That based upon the facts and circumstances described above, your affiants have Probable Cause to believe that evidence of an Assault in the First Degree may be located :

The databases of Verizon Wireless/CELLCO 180 Washington Valley Road, Bedminster, NJ 07921 FAX: 1-88-667-0026 has in its possession cellular telephone records associated with 929-499-7661 including Subscriber Information, RTT information, and Call Detail Records which may contain evidence related to the missing person investigation documented above.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Captain Andrew Walsh and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 18 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That a standard investigative step included a background check of Jennifer Dulos and her ex-husband, Fotis Dulos, which listed a history of domestic calls to the 69 Welles Lane address, as well as the previous residence shared by the couple located at 4 Jefferson Crossing in Farmington. Incidents included the following:

- In June of 2017, Farmington Police received a complaint from Fotis Dulos at a time he and his wife, Jennifer Dulos, were in the process of a divorce. Jennifer Dulos packed up her belongings and left the house along with the children. She would not answer his repeated text messages to her. He reported that she stole property when she left. Farmington Police did not pursue the matter- no Probable Cause.

- On 06/09/17 Fotis Dulos calls police to report his children missing; however, police subsequently located all five children and determined they were safe and secure.

- On 06/21/17 Farmington Police secured an unregistered firearm (Glock 19 9 mm) from Fotis Dulos pursuant to a lawful Protective Order. As of 03/08/19 a friend of Fotis Dulos had reportedly made arrangements to receive the Glock - the exact status of the firearm is currently undetermined.

- On 08/02/17 New Canaan Police were contacted by Jennifer Dulos reporting that while at a temporary rented home (153 Chichester Road, New Canaan) Fotis Dulos had engaged in a verbal dispute with her in front of their juvenile children. It was reported that Fotis Dulos had called Jennifer Dulos a "bad Mother" and made the statement that she "belongs in an asylum." Jennifer Dulos had become upset, started to cry, and had contacted New Canaan Police. No arrests were made in this incident.

- In a separate incident which was not reported to police, the babysitter (Almeida) reported that she had heard a commotion outside the 153 Chichester Road residence. When Almeida went outside, Jennifer Dulos was visibly upset and she told Almeida that Fotis Dulos had just tried to run her over with a vehicle.

12. That on May 25, 2019, I spoke with Lauren Almeida, Almeida confirmed that at least several times she witnessed and/or was present during an altercation between Jennifer and her husband. In June of 2017, she stated she ran out to the driveway and found Jennifer crying. She stated that her husband tried to hit her with his vehicle and she needed to jump out of the way. Divorce and custody problems were in progress.

13. That on another occasion during the summer of 2017 and while Almeida was babysitting at their Farmington residence at 4 Jefferson Crossing, Almeida was present to witness Fotis Dulos chasing his wife through the house. She finally came running into the bedroom and slammed the door closed. She braced herself against the door as her husband kept pounding trying to open it. Almeida was in the bedroom at this time with one of the children and directly witnessed this. He seemed to calm down when he realized Almeida and one of his children were also in the room. Almeida said that Jennifer did not want to call the police as she was very afraid of her husband and he threatened to take the children permanently to Greece.

14. That divorce proceedings and very recent court orders concerning custody of the children have intensified the situation. On May 25, 2019, I spoke with Jennifer Dulos' attorney Reuben S. Midler. He confirmed the very contentious court battles involving divorce and custody issues. The most recent court appearance was May 17, 2019. Midler stated that Jennifer Dulos had been granted full physical custody of the children since March 1, 2018. Since that time, Fotis Dulos has been trying to get regular visitation but on March 20, 2019, Judge Heller granted supervised visitation only to the father and in addition, the court refused to give him the right to reintroduce his children to his girlfriend. In short, he did not get what he wanted after the long process. The last time he attempted/ appeared in court was May 17, 2019. He did not prevail in court. It is noted that this last contentious and "losing" court appearance was only one week prior to the disappearance of his wife.

15. That the babysitter (Almeida) told investigators that arrangements had been made for Jennifer Dulos to bring the children to Farmington for a pre-scheduled visit with their father, Fotis Dulos, on May 25, 2019 at 11:00 AM. On the previous evening (May 24, 2019), Fotis Dulos contacted Almeida at 8:41 PM after receiving notification from New Canaan Police that his wife was missing. Despite the fact he knew his wife was currently missing, Fotis Dulos inquired about whether the children were being brought to Farmington on the following day. Fotis Dulos discussed with Almeida the need for her to leave early to arrive on time in Farmington. Additionally, Files Dulos appeared "unconcerned" that his wife was missing and only talked about not missing the 11:00 AM time. She told him that she was waiting for instructions from the police. He texted her again later to ask for an update.

16. That at 1:01AM on May 25, 2019, Sgt. Farenga spoke via telephone with Fotis Dulos. As part of the basic questioning, Sgt. Farenga asked Dulos when he was last in the Town of New Canaan. Dulos answered that he had visitation with his children two days earlier on Wednesday (May 22nd). Fotis Dulos then stated he was coming "...tomorrow at 11..." to pick them (the children) up, referring to Saturday May 25th.

17. That the information provided by Fotis Dulos - specifically that he is the one traveling to New Canaan in order to go pick up his children - is in conflict with the arranged plans that Fotis Dulos, himself, acknowledged to the family babysitter, Lauren Almeida, when he told her to make sure she left early for Farmington so as to not miss the scheduled 10:00AM meeting time. These communications occurred by cellular telephone.

18. That on May 25, 2019, at approximately 1440 hours, Fotis Dulos and his attorney Jacob Pyetranter arrived at New Canaan Police Headquarters for a voluntary interview. Detective Allegro was provided a cellular telephone by Fotis Dulos, who indicated it was his telephone and who also provided the four digit code to unlock it. Investigators observed that it was an Apple iPhone model X. When he learned that his iPhone was being seized by police, he objected several times and demanded the return of his telephone. It

was explained that the telephone may contain information that would help ascertain the whereabouts of his missing ex-wife and he was afforded several opportunities to provide and sign a consent form. He did not provide consent and instead terminated any interview. He left with his attorney.

19. That the court orders concerning the on-going custody issues were most recently modified on March 20, 2019, which resulted in more court monitored communication by text and emails between Jennifer and Fotis Dulos, as well as supervised visitation with the children. Prior to this modification communication between the parents was restricted by court order.

20. That your affiants are aware through their training and experience that many people, including witnesses, victims, and suspects, carry and use cellular phones as a part of daily life while traveling. People who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of potential witness(s) or persons knowing the victim(s), who may have communicated by way of a telephone.

21 That your affiants know through their training and experience that a modern cellular telephone handset stores data relating to the telephone's usage. This data includes call logs, calls places, calls received, stored telephone numbers, text messaging, email messages, video files, image files, and audio files, and location data. Your affiants further know through training and experience that this data, even if deleted, may sometimes be retrieved through forensic examinations conducted by properly trained and equipped personnel within a Digital Forensic Laboratory. Obtaining such information could help investigators in locating victims and additional evidence, as well as identifying possible participants in criminal activities.

22. That your affiants know through their training and experience that a cellular telephone has become a virtual biographer of a person's daily activities. Data within a cellular telephone can log who a person talks to and when these conversations occurred. The data may include information that includes call logs, pictures, and a contact list of known acquaintances or friends. Due to this potential of abundance of data, a cellular telephone has become an indispensable piece of evidence in criminal investigations.

23. That your affiants also know through their training and experience that the data (as defined by Section §53a-250(8) C.G.S.) contained within cellular telephones is and can be useful in identifying the actual owner of the telephone, who may have been using the telephone by examining the calls or messaging sent, received or missed. Further, the data contained within the telephone handset is useful to investigators in that it may show communication between a victim, a suspect and conspirator(s) or other potential valuable witness(s) prior to, during or after the time of the crime or incident.

24. That your affiants know through their training and experience that cellular telephone records are stored in the form of data on a cellular telephone and their related media. This data remains resident on the

cellular telephone even if it has been turned off or not used for a long period of time. This cellular telephone data can be extracted and preserved by properly trained and equipped personnel within a Digital Forensics Laboratory. Some data, although deleted, may be recovered and preserved by properly trained and equipped personnel within a Digital Forensic Laboratory.

25. That based upon the facts and circumstances described above, your affiants have Probable Cause to believe that evidence of an Assault in the First Degree is located :

The databases of AT+T Wireless, 11760 US Highway 1 Ste. 600 North Palm Beach, FL 22408 has in its possession cellular telephone records associated with 860-478-8625 including Subscriber Information, Per Call Mearsurement Data information, and Call Detail Records which may contain evidence related to the missing person investigation documented above.

pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S § 36a-43(a);

and the specific details with regard to such reasons are as follows:

The undersigned further requests that this affidavit also be included in such nondelivery.

Police Case number 1900006190

TO: A Judge of the Superior Court or a Judge Trial Referee

The undersigned, being duly sworn, complains on oath that the undersigned has probable cause to believe that certain property, to wit:

An Apple iPhone model X cellphone, color Black, with serial number DNPX9J3KKPFT, IMEI 357203091006485, and with a black plastic case, carrier AT+T 860-478-8625, located at the New Canaan Police Department, and all data contained therein as defined by Connecticut General Statute 53a-250(8) including all call logs of calls placed and received, SMS and MMS messaging, telephone numbers/contacts stored, address book, calendar, e-mail, video and image files, and any other graphic files, and all data pertaining to "apps" (applications/software), and any location data and/or health information. The cellular telephone may be subsequently submitted to a certified Digital Forensic Laboratory for examination. Authorization is requested to make human readable copies or recordings of the cellular telephone's data contained within this device in order to preserve and protect the information and to thereafter seize, read, copy, and maintain the described data.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Captain Andrew Walsh and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said department for 18 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover (New York passenger registration EMM8238) was parked in the center bay of the three-bay garage. A cursory examination of the garage was made and several areas of what appeared to be fresh stains were located. These stains had the general appearance of blood. Additional stains were found on the concrete floor of the garage and on the driver's side of the Range Rover. (Subsequent scene processing via a lawful Mincey Search & Seizure Warrant determined these stains tested positive for blood.) Sgt. LaTourette and Officer Blank entered the home to search for potential injured persons. Officers noted no evidence of disturbance inside the residence and they found no persons.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09AM and Verizon confirmed that the cellular telephone was last active on May 24, 2019, at 11:09

AM and that the last cell tower used by the cellphone was located at 4 Tower Drive in Darien - approximately one mile south of Waveny Park.

7. That upon learning that Jennifer Dulos may have been driving her black Chevrolet Suburban (Connecticut passenger registration AJ69099), officers began searching the area for the vehicle. Captain Walsh located Jennifer Dulos' black Chevrolet Suburban (Connecticut passenger registration AJ69099) along an isolated stretch of the southern portion of Lapham Road in very close proximity to Waveny Park. This location was consistent with the Verizon "ping." A police canine was summoned to search the surrounding area with negative results.

8. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle.
- A cellular telephone and tablet on the master bedroom stand.

9. That based upon the initial facts and circumstances developed by New Canaan Police investigators, including the presence of a large amount of suspected blood stains, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in this investigation.

10. That presently Jennifer Dulos has yet to be located and the search is ongoing. Jennifer Dulos has not been seen or heard from since a text message was sent from her cellphone to her babysitter, Lauren Almeida, at 7:57 AM on May 24, 2019.

11. That a standard investigative step included a background check of Jennifer Dulos and her ex-husband, Fotis Dulos, which listed a history of domestic calls to the 69 Welles Lane address, as well as the previous residence shared by the couple located at 4 Jefferson Crossing in Farmington. Incidents included the following:

- In June of 2017, Farmington Police received a complaint from Fotis Dulos at a time he and his wife, Jennifer Dulos, were in the process of a divorce. Jennifer Dulos packed up her belongings and left the house along with the children. She would not answer his repeated text messages to her. He reported that she stole property when she left. Farmington Police did not pursue the matter- no Probable Cause.

- On 06/09/17 Fotis Dulos calls police to report his children missing; however, police subsequently located all five children and determined they were safe and secure.

- On 06/21/17 Farmington Police secured an unregistered firearm (Glock 19 9 mm) from Fotis Dulos pursuant to a lawful Protective Order. As of 03/08/19 a friend of Fotis Dulos had reportedly made arrangements to receive the Glock - the exact status of the firearm is currently undetermined.

- On 08/02/17 New Canaan Police were contacted by Jennifer Dulos reporting that while at a temporary rented home (153 Chichester Road, New Canaan) Fotis Dulos had engaged in a verbal dispute with her in front of their juvenile children. It was reported that Fotis Dulos had called Jennifer Dulos a "bad Mother" and made the statement that she "belongs in an asylum." Jennifer Dulos had become upset, started to cry, and had contacted New Canaan Police. No arrests were made in this incident.

- In a separate incident which was not reported to police, the babysitter (Almeida) reported that she had heard a commotion outside the 153 Chichester Road residence. When Almeida went outside, Jennifer Dulos was visibly upset and she told Almeida that Fotis Dulos had just tried to run her over with a vehicle.

12. That on May 25, 2019, I spoke with Lauren Almeida, Almeida confirmed that at least several times she witnessed and/or was present during an altercation between Jennifer and her husband. In June of 2017, she stated she ran out to the driveway and found Jennifer crying. She stated that her husband tried to hit her with his vehicle and she needed to jump out of the way. Divorce and custody problems were in progress.

13. That on another occasion during the summer of 2017 and while Almeida was babysitting at their Farmington residence at 4 Jefferson Crossing, Almeida was present to witness Fotis Dulos chasing his wife through the house. She finally came running into the bedroom and slammed the door closed. She braced herself against the door as her husband kept pounding trying to open it. Almeida was in the bedroom at this time with one of the children and directly witnessed this. He seemed to calm down when he realized Almeida and one of his children were also in the room. Almeida said that Jennifer did not want to call the police as she was very afraid of her husband and he threatened to take the children permanently to Greece.

14. That divorce proceedings and very recent court orders concerning custody of the children have intensified the situation. On May 25, 2019, I spoke with Jennifer Dulos' attorney Reuben S. Midler. He confirmed the very contentious court battles involving divorce and custody issues. The most recent court appearance was May 17, 2019. Midler stated that Jennifer Dulos had been granted full physical custody of the children since March 1, 2018. Since that time, Fotis Dulos has been trying to get regular visitation but on March 20, 2019, Judge Heller granted supervised visitation only to the father and in addition, the court refused to give him the right to reintroduce his children to his girlfriend. In short, he did not get what he wanted after the long process. The last time he attempted/ appeared in court was May 17, 2019. He did not prevail in court. It is noted that this last contentious and "losing" court appearance was only one week prior to the disappearance of his wife.

15. That the babysitter (Almeida) told investigators that arrangements had been made for Jennifer Dulos to bring the children to Farmington for a pre-scheduled visit with their father, Fotis Dulos, on May 25, 2019 at 11:00 AM. On the previous evening (May 24, 2019), Fotis Dulos contacted Almeida at 8:41 PM after receiving notification from New Canaan Police that his wife was missing. Despite the fact he knew his wife was currently missing, Fotis Dulos inquired about whether the children were being brought to Farmington on the following day. Fotis Dulos discussed with Almeida the need for her to leave early to arrive on time in Farmington. Additionally, Files Dulos appeared "unconcerned" that his wife was missing and only talked about not missing the 11:00 AM time. She told him that she was waiting for instructions from the police. He texted her again later to ask for an update.

16. That at 1:01AM on May 25, 2019, Sgt. Farenga spoke via telephone with Fotis Dulos. As part of the basic questioning, Sgt. Farenga asked Dulos when he was last in the Town of New Canaan. Dulos answered that he had visitation with his children two days earlier on Wednesday (May 22nd). Fotis Dulos then stated he was coming "...tomorrow at 11..." to pick them (the children) up, referring to Saturday May 25th.

17. That the information provided by Fotis Dulos - specifically that he is the one traveling to New Canaan in order to go pick up his children - is in conflict with the arranged plans that Fotis Dulos, himself, acknowledged to the family babysitter, Lauren Almeida, when he told her to make sure she left early for Farmington so as to not miss the scheduled 10:00AM meeting time. These communications occurred by cellular telephone.

18. That on May 25, 2019, at approximately 1440 hours, Fotis Dulos and his attorney Jacob Pyetranker arrived at New Canaan Police Headquarters for a voluntary interview. Detective Allegro was provided a cellular telephone by Fotis Dulos, who indicated it was his telephone and who also provided the four digit code to unlock it. Investigators observed that it was an Apple iPhone model X. When he learned that his Phone was being seized by police, he objected several times and demanded the return of his telephone. It

was explained that the telephone may contain information that would help ascertain the whereabouts of his missing ex-wife and he was afforded several opportunities to provide and sign a consent form. He did not provide consent and instead terminated any interview. He left with his attorney.

19. That your affiants are aware through their training and experience that many people, including witnesses, victims, and suspects, carry and use cellular phones as a part of daily life while traveling. People who communicate or attempt to communicate in this manner may have knowledge or valuable information leading to the identification of potential witness(es) or persons knowing the victim(s), who may have communicated by way of a telephone.

20. That your affiants know through their training and experience that a modern cellular telephone handset stores data relating to the telephone's usage. This data includes call logs, calls placed, calls received, stored telephone numbers, text messaging, email messages, video files, image files, and audio files, and location data. Your affiants further know through training and experience that this data, even if deleted, may sometimes be retrieved through forensic examinations conducted by properly trained and equipped personnel within a Digital Forensic Laboratory. Obtaining such information could help investigators in locating victims and additional evidence, as well as identifying possible participants in criminal activities.

21. That your affiants know through their training and experience that a cellular telephone has become a virtual biographer of a person's daily activities. Data within a cellular telephone can log who a person talks to and when these conversations occurred. The data may include information that includes call logs, pictures, and a contact list of known acquaintances or friends. Due to this potential of abundance of data, a cellular telephone has become an indispensable piece of evidence in criminal investigations.

22. That your affiants also know through their training and experience that the data (as defined by Section §53a-250(8) C.G.S.) contained within cellular telephones is and can be useful in identifying the actual owner of the telephone, who may have been using the telephone by examining the calls or messaging sent, received or missed. Further, the data contained within the telephone handset is useful to investigators in that it may show communication between a victim, a suspect and conspirator(s) or other potential valuable witness(es) prior to, during or after the time of the crime or incident.

23. That your affiants know through their training and experience that cellular telephone records are stored in the form of data on a cellular telephone and their related media. This data remains resident on the cellular telephone even if it has been turned off or not used for a long period of time. This cellular telephone data can be extracted and preserved by properly trained and equipped personnel within a Digital Forensics Laboratory. Some data, although deleted, may be recovered and preserved by properly trained and equipped personnel within a Digital Forensic Laboratory.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Officer Kelly Coughlin and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said Department for 3 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover, New York registration EMM8238, was in the garage. A cursory examination of the garage was made and several areas of what appeared to be fresh blood stains were located. Apparent blood was found on the concrete floor and more was found on the side of the vehicle. Sgt. LaTourette and Officer Blank entered the home to search for potential injured victims. No persons were found.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active at 11:09AM and its location "pinged" at 4 Tower Drive, Darien, CT, in very close proximity to Waveny Park. That investigation found, and Watts confirmed, that Dulos may have been driving her black Chevrolet Suburban with Connecticut registration AJ69099.

7. That Captain Walsh located the Dulos black suburban on Lapham Rd. in very close proximity to Waveny Park and just as the Verizon "ping" documented. A K9 police dog was summoned to the scene with negative results. A search of the surrounding area was also made with negative results.

8. That the Verizon data noted the last activity on the cellular telephone occurred at 11:09AM. This indicates that Jennifer Dulos never left for New York to go to her scheduled appointments.

9. That while this Waveny search was going on, Officer Patten, as the on call Detective was called to the scene at 69 Wells Lane. Officer Patten found several areas of apparent fresh blood and stains in the garage and on the black Range Rover parked therein:

- Blood was located on both garbage cans inside the garage.
- Blood splatter was noted along the driver side door.
- An area where it appeared someone tried to clean up blood on the concrete floor.
- Partial bloody shoe impressions were noted on the concrete floor.
- A quarter sized droplet of blood on the driver's side rear fender
- The left front fender driver's side showed an area that was wiped clean.
- Droplets of blood were on the front of vehicle.
- A blood smear was found on the concrete floor next to driver's rear door
- Blood was on one of the garbage can's left side lift handle
- A cellular telephone and tablet on master bedroom night stand.

10. That Jennifer Dulos is still missing and has not been seen or heard from since a text message was sent from her telephone to babysitter Lauren Almeida at 7:57Am on May 24, 2019.

11. That due to the large amount of blood and unusual circumstances throughout this incident, command staff decided that the Connecticut State Police Major Crime Unit would be called to assist in processing this incident.

12. That a search warrant is requested for the Jennifer Dulos vehicle, Connecticut registration AJ69099, which was located on Lapham Rd in close proximity to Waveny Park in order to gather potential evidence and begin to try and ascertain the whereabouts of Jennifer Dulos.

REQUIREMENT OF DELIVERY
pursuant to § 54-33c, Connecticut General Statutes**

TO: A Judge of the Superior Court or a Judge Trial Referee

For the reasons set forth below, the undersigned, being duly sworn, requests that the judge/judge trial referee dispense with the requirement of C.G.S. § 54-33c that a copy of the application for the warrant and a copy of any affidavit(s) in support of the warrant be given to the owner, occupant or person named therein within forty-eight hours of the search:

- The personal safety of a confidential informant would be jeopardized by the giving of a copy of the affidavits at such time;
- The search is part of a continuing investigation which would be adversely affected by the giving of a copy of the affidavits at such time;
- The giving of such affidavits at such time would require disclosure of information or material prohibited from being disclosed by chapter 959a of the general statutes;
- In addition, it is requested that the requirement of advance service of this warrant upon the customer whose financial records are being sought, be waived pursuant to C.G.S § 36a-43(a);

and the specific details with regard to such reasons are as follows:

The undersigned further requests that this affidavit also be included in such nondelivery.

And that the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That the affiants, Officer Kelly Coughlin and Sergeant Peter Condos are regular members of the New Canaan Police Department and have been members of said Department for 3 years and 31 years respectively. At all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.
2. That on May 24, 2019, and at about 7:00PM, New Canaan Police received a call from Laurel Watts, who was reporting her friend, Jennifer Dulos, missing. Watts began by saying that she received a call from Lauren Almeida, who is babysitting the Dulos children in New York City. Dulos was supposed to go to New York for an orthodontist appointment with her children and meet up with Almeida but never showed up. It was also learned that Dulos missed two other doctor's appointments this day. The first missed appointment was scheduled at 10:30AM. There was no answer to any attempt at contact. Watts said that Dulos would never leave her children like that and would certainly have called if she was unable to make it to New York. Due also in part to their friend being involved in a contentious divorce and custody battle with her husband they called the police.
3. That Almeida and Watts provide Dulos' address at 69 Wells Lane. Sgt. LaTourette and Officer Blank responded to the residence. Babysitter Almeida provided officers with the code to the garage doors.
4. That the officers did not receive any response when they knocked on the front door. They could see one vehicle in the garage and so they entered using the provided code.
5. That a Black Range Rover, New York registration EMM8238, was in the garage. A cursory examination of the garage was made and several areas of what appeared to be fresh blood stains were located. Apparent blood was found on the concrete floor and more was found on the side of the vehicle. Sgt. LaTourette and Officer Blank entered the home to search for potential injured victims. No persons were found.
6. That while Officers were at Wells Lane, Almeida provided Dulos' cellular number, 929-499-7661. Officer Coughlin called Verizon to ascertain when the telephone was last used and/or if Verizon could "ping" it to get a location. Verizon confirmed that the cellular telephone was last active at 11:09AM and its location "pinged" at 4 Tower Drive, Darien, CT, in very close proximity to Waveny Park. That investigation found, and Watts confirmed, that Dulos may have been driving her black Chevrolet Suburban with Connecticut registration AJ69099.

And the facts establishing the grounds for issuing a Search and Seizure Warrant are the following:

1. That your affiant, Detective John Kimball, is a member of the Connecticut State Police with over twenty-five years of law enforcement experience. Affiant Christopher Allegro is a member of the Connecticut State Police with thirteen years of law enforcement experience. Both your affiants are currently assigned to the Western District Major Crime Squad, Troop G office, having been so for the past ten years. And at all pertinent times mentioned herein were acting in their official capacity as members of said department and both are currently assigned to the investigative section of the department and both have been assigned investigations into homicides as well as serious assault incidents and have received training in these and other areas. The following facts and circumstances are stated from personal knowledge, observation, and investigation, as well as from information received from brother officers acting in their official capacity.

2. That on 05/24/19 and at about 7:00 PM, the New Canaan Police Department (NCPD) received a report of a missing female, identified as Jennifer Dulos, who resides at 69 Welles Lane in New Canaan, CT. Friends had become concerned for Jennifer's welfare after she failed to attend multiple scheduled doctor appointments in New York City. Friends had attempted to contact Jennifer without success.

3. NCPD officers responded to the residence and attempted to raise someone inside home, but were unsuccessful. At the behest of the family, the nanny provided officers access to the residence.

4. During their check of the residence, NCPD officers located several stains on the garage floor and on a vehicle parked in the garage, which had the appearance of bloodstains.

5. The New Canaan Police Department contacted the Connecticut State Police Western District Major Crime Squad (WDMCS) for investigative and crime scene processing. From this point forward, this case proceeded as a joint investigation between New Canaan Police, Connecticut State Police, and other federal and local agencies.

6. New Canaan Police initiated a search of the area surrounding 69 Welles Lane the New Canaan area and located a 2017 Chevrolet Suburban (Connecticut passenger plate AJ69099) registered to the victim, Jennifer Dulos, on Lapham Road just north of the Merritt Parkway along the west perimeter of

Waveny Park in New Canaan. This site was approximately three miles driving distance from the 69 Welles Lane residence. A check of the vehicle and subsequent exhaustive searches of Waveny Park using NCPD and Connecticut State Police personnel and canines did not locate Jennifer.

7. Under the authority of a Mincey Search Warrant, the WDMCS van conducted crime scene processing at the 69 Welles Lane residence and found evidence of a large quantity of physical evidence in the garage area and inside the residence. This included: Multiple stains on the garage floor which tested positive for human blood; Multiple areas of suspected blood spatter; Evidence of attempts to clean the crime scene.

8. Investigators identified the estranged husband of Jennifer Dulos as FOTIS DULOS (DOB: 08/06/1967) - hereinafter referred to as "Dulos" - who currently resides at 4 Jefferson Crossing in Farmington, CT. The current live-in girlfriend of Dulos was identified as Michelle C. Troconis (DOB: 09/26/1974).

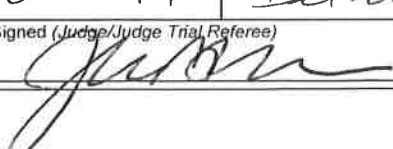

9. Investigators learned that Dulos was the owner of Fore Group, Inc. A www.LinkedIn.com page listed Dulos as "Owner, Fore Group, Inc."

10. A check of Department of Motor Vehicle files listed multiple vehicles registered to the Fore Group, LLC - a company owned by Jennifer's estranged husband, Dulos. One vehicle listed was a 2014 Ford F150 SVT Raptor (CT Plate: 910YFC).

11. On 05/25/19 at 2:47 PM, investigators met briefly with Dulos in the NCPD headquarters lobby. During the meeting, Dulos provided his Apple iPhone Model X to Detective Allegro, who seized the device under the belief it contained evidence of a crime and/or information which could lead to the discovery of Jennifer Dulos. Dulos and his attorney subsequently left NCPD headquarters without providing any information to assist investigators in locating his missing wife. To date, Dulos has declined to cooperate with this investigation.

12. Investigators obtained a search and seizure warrant to conduct a forensic download on the device. Additional search warrants were obtained for the call detail records of the cellphone associated with Troconis. Investigators consulted with the United States Marshals Service, who provided analytical support for cellphone data for Dulos' handset and

Troconis' call detail records. The following information was gleaned:

· On date of Jennifer Dulos' disappearance (05/24/19) Dulos' cellphone left his 4 Jefferson Crossing residence and traveled to the area of 80 Mountain Spring Road in Farmington, CT.

· At approximately 1:37 PM, Dulos' device entered the property of 80 Mountain Spring Road which Geographic Information System (GIS) Property Records indicate is owned by Dulos' company, the Fore Group Inc.

· Dulos' device remained on the property for more than two hours until 3:38 PM, at which time the phone traveled back to his residence at 4 Jefferson Crossing, arriving 4:17 PM.

· As of approximately 5:21 PM, Dulos' cellphone had returned to the area of 80 Mountain Spring Road.

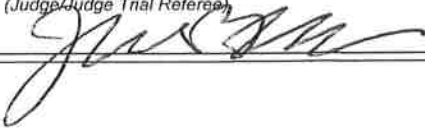

· At approximately 5:34 PM, Dulos' cellphone had arrived back at his residence at 4 Jefferson Crossing.

· At approximately 7:10 PM, Dulos' device traveled to the area of Albany Avenue in the north end of Hartford. The call detail records of the device associated with Troconis showed the handset traveling along with Dulos' cellphone throughout the Hartford area.

· At approximately 7:41 PM, Dulos' handset left the Hartford area and returned to his residence at four Jefferson Crossing.

13. A residential surveillance system adjacent to Dulos' property at 4 Jefferson Crossing showed a black Ford Raptor pulling into Dulos' driveway at approximately 8:12 PM. A male matching the description Dulos' appearance, and matching the appearance of the male shown on C4 video, exited the vehicle, walked to Dulos' mailbox, and removed the mail. The male then got back into the vehicle and pulled further onto the property of 4 Jefferson Crossing and out of camera range.

14. On 05/31/19 Dulos and Troconis were escorted to CSP Troop L in

Litchfield and Body Search Warrants were executed on both parties to obtain known DNA samples and known fingerprints from each. At that time, Dulos' 2014 Ford F150 SVT Raptor (CT Plate: 910YFC) was also seized via a separate search warrant. Detectives also confirmed the appearance of the vehicle was consistent with the Ford pickup truck shown on C4 video.

15. Investigators obtained surveillance footage from the Hartford Police Department Capital City Command Center (C4) which operates surveillance cameras at various Hartford locations, including the Albany Avenue area. C4 documented a black Ford Raptor pickup truck stopping at multiple locations along a more than four-mile stretch of Albany Avenue between Biltmore and Edward Streets. Video stills of the Ford pickup were examined and specific aspects of the vehicle shown on C4 video matched characteristics of Dulos' vehicle, which has been personally observed by detectives, to include a sticker on the rear window of the truck and a light-colored mark on the lower portion of the front bumper. The front plate of the C4 vehicle was of consistent color to Dulos' vehicle and the C4 video showed characters consistent with the letters and numerals on Dulos' vehicle. The video timeframe was consistent with the movements of Dulos and Troconis' handsets.

16. The C4 video showed a Caucasian male matching the physical appearance of Dulos emerging from the Ford pickup and placing multiple garbage bags into various trash receptacles. The male wore a baseball cap and a light-colored shirt. In some cases, the C4 video showed items being discarded which stained with a substance consistent with the appearance of blood.

17. One video clip showed what appeared to be a Caucasian female with a thin build leaning out of the passenger seat of the Ford pickup and either placing something on the ground or picking up an item. This female was consistent with Michelle Troconis.

18. Another video clip showed the male at the corner of Albany Avenue and Garden Street inserting an item into a storm drain grate. Detectives responded to the drain and a Metropolitan District Crew removed the grate, which allowed detectives to recover a FedEx mailer box. Inside the box, investigators located two Connecticut license plates whose appearance had been altered using tape and adhesive. The actual license plate (Connecticut Passenger plates 516WDJ) was modified to read "5T6WBU." When detectives queried the actual plate (516WDJ), Department of Motor Vehicle records indicated the plates came back Status: Cancelled on a 2007 Chevrolet Suburban registered to Dulos.

19. Detectives checked the trash receptacles shown on surveillance and recovered garbage bags consistent with bags shown on C4 video, women's clothing with a blood-like substance, other items and household goods (e.g. kitchen sponge) with blood-like stains, and other items.

20. Items recovered from trash receptacles corresponding to dump locations shown on C4 video were submitted to the Department of Emergency Services and Public Protection Forensic Laboratory (278 Colony Street, Meriden CT).

21. That on 06/01/19 items which were recovered from Hartford trash receptacles and submitted to the DESPP lab were tested and found to contain Jennifer Dulos' blood.

22. That the DESPP laboratory determined that a sample of a stain taken from the kitchen faucet from the 69 Welles Lane residence was mixture of Jennifer Dulos' genetic profile and that of her husband, Fotis Dulos.

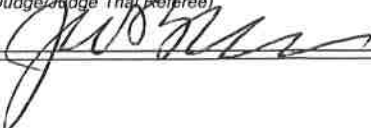

23. On 06/02/19 at approximately 1430 hours, detectives conducted an interview with Troconis at NCPD headquarters following her arrest on separate charges. Troconis was interviewed in the presence of her attorney, Andrew Bowman, and was provided a Notice & Waiver of Rights prior to starting the interview. Troconis denied any knowledge of, or involvement in, the disappearance of Jennifer Dulos. Troconis' information included the following:

· Troconis confirmed she was Dulos' live-in girlfriend, and that Dulos was the owner of the Fore Group, LLC.

· Troconis claimed she woke at 6:40 AM on the morning of 05/24/19 and that Dulos was at their shared residence (4 Jefferson Crossing.

· Troconis stated she drove the 2014 Jeep Cherokee (CT Plate: AK25389) to Avon Self Storage (190 Old Farms Road, Avon CT) to return an item to Aaron Haines, the wife of the business owner - Robert "Hutch" Haines - which had been left at the Jefferson Crossing home. Troconis mentioned that Dulos rented at least one storage unit at the facility used to store items.

· Troconis indicated at approximately 3:00 PM she received a phone call from Dulos who requested she bring cleaning supplies to 80 Mountain Spring Road in Farmington, a property owned by Dulos' company, Fore Group, LLC. Dulos was already at the property.

· Troconis brought supplies - vacuum, Swiffer sweeper, paper towels, Clorox, garbage bags - to 80 Mountain Spring Road and saw Dulos already on the property.

· At 4:00 PM, a Fore Group employee, Pawel Gumienny arrived at 80 Mountain Spring Road driving a 2014 Ford F150 SVT Raptor (CT Plate: 910YFC) registered to the Fore Group.

· Troconis claimed she left the property and arrived back on Jefferson at approximately 5:20 PM to find Dulos and Gumienny having a conversation in the rear yard.

· At 6:30 PM or 7:00 PM Fotis told Troconis he wanted to go to Starbucks in West Hartford. She said she and Dulos rode in the Ford Raptor to a "creepy" area of an unknown street in Hartford. Along this street, Troconis indicated Dulos stopped at multiple trash receptacles to discard unknown items in plastic trash bags from the Ford. Troconis claimed she had no idea what was inside the bags and that this was not usual behavior for Dulos.

· Interviewing detectives showed Troconis still images from the Hartford Police C4 video and she confirmed they showed herself and Dulos riding in the Ford Raptor.

· Troconis stated after stopping at several locations to discard bags, Dulos drove to a Starbucks in West Hartford. The couple then drove back to Jefferson Crossing.

· Troconis indicated Dulos was contacted by NCPD during the evening of 05/24/19 and advised Jennifer Dulos was missing.

· When pressed, Troconis admitted she could not account for Dulos' whereabouts on 05/24/19 between 8:00 AM and 1:00 - 2:00 PM.

24. On 06/03/19 the WDMC crime van was executing a search warrant at 4 Jefferson Crossing in Farmington when they located a handwritten document which outlined activities of Dulos and Troconis on Friday 05/24/19 and Saturday 05/25/19. Some of the elements listed on the document were similar to claims made by Troconis during her interview with investigators, while other elements differed. Notations included the addresses of "585 Deercliff Avon" and "80 MS" (80 Mountain Spring Road) - two properties owned by Dulos' company.

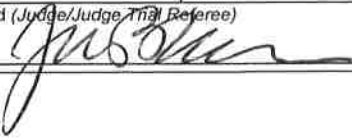

25. Investigators checked land records, law enforcement databases, and other sources to determined that properties listed to the Fore Group, Inc. included:

61 Sturbridge Hill Road, New Canaan CT

26. The New Canaan Geographic Information System (GIS) site lists 61 Sturbridge Hill Road as a 2.43 acre lot located on the west side of Sturbridge Hill Road, south of Brushy Ridge Road. The Grantee for the property is listed as Fore Group, Inc. and the mailing address for the company is listed as 4 Jefferson Crossing, New Canaan CT.

27. Your Affiants have personal knowledge, based upon their experience and training, that crimes of violence involve a struggle, a break, the use of weapons and other instrumentalities, and/or the element of unpredictability; the person or persons participating in the commission of a violent crime is/are in contact with physical surroundings in a forceful or otherwise detectable manner; there is often an attempt to alter, destroy, remove, clean-up, or cover-up evidence of a crime. That traces may be left in the form of blood, saliva, physiological fluids and secretions, hair, fibers, fingerprints, palm prints, footprints, shoe prints, weapons and firearms including knives, hatchets, axes, cutting instruments and cutting tools, blunt force instruments, dirt, dust and soil, paint samples, glass and plastic fragments, marks of tools used to gain access to locked premises or containers and items containing traces of any of the above mentioned articles. Many of the above items are minute and/or microscopic, thus requiring additional specialized examination and techniques by forensic science laboratory.

28. Your Affiants also have personal knowledge, based upon their experience and training, that a crime scene, such as described above, will contain physical evidence, hereinbefore itemized, which will aid in establishing the identity of the perpetrator(s), the circumstances under which the crime was committed, and/or which in general will assist in the discovery of the pertinent facts and that such evidence requires a systematic search to locate, seize, record and process. That trace evidence left in the forms mentioned above is easily transferred between participants and inanimate objects such as surroundings, including their home or motor vehicle. That it is reasonable to believe and expect that a person responsible for committing a crime, such as the one described in this affidavit, would come in contact with these forms of trace evidence and transfer them to their surroundings.

29. Your Affiants also have personal knowledge that the Department of Emergency Services and Public Protection Division of Scientific Services Laboratory located at 278 Colony St in Meriden, CT has the equipment, personnel and expertise necessary to conduct physical examination, scientific testing and forensic analysis, including but not limited to biological and chemical testing, instrumental analysis, firearms, photography, biochemistry, DNA, criminalistics, fingerprints, in order to locate, identify, compare and reconstruct items of evidence and trace evidence to aid in establishing the circumstances of the crime and identity of the participants involved in the crime. The Department of Emergency Services and Public Protection Division of Scientific Services Laboratory will use standardized and documented procedures to extract, amplify and detect DNA from evidentiary items and samples taken from known individuals. The resulting DNA profiles from the evidentiary items will be compared to the known individuals' profiles and the results documented in a laboratory report.

30. Based upon the facts and circumstances described above, your Affiants have probable cause to believe that evidence of the crime of Murder, in violation of Conn. Gen. Stat. 53a-54c will be found within the property locate at 585 Deercliff Road, Avon, Connecticut, and its curtilage.

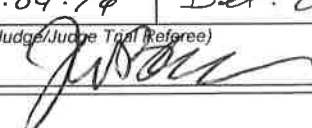

31. Therefore, your affiants are requesting a Search and Seizure warrant be issued for 61 Sturbridge Hill Road, New Canaan, Connecticut, and any outbuildings. The evidence collected will be submitted to the Department of Emergency Services and Public Protection Division of Scientific Services Laboratory located at 278 Colony Street in Meriden, CT for physical examination, scientific testing and forensic analysis.
